G. W. Zetser, 102 N. Flint St., Roseburg, Ore., says: "The public statement I gave in 1906, recommending Doan's Kidney Pills still holds good, and I am glad to again say a word in their praise. I know from personal experience that Doan's Kidney Pills are an effective kidney medicine. I procured a supply from the Marsters Drug Co. and they proved very effective in relieving backache and other symptoms of kidney complaint. If more kidney sufferers in Roseburg used Doan's Kidney Pills, there would be less suffering from this malady."

The Jeweler on Cass St., Roseburg, Or.

Much interest is manifested at the revival services at the United Brethren church. Services every evening at 7 o'clock. Hearty invitation to all.

Some idea of the immense quantity of holiday mail matter that is being handled this season may be judged from the fact that there were seven mail clerks aboard the car from Portland which arrived here at 9:15 this morning. This big force was necessary to handle the big mass of matter which had accumulated.

Two drunks named Snyder and Greenfield were fined \$5 and \$10 respectively in Recorder Orcutt's court Monday evening. Previous to his arrest Snyder insulted a woman near the corner of Rose and Oak streets. Two bystanders, first one and then the other, took up the matter and in the altercation which followed Snyder received a blow on the head from a rock, which made a gash that required the attention of a physician.

WHAT CHRISTMAS PRESENT?

Which makes the best Christmas present—the 52 issues of The Youth's Companion, costing only \$1.75 for the whole year, or one book, costing \$1.50 to \$2.00.

In quantity, variety and value of reading The Companion excels. Is not such a paper, bringing every week into the home circle charming stories, articles on a thousand subjects by famous men and women, delightful short sketches, humorous anecdotes, and an infinite variety of other wholesome, entertaining reading—is not such a paper the very one for an appropriate, acceptable Christmas present? Think of it! In a year The Companion gives you as much reading as 20 400-page books of travel, history, fiction, miscellany,

biography and humor, and not a line in it that shakes one's faith in truth and honor, not a phrase that makes light of the things that are sweet and pure. Is it not a Christmas gift worth having—a Christmas gift that is 'worth while'?

Send your subscription (\$1.75) at once so as to receive free all remaining issues of the Companion for the remaining weeks of 1909, as well as The Companion's 'Venetian' Calendar for 1910, lithographed in thirteen colors and gold.
