Whether you go with DePries to visit on Halley's Comet or mingle with the few (millions) that remain, at least wear a clean shirt and a smile. You get both when you see the work we send back to you.

OTT & LENOX

Mr. and Mrs. R. C. Arnold and daughter, of Looking Glass, left here this morning for Portland for a few days' visit.

D. H. McBride and his aged mother, who have been visiting here at the home of his cousin, Mrs. O. P. Henderson, left this morning on their return home to Watsburg, Wash. Mr. McBride is a native of Wilbur, this county, and this was his first visit to the county in 30 years.

Albany Herald: Fred Carlyle, who so successfully staged the extravaganza, "The Military Girl," a few months ago, has returned from the University of California where he has been operative and dramatic coach. Mr. Carlyle brings with him an assistant, John D. Hartigan. Mr. Hartigan is the author of several musical productions, his last effort being "The Chasers," which was produced last Monday in the Greek Theatre of the University before the largest audience which has ever assembled to hear a musical comedy. Mr. Carlyle had entire charge of this production and the splendid work of the choruses was the sensation of the evening. Mr. Carlyle will produce, in the near future, the farce-comedy "His Excellency the Governor," for the senior class of the high school. Following this, "The Mikado," Gilbert and Sullivan's delightful opera, will be staged for the benefit of the school library.

Lion Fondles a Child.

In Pittsburg a savage lion fondled the hand that a child thrust into his cage. Danger to a child is sometimes great when least regarded. Often it comes through colds, croup, and whooping cough. They slay thousands that Dr. King's New Discovery could have saved. "A few doses cured our baby of a very bad case of croup," writes Mrs. George B. Davis, of Flat Rock, N. C. "We always give it to him when he takes cold. It's a wonderful medicine for babies." Best for coughs, colds, la grippe, asthma, hemorrhages, weak lungs. 50c. Trial bottle free. Guaranteed by all druggists.
