TO VOTERS.

Less than 300 voters in the district affected signed the Washington-Multnomah county annexation petition; 500 in the district have signed a remonstrance, practically all outside the district are against annexation, yet you are called upon to vote the addition of practically one-fourth of Washington, one of the smallest counties, to Multnomah, already the wealthiest, most influential and powerful. Voters of the state outside of the counties affected can know but little of these county division measures. We of Washington know nothing of the merits of those not affecting us, and believe such questions should be left to the counties affected. Washington county cannot afford to lose this territory, and Multnomah does not need it. We ask you to vote 339 X No.—W. D. Wood, Chairman Anti-Annexation Committee, Hillsboro, Oregon.

STORIES AT LESS THAN A CENT APIECE.

In the fifty-two issues of a year's volume The Youth Companion prints fully two hundred and fifty stories. The subscription price of the paper is but $1.75, so that the stories cost less than a cent apiece, without reckoning in all the rest of the contents—anecdotes, humorous sketches, the doctor's weekly article, papers on popular topics by famous men and women.

Although the two hundred and fifty stories cost so little they are not cheap stories. In variety of scene, diversity of incident, skill and truth in character-depicting, they cannot be excelled.

The Announcement for 1911, beautifully illustrated, giving more detailed particulars of these stories and other new features which greatly enlarge the paper, will be sent to any address free with sample copies of current issues.

Every new subscriber receives free The Companion's Art Calendar for 1911, lithographed in thirteen colors and gold, and if the subscription is received at once, all the issues for the remaining weeks of 1910. The Youth's Companion, 144 Berkeley st., Boston, Mass. New subscriptions received at this office. dsw

The Semi-Weekly Oregon Journal

Publishes the latest and most complete telegraphic news of the world; gives reliable market reports, as it is published at Portland, where the market news can be and is corrected to date for each issue. It also has a page of special matter for the farm and home, an entertaining story page and a page or more of comic each week, and it goes to the subscriber twice every week—104 times a year.

The Review gives all the local and county news and happenings and should be in every home in this vicinity.

The two papers make a splendid combination and you save $1.00 by sending your subscription to The Review. We can also give our subscribers a good clubbing offer for the Daily and Sunday, or Sunday Journal, in connection with The Review.

LAUN-
DRY?

The greatest question before the people today—But it is easily solved—We do all the work for less than the cost of your wood, soap and water and we can prove it.

Our equipment of steam washing, with one fire for all tells the story. Send us yours.

"Birdie" Cree, Who Has Regained His Batting Eye.

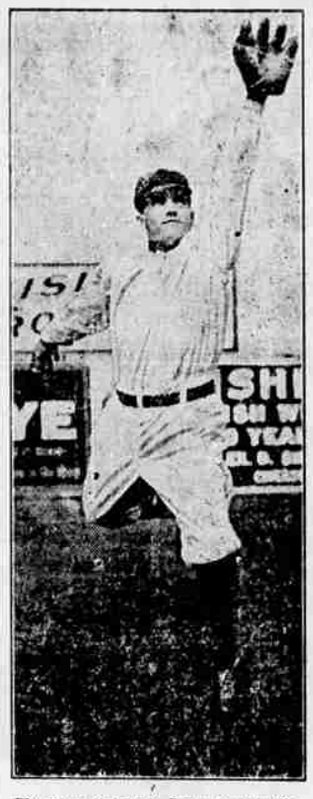

Photo by American Press Association.

"Birdie" Cree, the clever outfielder of the New York Americans, is having the time of his life protecting himself against opposing pitchers. The little professor of forestry was hitting about .400 early in the season until Walter Johnson happened to "beam" him with one of his fastest shoots. For six weeks Cree wouldn't stand close enough to the plate to reach the ball with a telephone pole. Now he is hitting harder than ever. He has all his confidence back. But the pitchers of other clubs are evidently either trying to scare him back or to hit him again. They figure that if Cree gets another crack on the head he will be of little batting value to the Highlanders.
