Wins Fight For Life.

It was a long and bloody battle for life that was waged by James B. Morshon, of Newark, N. J., of which he writes: "I had lost much blood from long hemorrhages, and was very weak and run-down. For eight months I was unable to work. Death seemed close on my heels, when I began, three weeks ago, to use Dr. King's New Discovery. But it has helped me greatly. It is doing all that you claim." For weak, sore lungs, obstinate coughs, stubborn colds, hoarseness, la grippe, asthma, hay-fever or any throat or lung trouble, it's a supreme. 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

Season tickets for the Chautauqua Assembly are on sale at all the drug stores for a short time. The price charged for season tickets make the single admission less than 15 cents to holders of such tickets. Those who wish to take advantage of these rates should secure their tickets at once, before they are withdrawn from sale.

MR. FARMER,

Why Would You Pay a Peddler \$35.00 to \$50.00 More

for a buggy or hack, when you can buy a better job for that much less money from your home dealer? Buy from a peddler, he sells you today and is gone tomorrow.

His guarantee lasts just as long. He has to get a big price for his goods, as he is at a big expense all the time, and if he takes your note, he makes the price enough so he can sell it to a bank at a discount of from 15 to 20 per cent.

Do these "peddlers" pay any taxes to help build and keep up your roads? Do they buy any of your produce? Are they any benefit to you or your county or state?

Think it over, and if you are going to buy a buggy, hack, wagon, get our prices first.

Roseburg is not the only city in Oregon where interest in school elections might be greater, as the following item in the Corvallis Times would show: The annual school election scheduled for yesterday afternoon at 2 o'clock was forgotten by the populace and not a single vote was cast. As a result Rev. J. R. N. Bell will continue as director until his successor is elected and qualified.

"A tank take" is the report that comes from Medford of the Buzzsaw-Dyereborg wrestling bout in that city Tuesday night. It was to be a two-falls-out-of-three affair. Each man got a fall. Why the third was not decided is not explained.

F. P. Norton, the Marshfield horseman, who has been in Roseburg the past few days, has bought King Dixon, a two-year-old trotter, sired by So-noma Boy, of Frank E. Allen's stock farm. Mr. Norton will enter the youngster in the futurities at Salem and Portland this fall.

Lawrence Brumfield, a 16-year-old boy, accidentally shot himself through the right leg between the knee and hip while fishing in the Coast Fork River, seven miles south of Cottage Grove, Sunday. Young Brumfield had ridden out early on his bicycle, and had hooked a fine trout, when in his efforts to land the fish it fell upon the rocks, and when he stooped to grasp it his revolver fell from his hip pocket, the hammer striking the rocks, discharging the weapon.

Three quarts of whisky, drunk during the night, caused the death of William Jackson, aged 36, at Medford, Tuesday. The body was found in the freight yard, where the drunken man had wandered. He was a druggist from New Jersey, and was despondent from financial troubles, which led him to the debacle.

COAST ROUTE IN SIGHT.
 Scenic Line Through Siskiyou Mountains is Surveyed.

SAN FRANCISCO, June 20.—San Francisco and Portland will soon be linked by another railroad, announcement of which was made today. The Northwestern, which now operates from San Francisco to Willits, to Trinidad by way of Arcata and Saxon. This extension of service will be accomplished by the taking over by the Northwestern of over 20 miles of the road now operated by the Hammond Lumber Company from Arcata to Trinidad. Thus will be initiated a project to build a railroad from Trinidad to Portland.

The line as now surveyed will follow the California coast to Crescent City, a seaport in the extreme northwestern part of the state. From Crescent City it will diverge inland to Grants Pass, Or.

It will be necessary to tunnel the Siskiyou, and much costly engineering is said to be involved.

It is designed primarily to be a scenic route. The Northwestern is owned jointly by the Santa Fe and the Southern Pacific. Surveys and estimates for the Trinidad to Portland line have been passed upon by Southern Pacific and Santa Fe officials and work will be rushed.

The Arcata-Trinidad line is owned by the Northwestern and has been under lease to the Hammond Lumber Company.

SUTHERLIN RESIDENT REWARDED FOR HEROISM.

A. G. Morris, Retired Sea Captain, Receives Binocular From President Taft.

PORTLAND, Or., June 21.—James Laidlaw, the British Consul, has received a handsome binocular glass to be presented to Captain A. G. Morris, now a resident of Sutherland, Or., but formerly master of the British steamship Tocantins. In recognition of his bravery the glass was awarded by President Taft under the following circumstance:

April 29, 1909, the Tocantins, in command of Captain Morris, was returning from Brazil to New York. When about 140 miles off Cape Henry the skipper sighted a ship flying signals of distress. She proved to be the American schooner George May, of Philadelphia, water-logged, and the only part of her deck above sea was the wheelhouse.

All fresh water and provisions had been washed away and the exhausted crew were huddled in the only dry spot left. She was helplessly drifting with the Gulf Stream into the middle of the Atlantic. The seas were very heavy, and it was extremely difficult for the ship to get near. But after working for six hours Captain Morris managed to get her in tow and towed the sinking vessel against the Gulf Stream, landing her and crew safely at Norfolk, Va., after two days of hard work and anxiety.

The glass was sent to the British government for presentation to the captain in recognition of his bravery and that of his crew. In the meantime the skipper had quit the sea and taken up his residence at Sutherland. It was only recently that his whereabouts became known to the British government, after which its representatives communicated with Consul Laidlaw and forwarded him the token of esteem.

Consul Laidlaw is sending the glass, with full explanations, to Dr. Phillips, Mayor of Sutherland, for presentation to Captain Morris in behalf of the United States Government, the donor. Morris had been going to sea in a merchantman for years, and is well known at the big Atlantic Coast ports.

How you may profit by it. Take Foley Kidney Pills. Mrs. E. G. Whiting, 360 Willow St., Akron, O., says: "For some time I had a very serious case of kidney trouble and I suffered with backaches and dizzy headaches. I had specks floating before my eyes and I felt all tired out and miserable. I saw Foley Kidney Pills advertised and got a bottle and took them according to directions and results showed almost at once. The pain and dizzy headaches left me, my eyesight became clear and today I can say I am a well woman, thanks to Foley Kidney Pills."
