

SOUTHWESTERN MONTANA IN GRIP OF BLIZZARD; BUTTE DEMORALIZED.

SALT LAKE CITY, Oct. 12.—Dispatches received here last night at the general offices of the Oregon Short Line from the company's line-men who had been battling all day against a terrific blizzard in South-western Montana, paint a gloomy pic-ture of conditions in that section.

Snow, wet and heavy, piling in huge drifts, fierce gales, miles of telephone and telegraph wires dis-arranged, poles uprooted and leveled, and light and power plants paralyzed is the substance of the messages at hand.

At Butte, Mont., the storm center, the situation is believed to verge on demoralization.

Streets and sidewalks have been obstructed by the tremendous and unprecedented fall of snow, streetcar service is annulled, and all business has practically been suspended. Since 9 o'clock Tuesday night, when all wire communication with the city was severed, no definite word had come to indicate the real extent of the damage wrought.

However, the railroads report that the snow lies to a depth of 2½ feet on the level, with the high wind caus-ing drifts in many places to a depth of several feet.

D. D. Boyle, of Texas, and Morton Hadley, of Roseburg, will begin a revival meeting at the Christian church next Sunday, Oct. 15, at 11 o'clock. Evangelist Boyle held a great meeting for Pastor McConnell in Kansas. It is expected that a similar meeting will result from the efforts here. Boyle is a man of power, but uses no slang nor pulpit antics to draw people. Morton Hadley needs no introduction to Rose-burg people. He is one of us. He is a splendid song leader and soloist. You should plan to attend at least a part of these services.
