IN ROSEBURG.

Every Claim is Backed by Local Testimony.

If the reader wants stronger proof than the following statement and experience of a resident of Roseburg, what can it be?

A. J. Adams, 242 Rose St., Roseburg, Oregon, says: "I can praise Doan's Kidney Pills highly for restoring me to health and strength. My back ached terribly for hours at a time, and when the trouble had in some degree abated, I felt drowsy and miserable. For weeks I could not work, and if I stopped, sharp twinges darted through me. Other symptoms of kidney complaint made their appearance and my condition became so bad that I shall not attempt to describe it. My limbs and muscles ached, my sight became poor and dizzy spells annoyed me. Often I had to catch hold of something to keep from falling. Finally I tried Doan's Kidney Pills and after using three boxes I felt like a different person. I slept better, could attend to my work, and improved in every way. I now keep Doan's Kidney Pills in the house, but I have no need for them, as all the symptoms of my trouble have disappeared. This remedy cured me after others failed and I therefore recommend it highly. For sale by all dealers. Price 50 cents. Foster-McIlburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
