victims to stomach, liver and kidney troubles just like other people, with like results in loss of appetite, back-ache, nervousness, headache, and tired, listless, run-down feeling. But there's no need to feel like that, as T. D. Peckler, Henry, Tenn., proved. "Six bottles of Electric Bitters," he writes, "did more to give me new strength and good appetite than all other stomach remedies I used." So they help everybody. It's folly to suffer when this great remedy will help you from the first doses. Try it. Only 50c at all druggists.

"Pride of Douglas" and "Queen City" flour bring results. Ask the Douglas County Mills. Phone 13.

OLALLA NEWS

W. H. Coates is running his large steam thrasher with marked success, having nearly finished in Ten Mile and will be on the Olalla side during the week.

Sheridan Gray, after thrashing a few crops in this neighborhood, has moved his machine to Canas Valley where we are informed they have three machines in operation.

J. O. Newland and family, who are vacationing in this vicinity, went to Roseburg Saturday evening to attend to business matters.

Wm. Frater, of Roseburg, spent several days at this place last week, visiting with his daughter Mrs. A. S. Ireland.

The Pioneer Reunion will be held at Olalla, August 25, 26 and 27th. Much enthusiasm is manifested in this event and outsiders are cordially invited to come and take part in the three days of jollity. A program for each day has been arranged for the occasion, which will consist of Political and other speeches, recitations, readings and music, with the usual amount of field sports, such as racing, ball playing and horseback riding. Each night will close with a grand ball. Ott's Orchestra, of Roseburg, has been engaged to furnish the music, which, needless to say, is the best to be had in the country. Another very attractive feature of the event will be the barbecue on August 25, arrangements for which has been placed in the hands of Al Tompkins and Dave Stevens, this fully assuring its being done to the satisfaction of all.

IT GROWS HAIR

Every Man or Woman Can Have An Abundance of Hair Full of Life and Beauty.

Mrs. C. Borchardt, No. 753 1/2 Eighth Street, Milwaukee, Wis., writes: "I am very much pleased with PARISIAN Sage. This is my fourth bottle and my hair is coming in nicely and getting thicker. I must say it is a fine hair grower."

PARISIAN Sage does not contain Sugar of Lead, a poison that often causes blood poison and sometimes death. Ask your dealer if he can guarantee some other hair preparations not to contain Lead or Nitrate of Silver.

PARISIAN Sage is not a dye. Most dyes are dangerous. It is a hair nourisher, grower and beautifier and quickly banishes dandruff, stops hair from falling, and scalp Itch. Large bottle 50 cents at Red Cross Pharmacy and dealers everywhere.

MRS. MCGILL BROKE DOWN

Gives the Real Facts in Regard to Her Case and Tells How She Suffered.

Jonesboro, Ark.—"I suffered a complete break down in health, some time ago," writes Mrs. A. McGill, from this place. "I was very weak and could not do any work. I tried different remedies, but they did me no good. One day, I got a bottle of Cardui. It did me so much good, I was surprised, and took some more."

Before I took Cardui, I had headache and backache, and sometimes I would cry for hours. Now I am over all that, and can do all kinds of housework. I think it is the greatest medicine on earth."

In the past fifty years, thousands of ladies have written, like Mrs. McGill, to tell of the benefit received from Cardui.

Such testimony from earnest women, surely indicates the great value of this tonic remedy, for diseases peculiar to women. Are you a sufferer? Yes? Cardui is the medicine you need. We urge you to try it.

His daughter, Miss Nellie, who has been re-engaged to teach in the schools here, will accompany him for a visit in Eugene with her sister, and from there she will go on to Portland for a brief stay before beginning her duties here.

Prof. Earl Kilpatrick, principal of the Oakland, Or., public schools last year, was married at Leona Tuesday, August 20, to Miss Helen Kenny, daughter of J. J. Kenny, a lumberman of that place. Rev. Father Killian, of St. Joseph's Church, of this city, officiated. Prof. and Mrs. Kilpatrick will reside in Salem, Or., where he has a principalship in the public schools for the coming year. Both are former students of the University of Oregon.

Husband and wife appear as opposing litigants in action for money filed in the circuit court here as a sequel to the arrest a few months ago of Thomas Bruner, a Venable farmer, on the charge of maltreating his stepdaughter—a charge on which the grand jury exonerated him. Bruner's arrest was instigated, he alleges, for the purpose of allowing his family to dispose of property near Rice Hill, in which he claims an equity interest, without his consent. He has now sued his wife for \$491 for labor performed on the property involved. Ever since the preliminary hearing of the criminal charge against Bruner, the authorities have been unable to obtain definite evidence as to whether Bruner is actually impure. Doubt on this point is strengthened by the absence of a divorce suit that would seem to be the last act due in the domestic tragedy. When Bruner was asked point blank here whether or not he was married he grinned and replied: "Ask her."

"My child was harmed terribly about the face, neck and chest. I applied Dr. Thomas' Electric Oil. The pain ceased and the child sank into a restful sleep."—Mrs. Nancy M. Hanson, Hamburg, N. Y.
