Many Driven From Home.

Every year, in many parts of the country, thousands are driven from their homes by coughs and lung diseases. Friends and business are left behind for other climates, but this is costly and not always sure. The better way—the way of multitudes—is to use Dr. King's New Discovery and cure yourself at home. Stay right there, with your friends, and take this safe medicine. Throat and lung troubles find quick relief and health returns. It's help in coughs, colds, grip, croup, whooping cough and sore lungs makes it a positive blessing. 50c and $1.00. Trial bottle free. Guaranteed by all druggists. B

I have just taken the agency for one of the best tailoring houses in the east. Should you wish to order a suit, you can rest assured it will be up to date in every respect. Cut in any manner you wish. In taking your measure this house utilizes all short measures, such as all first class tailors use. This makes me feel confident that I can suit the most fastidious taste. Remember we still retain the ability to make you a suit here should you wish. We make suits at home second to none on this coast.

ROSEBURG W. C. T. U. ELECTS OFFICERS AND PLANS PORTLAND TRIP.

Much interest was taken in the closing meeting for the year of the Woman's Christian Temperance Union in Roseburg Wednesday. A large list of subscriptions to the Young Crusader, the young people's paper, was sent in, and plans for helping and attending the great National convention to be held in Portland October 19-26 were discussed. The convention will be held in the White Temple. The Mallory Hotel will be used for headquarters, the Multnomah and Portland Hotels for entertainment. This will be paid for through the generosity of the Portland Commercial Club. It will be an opportunity of a life time to attend the annual meeting of the largest organization of women in the world. Special rates and entertainment will be provided for delegates and visitors.

The officers for the ensuing year elected at the meeting were: President, Mrs. S. E. Collier; Vice-President, Mrs. W. M. McGee; Cor. Sec., Mrs. Lillian Boyde; Rec. Sec., Mrs. A. J. Geddes; Treasurer, Mrs. Helen Riddle; secretaries for the Loyal Temperance Legion, Mrs. C. K. Root and Mrs. B. L. Eddy, and for the West Side, Mrs. Taylor and Mrs. McGee.

Arrangements were made for a window sale of home cooking on Saturday, Sept. 28. Committee in charge, Mrs. F. W. Hunt, Miss Mary Edgerton, Mrs. J. O. Metz and Mrs. J. W. Groves.

RELIEVES CATARRH IN 1 HOUR.

The quickest and easiest way to open up your mucous clogged head and free the throat from catarrhal secretions is to breathe Booth's HYOMEI.

Don't waste time with impossible methods; HYOMEI has ended the misery of catarrh for thousands of despairing sufferers; it will do the same for your if you will give it a fair trial.

Just breathe it; it kills catarrh germs and banishes catarrh. A HYOMEI out fit, which includes inhaler, costs $1.00. Separate bottles, if afterwards needed, 50c, at pharmacists everywhere. Money back from the Red Cross Pharmacy if dissatisfied.

LOCAL NEWS.

P. H. Harth, of Portland, is spending a few days in the city.

L. A. Ueland is expected home tonight or tomorrow from a business trip to Edgely, N. D.

Dr. Lowe's glasses do not need the guarantee that goes with them. There's a reason.

Mrs. Alby Schmidt and little son left Wednesday on their return to American Falls, Idaho, after a visit here with her father, J. W. Mote, and other relatives.

W. W. Wallace, the contractor, has gone to Eugene to superintend the street curb and gutter work for the Clark & Henery Construction Company in that city.

Wednesday was an unfortunate day for the Clark & Henery paving company. At their mixing plant in North Roseburg late in the afternoon a flange joint in the steam pipe was blown off, narrowly missing a nearby workman and causing suspension of that part of their operations for the rest of the week. At Medford their car plant broke down, necessitating the abandonment of a big batch of paving work until next spring.

Medford Sun: At the quarterly conference of the Methodist Episcopal Church Monday the congregation unanimously extended a call to Rev. E. Olin Eldridge for another year. The reports of the various committees and department were most encouraging to the church members and each department was given a vote of praise. The church budget has grown to the respectable sum of $6,000, an announcement that caused considerable rejoicing. The church membership, attendance and finances have all grown during the past year.

Dr. Lowe, the well known optometrist is now at Hotel McClalein to remain till noon Saturday. This is his 96th visit to Roseburg in the past 20 years.

Ashland has appropriated $3000 more to meet a contingency arising in connection with construction of the proposed new armory there. The lowest bid was over $29,000, contemplating a building without stage features and other improvements. Being at present without an opera house, citizens were prompt in deciding not to forego advantages afforded by the combination. This action is taken on the assumption that the state will increase its appropriation by a like amount. The original appropriation was $30,000, $15,000 to be assumed by the state and $7500 each by county and city.

"Pride of Douglas," a Roseburg product, and "Queen City," a hard wheat article, made at Vancouver, Wash., are the two best varieties of flour on the market. Why use any other kind that costs more?
