EVENING ROSEBURG REVIEW

MARCH 3, 1913.

HARRY JONES SUFFERED LOSS OF HIS ONLY HOME.

Handicapped By Distance and Poor Equipment, Fire Department Was Late.

Fire! Fire! One mile away from the city hall a fire had burst out in Mr. Jones' kitchen. The fire whistle blows. The members of the volunteer fire department rush to the fire hall and pull out the chemical and hose carts. If good luck be with them, a large number of boys arrive at the hall within five minutes after the fire whistle sounds. Then they are off on a run to the fire, pulling those heavy, bunglesome and antiquated carts. It is a fine day and everybody feels just like running. Fine! In twenty minutes from the time of the alarm they are at the scene of the fire. But look! When the whistle blew, only the kitchen of the house was in flames; but when the boys arrive it seems past saving. Flames are shooting up from all sides. The water is turned on and five streams of water are played on the burning house. In an hour or more the fire is completely out. And what is left. A blackened, burned and unsightly shell, good for nothing, but an eyesore to all who pass. And poor Mr. Jones. How we sympathize with him. His home, his keepsakes, for which he would not have taken a fortune, valuable papers and all his furniture—everything gone up in smoke.

But It Should Have Been Different.

Fire! Fire! One mile away from the city hall a fire has broken out in Mr. Jones' kitchen. The fire whistle blows. And hardly before it has finished blowing the automobile fire truck dashes out of the doors and in three minutes is at the scene of the fire. "Fine, boys," shouts the chief, "she hasn't broken out of the kitchen yet, and all we need is a little of that chemical." And in less than ten minutes the fire is entirely out. No water; nothing ruined. And Mr. Jones' keepsakes, his furniture and his home all are saved.

Stop and think! Perhaps your home will be next. Do you want the old hand carts to get there after the house is past saving, and leave you an ugly burned-out shell to clear away? Or would you rather have an automobile fire truck get there before the fire was out of the room in which it started, and save your home, your keepsakes, your valuables? Think, think, citizens, is it not worth more than the cost to feel well protected?

If you do, vote 302 X Yes for a bond issue to purchase an auto fire truck. The election will be held on Monday, March 31.

Roseburg Fire Department.

"FAGGED-OUT" WOMEN

Will Find a Helpful Suggestion in This Letter.

Overworked, run-down "fagged-out" women who feel as though they could hardly drag about, should profit by Miss Richter's experience. She says: "Last winter I was completely run down and felt fagged out all the time, was nervous and had indigestion.

"One of my friends advised me to take Vinol and it has done me great good. The tired, worn-out feeling is all gone, and I am strong, vigorous and well. The stomach trouble soon disappeared and now I eat heartily and have perfect digestion. I wish every tired, weak, nervous woman could have Vinol, for I never spent any money in my life that did me so much good as that I spent for Vinol." Marie Richter, Detroit, Mich.

Thousands of women and men who were formerly weak and sickly owe their present rugged health to the wonderful strength-creating effects of Vinol. We guarantee Vinol to build you up and make you strong. If it does not we give back your money.

FARM WANTED.—I wonder if there is not some one who owns a good stock and grain farm along the Umpqua, within a few miles of Roseburg preferred, of say 100 or more acres of good bottom corn and grain land, and 300 or 400 acres of pasture and range hill land; the farm fairly well equipped with stock, implements, etc., that they would like to lease a few years to a real thorough farmer and stock man. Maybe some oldish person, who has worked long enough, or maybe some younger person who has not made a satisfactory success at the business. Such a one might get more clean cash out of it by leasing than they are now getting, besides having all the worry and work to do themselves. Think this over and drop me a line and tell me what you have. I mean business. Address Box 63, Woodville, Oregon. dm5-200
