SUTHERLIN NEWS.

A. E. Shiria has just purchased a Carter automobile and hereafter he expects to go some.

Mr. and Mrs. Chas. G. Glen arrived home Wednesday from Portland, where they have passed a week on their honeymoon. In company with Mr. and Mrs. S. L. Wood they will depart next week on an automobile trip to Cincinnati, New York and Boston.

D. F. Richardson, of Northfield, Minn., recently secured an option on the beautiful home and orchard tract of S. L. Wood, east of town, through the St. John Land Co. Mr. Wood's residence was completed last summer at a cost of approximately \$15,000.

At the annual school election in District No. 130, Sutherlin, on Tuesday of this week, August Vogelphol was elected director for one year and M. A. Ralston director for three years. The 10-mill maintenance tax for next year's school expenses, and the bonds for the purpose of paying present indebtedness both carried by good majorities.

H. E. Williams of Minnesota, has just purchased through the St. John Land Co. 25 acres of land from B. E. Harris, located three miles northwest of town.

Sutherlin is attracting an unusual number of tourists this season who are looking over the coast country with a view of making an investment or selecting a home site. Two visitors of this class were here this week, and one selected a ten acre fruit tract from The J. F. Luse Company, while the other arranged for a building site.

The thousands of acres of young orchards in Sutherlin Valley never looked better than during the present season. They are making a splendid growth, and being carefully cultivated and several of the tracts will produce quite a good many apples this season. J. F. Luse, who is giving personal attention to the orchard tracts this season, is highly gratified with the progress which the trees are making. —The Star.
