JUST A FEW PENNANTS LEFT

This will be the last opportunity to get the complete collection of patriotic pennants shown in this advertisement. Every pennant is a beauty, 36 inches long and 15 inches wide at the base, with the name of some famous school or state printed on a colored background. Here is an opportunity to decorate your room or den at small cost. (One lady used pennants to make portiers, and another to make a couch cover). Cut out the coupon today and mail it to the Review Publishing Company, Roseburg, Oregon. All you have to do is to clip the pennant cupon which appears in today's paper, and write the names of the pannants you want and bring it to this office with 15c for each pennant, or 20c for each pennant if we are to send them by mail.
