The harvesting of the season is now on in full blast. The hot weather of the past week has rapidly ripened the grain. Reports from various sections of the county indicate the crops will be excellent. Hundreds of acres of grain have already been cut and shocked, and hay balers have been busy for several weeks putting up an unusually heavy crop. One thresherman said today that there was no scarcity of help and that farmers will not experience any difficulty in getting hands.

ENDORSED AT HOME.

Such Proof as This Should Convince Any Roseburg Citizen.

The public endorsement of a local citizen is the best proof that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow-citizens, addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Roseburg adds more to the many cases of Home Endorsement which are being published about Doan's Kidney Pills. Read it:

G. H. Poole, prop. blacksmith shop, 218 N. Rose street, Roseburg, Ore., says: "I have used Doan's Kidney Pills on several occasions when my back and kidneys have bothered me and I have always found them a good remedy. I recommend them to anyone suffering from kidney complaint."
