

RENDERS OPINION.

In an opinion presented to the city council last night, the reading of which was omitted, City Attorney Albert Abraham held that the recent dance held at the Parish house of St. George's Church, was subject to the provisions of the ordinance making it necessary to first secure a permit from the city recorder. The city attorney based his opinion on the state of facts as given to him by members of the council. The city attorney made no attempt in his opinion to deal with the controversy as to whether Marshal Williams had a legal right to enter the Parish house and stop the dance, as contended by Rev. Baker and members of his congregation. The opinion of the city attorney was merely rendered with a view of establishing the legality of the ordinance and its effect upon dances such as alleged to have been held in the Parish house.

Salem Statesman: State Game Warden Evans has just returned from a trip made to Douglas County, where he went to investigate alleged slaughtering of deer for market. Mr. Evans was gone nine days and he says he rode 200 miles through the eastern part of that county, where there is little but virgin wilderness. He reports that he obtained no direct evidence, but that he is convinced deer are being slaughtered for the market there.

Two men who arrived here this afternoon from Myrtle Creek reported meeting a young man about 18 years of age at Roberts Creek at 9 o'clock this morning. The fellow was proceeding south and was leading a bicycle. The officers believe he is the person who stole a bicycle from in front of the Model bakery this morning. The officers at Myrtle Creek and Riddle have been notified to watch for the young man and it is more than likely that he will be arrested and held by them pending an investigation.

A decree was rendered by Judge Hamilton in the Circuit Court this morning in the case of the Douglas National Bank vs. Hannah Josephson, Sam, Julien, Walter, Addie, Vera, Eleanor and Ross Josephson and R. L. Sablin, trustee in bankruptcy for Hannah, Sam and Julien Josephson. It is ordered that the plaintiff recover the sums of \$1096.17, \$2111.10 and \$1583.33, amounts due on promissory notes, together with interest and attorneys' fees on each and \$300 for taxes paid by the plaintiff on property securing the notes. The property is ordered sold by foreclosure.

The Christians dropped another Twilight league game last night, when by a most generous contribution of errors, they allowed the Baptists to score a total of 14 runs. While the Baptists did not play errorless ball, the most the Christians could secure with Bell in the box for the Baptists, was a single tally. The Baptists got three home runs, but the long hit of Singleton was the only one clearing the fence. Taylor, who started pitching for the Christians, retired early in favor of Myers. Wednesday night the next game will be played between the Christians and the Methodists.

An automobile hearse, the very latest in this type of vehicle, according to W. B. Hammit, the local undertaker, will be brought here for service about the middle of August. This will be the only motor driven hearse south of Salem, and is another evidence of the usual progressiveness of this firm. Mr. Hammit secured the machine while he was in Portland on the Federal grand jury. It will have a regular Studebaker "35" chassis with a body made entirely of aluminum. The color and trimmings will be gray. While it is rather expensive, Mr. Hammit thinks he will be amply repaid by giving the city the very latest in his line.

man Clark moved that the land be surveyed by the city engineer before anything further be done. Mr. Neuman asked if the councilmen individually were in favor of the purchase, and they gave an answer in the affirmative.

Sidewalk Matters.

More remonstrances to the building of cement sidewalks, as required by notices sent out to the property owners from the city officials, were read and referred to the street committee. Mrs. J. L. Riggs protested on the grounds that she was not financially able but would comply as soon as possible. Her property is situated on Pitzer street.

M. F. Chamberlain, who has an animal show with which he travels during the summer, said that he would put in the walk, but wished to make other improvements about his home at the same time. He asked to be allowed to wait until his return home in the fall, when he could supervise the work.

J. M. Martin, owner of a lot on Court street, said that it was necessary to make a fill before the walk could be laid, and that he would like to be allowed time to secure dirt from some excavation. S. K. Sykes and several others owning property on North Main street between Douglas and Washington, said they had a good cement walk at present and on grade given by a former city engineer.

John Preschorn stated that he could not build a walk in front of his Fullerton street property now, but would do so as soon as he could. In the meantime he promised to put his present walk in good shape. Miss Lucinda Cochran, who has property on Stephens and Fullerton streets, said she would borrow money to build a walk.

The street committee also reported on the bids of Contractor Harry Hildeburn for the improvement of Court street, stating that after conferring with the property owners it was decided to take the contractor's higher bid for the work on account of the more durable material. The bid amounted to \$2523.49. The report was adopted.

build one walk but asked for time on the other. Mrs. Snow Williams, of Stephens street, asked to have her present walk remain, saying there were no other cement walks on the street, and all walks were in good condition. S. M. McConnell, Flint street, said his walks were in good condition and cement walks were not needed.

In reporting on the remonstrances previously filed, the street committee recommended that the following remonstrances be allowed: Mrs. Otis Tharp, H. N. Cobb, R. N. Wood, Mrs. F. W. Benson, W. W. Bonebrake, Dr. Jones, J. H. Booth, A. H. Cox, V. S. Patterson, Mrs. L. H. Patterson, and Mr. Allen. The Catholic Church was allowed its remonstrances against walks on Chadwick and Washington streets, which was referred to the light committee.

About 20 property owners presented a petition for an electric light at Short and Burke streets, which was referred to the light committee.
