

ROOSEVELT, PERKINS AND THE STEEL TRUST STRIPPED TO THE BONE

NEW YORK, Sept. 20.—Amon Pinchot, New York millionaire and philanthropist who, with his brother, Gifford, was one of the foremost leaders of the Progressive party, in a letter addressed to Judge Samuel Seabury, declares that Wilson and Seabury are the real exponents of progressivism whom he will support in National and state campaigns.

The colonel, Perkins and the steel trust are stripped to the bone by Mr. Pinchot's wrath. He recommends Judge Seabury, candidate for Governor of New York in the primaries Tuesday, and declares as unequivocally for President Wilson as he declares against Whitman and Hughes. In his letter to Judge Seabury, made public today, Mr. Pinchot, in part says:

"I confess that I was not particularly surprised to read Colonel Roosevelt's advice to the Progressives to vote against you and for Whitman. The fact is, the Colonel is merely running true to recent form. For quite a good while, it has been fairly clear to most of us that Roosevelt, Perkins and the Steel Trust (old guard group around them) have not been interested in the things which the Progressive party stood for. In fact, they have effectively thrown all liberalism and democracy overboard and are now playing pure, old-fashioned, standpat politics. They are, therefore, not in a position to support you.

"Colonel Roosevelt steered the Progressive ship as long as the sailing was good. "But unlike the boy who stood on the burning deck (whom all but he had fled) he took a quick jump and left behind his progressive principles and most of the real men of the party."

He will probably come to Roseburg soon, according to persons who purport to know, and may sign formal contract for constructing the proposed Roseburg & Eastern Railroad.

Attorney O. P. Cashlow, who had been to Oreg. for several days on legal business, returned last evening by stage. In addition to looking after business affairs, Mr. Cashlow also visited the lumber camps at Powers, and is thoroughly satisfied with the development that would ensue in the event a similar plant was established near Roseburg.

Recorder Whipple received a communication from the Bethlehem Steel Co. this morning asking that they be given inquiries concerning rates and bridge material which might be made by contractors on the Roseburg & Eastern Railroad. A number of large firms engaged in furnishing materials are anxious to secure parts of construction work and are corresponding with the local officials.

Get Rid of That Miserable Feeling. There are few diseases that make one feel more miserable than a disordered stomach. Mrs. A. Wingate, Gorham, N. Y., writes: "I began using Chamberlain's Tablets about five years ago. At that time I was having a great deal of trouble with my stomach. I suffered great distress due to indigestion and constipation. Nothing did me much good until I got Chamberlain's Tablets." Obtainable everywhere.
