THE ROAD PATROL PLAN.

Sooner or later some system of road patrol will be adopted in Oregon. It has repeatedly been suggested, but its adoption is a matter to be decided in the future.

Just as soon as a new railroad is completed the repair gangs get to work. They follow the first train. Yet we build highways and expect them to take care of themselves.

MILITIA OFFICERS QUIT.

That the Federalized militia is a failure as a first line of defense for the nation is conclusively proven by border experiences.

Between July 20 and October 25 there were 35 resignations of commissioned militia officers accepted, and several times this number tendered, although nothing like a real war has been encountered—only border protection duty.

The men in the ranks, with families to support, have valid excuses for wanting to quit, but the enlisted man cannot resign, while the commissioned officers can.

The militia officers, first to desert, demanded of Congress that the militia be given the honor of defending the Nation, and incidentally commensurate pay and increased allotments of supplies. They succeeded in being given a chance.

When the opportunity came the rank and file went to the front—many without proper equipment and in some cases without food. The militia officers had somehow made away with millions of dollars' worth of Federal supplies.

GOVERNMENT OWNERSHIP?

With customary burliness, the railroads in their resistance to progress have started the first of their 500 suits to restrain the operation of the Adamson eight-hour law, instead of waiting to give the law a trial and ascertain whether or not the law works adversely and then securing the necessary modifications.

The railroads objected as strenuously to all regulation. They fought the interstate commerce commission and the various state commissions. They fought the six-hour law, the automatic coupling law and the abolition of their political domination by corruption.

That Government ownership is a possible outcome of the railroads' attitude is recognized both by Congress and the President. A comprehensive investigation of the entire subject is under way by the special Congressional committee.

The conduct of the railroads, the inefficiency shown in management resulting in car shortage and poor service, their frenzied finance and swollen profits, their placing themselves above the law in their efforts to make the courts greater than the people, are rapidly making Government ownership a necessity.

HOUSING OF PRISONERS.

Whether the housing of prisoners comes within the meaning of "cruel and unusual punishment," or not, one fact stands out boldly above all the turmoil over the prison management, and that is that some method must be provided for maintaining discipline. The recent demonstration at the prison when a howling mob could hardly be made to listen to the board of control, shows that discipline is sadly wanting.

ELECTORAL VOTES.

The Oregonian makes a comparison of votes cast in Southern states and the vote in Oregon, seeking to show that on the face of returns the Southern states have a proportionately greater representation in the electoral college.

A CHILD HATES OIL, CALOMEL, PILLS FOR LIVER AND BOWELS

Give "California Syrup of Figs" If Cross, Sick, Feverish, Constipated.

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep their harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt. (Adv.)

OFF AGAIN TO SAN FRANCISCO

Furious Suit Selling

We doubt if any store in any city of the entire northwest, the size of Roseburg is selling as many men's suits as we are doing just now. It beats all records. Now, mind you, this heavy selling is not confined to the popular lot of suits we have on sale now at

\$8.75

but effects all goods, up to the highest grades we carry.

And Why Not?

Aren't we giving all kinds of inducements in the way of special low prices?

Where can one go to now, the way woollens have jumped lately, and duplicate such qualities at such prices? It cannot be done, that's all there is to it. Anyone who is posted knows that. If you want a genuine Kuppenheimer suit at less than market prices you will get it here, with a written guarantee if you desire it, that you cannot duplicate our prices in any Kuppenheimer agency store on the whole Pacific coast.

Is it any wonder so many are taking advantage of the present money-saving opportunity? Our best suits are selling as follows:

- Regular \$18 Suits, with 2 pairs of Trousers... \$13.75
\$20 to \$22.50 Kuppenheimer Suits... \$17.85
\$25 to \$27.50 Kuppenheimer Suits... \$20.50
\$30 Kuppenheimer Suits... \$25.00

Harth's Third Trip

Within a Month

The first two trips of Mr. Harth's were mainly for the purpose of securing additional ammunition and much wanted goods for that whirlwind sale of his. Since then the volume of business done here has exceeded all calculations, and he went again last night but on an additional mission, namely: Securing a big lot of men's wear suitable for the Holiday trade, and we promise you right in advance that it will be the biggest showing Roseburg has ever seen on such an occasion.

There are a few things Harth has up his sleeve which will amaze this community. But we are not going to be too premature and tell them to you too soon. You'll appreciate the news when we are ready to spring the surprise. In the meantime Mr. Harth has left instructions to close out all the broken assortments of everything in the house, and not to stand on ceremonies with the price.

WILL IT BE DONE?

Well, just come in during the week and see for yourself.

Going Ahead. Always Busy.

DRAIN NEWS.

The S. P. Company has had the spur track at the old cement shed repaired and are loading the cement that has been stored here since 1907, when work began on the then projected Drain-Coos Bay railroad, and will ship it elsewhere. When empty, the old shed will be razed.

Mr. and Mrs. William Ulen, the former a railway mail clerk on the S. P. lines, after a couple of weeks' visit with Mrs. Ulen's parents, Mr. and Mrs. C. E. Harsard, left for their home in Portland Saturday morning.

Mrs. J. I. Chapman, of Wilbur, visited here a week ago with former schoolmates, Mrs. Anna Drain and Mrs. Ira Wimberly.

Miss Marjorie Whipple and Miss Ada Millikin, teachers of the two upper Smith River schools, visited Drain friends over Sunday.

Mr. and Mrs. Z. N. Whipple, the former of whom is postmaster at Anlauf, visited Drain relatives over Sunday.

Recent arrivals in Drain who may become permanent residents, are W. H. Cuff and family, from Ontario, Ore., and E. Spitznogle and family, from some point in Washington.

Ben Marks and his sister, Mrs. Eliza Jensen, of Wallawa County, this state, arrived here Friday for a visit with their sister, Mrs. Mary Frier and family in Eureka Valley, five miles west of town. These people are cousins of the late Mrs. E. Wimberly, of Roseburg.

A regularly called road district meeting was held here yesterday at which a 5.2 (five and two-tenths) mill tax was voted for improvement of roads in the district the coming year. It was voted to expend \$500 of the general fund on the piece of road from Franck Lillard's place to Leona. A committee of seven was also chosen to solicit an appropriation from the county court to improve what is known as Crooked Hill, seven miles west of town on the Elkton road. A. E. Stocker was the unanimous choice of the meeting for supervisor. X. X.

STOMACH ACTS FINE!

NO INDIGESTION, GAS, HEARTBURN OR ACIDITY

"Pape's Diapepsin" Fixes Sick, Sour, Upset Stomachs in Five Minutes.

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; its harmlessness; its certain unailing action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them, if what they eat lays like lead, ferments and sours and forms gas, causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it. (Adv.)

Marshfield Record: A. E. Adelsperger will leave in the morning for Washington County, where his company has a large job of crusting to do. Mr. Adelsperger will be absent for some time.

Of course turkeys may be mailed parcel post, but the party who does the mailing must securely wrap said Thanksgiving offering and no part may be exposed. Heavy wrapping paper and plenty of strong twine are necessary as said turkey will have to be mated up with a lot of others in the mail sacks. The rate for the first zone—50 miles and second zone, 150 miles, is the same. It is five cents for the first pound and one cent for every additional one. The easiest way to figure is just weigh the turkey and add four cents. Thus it will cost 24 cents to send a 20-pound bird to any distance within 150 miles of Roseburg.
