DEMENTED MAN TAKEN TO ROSEBURG ATTERNEY Last Saturday Constable Mabey took a man from Reedsport to Roseburg for examination as to his sanity. The man, whose name we did not learn, has been around Reedsport for some time. He worked last summer for the bridge builders in the cookhouse, and was said to be a good worker. Since then he has not done anything, lying out in the woods, sleeping in hollow logs, and living upon what fish he could procure. He apparently did not realize what he was doing or the condition which he was in. In pity for him the citizens of Reedsport reported his condition to the authorities at Roseburg, who ordered him taken to this city.—Gardiner Courier.

25 CENTS DESTROYS YOUR DANDRUFF AND STOPS FALLING HAIR

Save Your Hair! Make It Thick, Wavy and Beautiful—Try This! Thin, brittle, colorless and scraggy hair is sure evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair-roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair. Get a 25-cent bottle of Knorr's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.
