TEACHERS ENJOY LOCAL INSTITUTE

PROF. FRED MERRITT, OF U. OF O., WAS ONE OF THE PRINCIAL SPEAKERS AT FIRST ANNUAL TEACHERS' INSTITUTE HELD AT SUTHERLIN SATURDAY.

PROF. HALL AMONG SPEAKERS

The Visiting Teachers Were Entertained at Dinner By the Domestic Science Class of the Sutherlin Schools.

The second local teachers' institute met at Sutherlin March 24, with 87 teachers and nearly a half hundred visitors present.

Supt. Brown dropped the gavel at 9:15 sharp, and while waiting for the teachers to come from the north on the morning train, introduced Ransom Smith, an eighth grade student of the Sutherlin schools, who entertained the teachers with a talk on Nature, exhibiting a splendid display of insects, birds' eggs and stuffed birds. A short impromptu program followed, consisting of readings by Mrs. Cole, of Wilbur, and Miss Alice Ueland, of Roseburg.

The regular morning program began with a selection by the Sutherlin orchestra. Miss Murphy, of the Palmer Co., gave a lecture and demonstration of the Palmer method as applied to all grades. Miss Nellie Storey, of Sutherlin, then favored with a vocal solo, followed by an unusual number treating on Dramatization, by Mrs. Bea Hartley, of Sutherlin, who presented the work as actual class-room work with a bevy of her primary pupils.

At the noon gong, Prof. Shantin, of the Sutherlin High School, invited the teachers to the Domestic Science Department, where they were served with a bounteous luncheon prepared by the Sutherlin High School domestic science girls.

The afternoon session opened with a vocal solo by Rev. A. A. Britain, which was heartily encored. Prof. R. G. Hall, of Roseburg, was then introduced and spoke on Sutherlin's play shed, reminding the teachers that it was the only one in the county. He then asked permission to "pass the hat" so that every teacher who wished might be a stockholder in this play shed, being equipped by the Parent-Teacher Association of Sutherlin. A liberal collection was the response of appreciation for the zeal of a people who truly care for their children.

The lecture of the afternoon was by Prof. Fred Merritt, of the U. of O., who gave a splendid address on The Teacher and the Community. Two young ladies of Sutherlin gave a piano duet. Primary work was then discussed, led by Mrs. Hartley, of the Sutherlin schools. Miss Parrott, Miss Aitkin, Mrs. Brown and Miss Stewart, of the Roseburg schools, gave many valuable suggestions on primary work.

Supt. O. C. Brown closed the session with an instructive talk on recent school legislation and cleared up any point that might be misunderstood. He also voiced the sentiment of every teacher in expressing words of praise for the up-to-date and well equipped school buildings and grounds and the cordial treatment accorded the visitors. The registration follows: Prof. Shantin, Nellie Storey, Mildred Waite, Mrs. Bea Hartley, Genevieve Shaver, Ada Orleman, Marguerite Freydig, Elnor Shark, Esther Medley, Sutherlin; Alfred Powers, Floyd Watson, Anthony Jauregny, Neta E. Waller, Miriam Underwood, Pari Patrick, Myrtle Gross, Hazel Ralston, Harriet E. Morshan, Florence Buell, Oakland; Supt. O. C. Brown, F. B. Hamlin, H. O. Bennett, R. G. Hall, R. E. Morris, R. V. ROSEBURG MAYOR ASKS PEOPLE TO ASSIST IN RECRUITING FOR NAVY

Mayor Napoleon Rice Monday afternoon issued the following proclamation, in which he asks the people of Roseburg and vicinity to co-operate with the Government and assist in securing volunteers for the navy:

Whereas, a grave National emergency exists and the President has called for eighteen thousand three hundred men for the Navy, and

Whereas, the Government has asked for the co-operation of all public officials in securing volunteers and requested me to issue a proclamation calling for volunteers for the Navy,

Now therefore, I, N. Rice, Mayor of the city of Roseburg do hereby proclaim it the duty of all patriotic citizens to co-operate with and assist the officers of the Navy in procuring volunteers for service, and request that all ablebodied men between the ages of sixteen and thirty years who desire, to enlist will present themselves for examination to the representative of the Navy upon his arrival in Roseburg. Notice of the date will be given later.

Dated at Roseburg, Oregon, this 26th day of March, 1917.

N. RICE, Mayor.

LOCAL ATTORNEY WOULD MAKE LIBRARY OF BENEFIT TO THE FARMERS

Believing that the farmers in the surrounding districts and those assembled here for Grange meetings and similar gatherings are among those most likely to benefit from a local public library, Attorney O. P. Coshow Monday morning ordered a number of periodicals and books put out by the Department of the Interior and they will probably arrive in the next few weeks.

Attorney Coshow, who is one of the foremost promoters of the library, this morning received several periodicals, among which was the Reclamation Record, sent through the courtesy of Will R. King, former Justice of the State Supreme Court, and at present chief counsel for the Reclamation Service. Mr. King is a personal friend of the local attorney, and the remembrance is much appreciated. The pamphlet is an excellent review of the extensive research and investigation work now being undertaken by the Government. The magazine, Attorney Coshow believes, may be obtained regularly in case a library is started. The other material to be secured consists of some of the best facts, statistics and reports of interest to farmers that can be obtained. A library would be an excellent place for the farmers from county points to secure a great deal of valuable information.

SMALL FIRE AT HOTEL

While the local fire department stood by, after responding to a silent alarm at 1 o'clock Sunday afternoon, fire started at the stovepipe opening of a chimney at the Roseburg Hotel on Sheridan street, and for some minutes required attention. A chemical extinguisher was taken to the second floor, which quickly extinguished the emerging flames. There was slight damage. It is believed the blaze started as the result of a hot stove in the room of the housekeeper on the floor below, which caused the flue to burn out. An amusing incident occurred at the fire when the firemen lost their poke pole down the flue while cleaning it out. It was later rescued unharmed except for a slight scorching.

Children's Coughs and Colds.

For many years Chamberlain's Cough Remedy has been a favorite with mothers for their children. That it has well merited the esteem in which it is held is shown by the following extract from a letter to the manufacturers by Mrs. T. H. Still, Charleston, Ill. "Last winter our little boy two years of age had a severe cold that settled on his lungs and we were greatly worried over his condition. He had a very persistent cough that hung onto him despite all the treatment we gave him until I got him a bottle of Chamberlain's Cough Remedy. This preparation relieved him almost immediately and two bottles of it cured him."

GOOD ROADS RALLY HERE WEDNESDAY

SIMON BENSON, OF PORTLAND, AND E. J. ADAMS, OF EUGENE, WILL PROBABLY DELIVER THE CHIEF ADDRESSES OF THE DAY.

WILL DISCUSS BOND ISSUE

It Is Believed Here That the Road Bond Issue Will Be Approved By the Voters of Douglas County.

With the promise of a big attendance, the good roads rally to be held in Roseburg tomorrow will undoubtedly be one of the feature events of its kind ever held in Oregon. The rally will occur at the courthouse, and will begin promptly at 2 o'clock in the afternoon.

County Judge Marsters stated this morning that he yesterday received letters from Simon Benson, of Portland, and E. J. Adams, of Eugene, to the effect that they would reach oRseburg early Wednesday morning and would participate in the program. Both men are members of the State Highway Commission and are deeply interested in the road improvement program now under consideration in this state. Besides these men, brief addresses will probably be delivered by a number of local citizens of prominence.

Although it has not been possible to arrange a definite program, it is known that the chief addresses of the afternoon will be delivered by Mr. Benson and Mr. Adams. While not making promises, it is believed here that the commissioners will outline their plans regarding the expenditure of the $6,000,000 road bond issue, which is to be submitted to the voters at a special election to be held on June 4.

Letters received here this morning indicate that people will be present at the meeting from Eugene, Marshfield, Grants Pass, Medford, and many other Southern Oregon towns. The people of Douglas County are vitally interested in the good roads program and it is believed practically every road district in this section of the state will be represented at the rally.

Most of the stores in Roseburg will be closed for two hours during the afternoon, as will the offices at the courthouse. Because of the importance of the meeting to the people of this section of the state it is planned to make the rally one of the notable events in the history of the city.

SCHOOLMASTERS HOLD JOINT CONVENTION WITH MISTRESSES ON SATURDAY

School masters and school mistresses of Douglas County will join forces in this city next Saturday when the two popular clubs, representing the educational advantages of each sex, will hold their regular meetings at the local M. E. church. Rivalries will be forgotten and at noon the mistresses will furnish the refreshments for their masculine co-operators.

According to the program as arranged today, the school mistresses will hold their sessions at the church building in the morning, while the school masters will meet in the afternoon. State Supt. J. A. Churchill and Prof. George Schantin, of Sutherlin, are the principal speakers for the latter organization, while music will consist of an instrumental number by Miss Gladys Kline and a vocal duet by Misses Eva Rice and Stella Krohn. Supt. Churchill will deliver his address upon the recent state legislation, and Prof. Schantin will speak upon the experiment of play sheds instituted at the Sutherlin schools in the past few weeks. Mr. Schantin has made a study of play among pupils and his talk concerning the apparatus used in the experiment will be most interesting. The program for the school mistresses has been announced previously. Both organizations have made considerable progress in the past year and number among their members practically all the prominent educators in the county.

TICKETS ARE SELLING.

C. A. Hedline stated this morning that there was a great demand for tickets for the recital to be held here Friday night under the direction of the Roseburg Music Club. Rudolph Gunz, one of the foremost pianists in the world, will be the attraction. The prices are very ordinary, and it is predicted that the Antler's Theater will be crowded to its capacity on this occasion.

WEATHER FEATURE.

Beginning with this issue, The Review introduces a permanent feature which will probably be much appreciated by the farmers, fruitgrowers and other persons who are in the habit of following the daily weather reports and forecasts of the local weather bureau. Besides giving the forecast of the weather for the succeeding 24 hours, a brief synopsis will be published telling of the day's weather conditions up to as late as 5:30 o'clock in the afternoon. If the weather conditions are out of the ordinary brief comment will be made by the editor. To make this feature a permanent success, William Bell, local weather observer, has promised to co-operate with the Review and furnish any and all information that is desired.

OLD LINE MISSED.

Roseburg - Marshfield Telegraph Line Passes.

As I sit alone by the fireside,
On this dark and dismal day,
My thoughts are on the "clicker"
Whose life has passed away.
Your discovery was made by Samuel Morse,
And over the world you roam,
I was but a mere girl
When first you entered my home.

I learned at that time to love you,
And hours with you I would spend,
Studying, reading and thinking,
Making ready the message to send.
But now my youth has vanished,
My hair is turning gray,
My children, too, are leaving,
That's why I wished you could stay.

Oh, why did they take you from me?
Old "clicker" I loved you so;
But modern times has changed thee,
And I must let you go.
No! I ne'er can forget you,
In my ears your voice will ring
When I think of the joy, or sorrow,
The "click" of the sounder would bring.

You stood by my side in sickness
And proved so faithful and true,
While I sat by your side and listened
To messages from doctors not few.
We are glad our country's advancing
And coming to the front so fast,
With railroads new, and steamboats, too,
We'll never want as we did in the past.

But we miss you from our fireside,
It's silent in this room
With no ticking sound to tell us
Luncheon should be at noon.
One time there came a death message
Of a loved one lying still,
To a boy who lived in Marshfield,
The message to be transferred o'er the hill.

And "Jimmy" alone with his lantern
Tramped all night in the snow
To deliver this death message
That he to his mother could go.
Things could of been much worse than this,
But my heart within me yearns
When I said farewell to the "clicker,"
That's gone ne'er to return.

HOTEL KEEPERS TO VISIT HERE SOON

MEMBERS OF OREGON STATE HOTEL ASSOCIATION WILL PASS JULY 20 IN ROSEBURG WHILE ENROUTE TO MEDFORD TO HOLD CONVENTION.

LETTER WAS RECEIVED HERE

W. J. Weaver Receives Word From Portland to the Effect That the Hotel Proprietors Cannot Visit Here in May.

Because of the desire on the part of many members of the Oregon State Hotel Association to visit Crater Lake during the coming summer, it will not be possible for the members of that association to pass a day in Roseburg during the Strawberry Carnival, according to a letter received Monday morning by W. J. Weaver, proprietor of the Umpqua Hotel. F. W. Beach, secretary of the association, stated in his letter, however, that the members of the organization would probably arrange to spend July 21 in Roseburg. They will leave here that night for Medford, where the business sessions of the association will be held on the following two days.

The letter received by Mr. Weaver is self-explanatory and follows:

Mr. W. J. Weaver, Prop. Hotel Umpqua, Roseburg, Oregon.

Dear Mr. Weaver:

At an executive committee meeting held at the Oregon Hotel, Tuesday, a tentative plan was worked out for the semi-annual convention of the association. The plan is published in this week's N. W. Hotel News.

Our original plan, you will remember, was to meet at the time of your Strawberry Carnival. Owing, however, to the desire of many to see Crater Lake, it was an easy excuse to switch the dates from May to July, which was done. The dates would be July 20, 21 and 22 and 23. This would give the whole day of the 21st at Roseburg, where the first business session will be held. J. A. Westerlund, of Medford, was at the meeting and called the attention of the members to the fact that it was not too early to make definite plans.

Be free to make any suggestions you think best and we will co-operate to make the convention a success.

Yours very truly,
F. W. BEACH,
Secretary.

Best Medicine for Constipation.

Mrs. Charles Crim, Charleston, Ill., states that Chamberlain's Tablets are the best medicine for constipation that she has ever used. There are hundreds of others who are of the same opinion. These tablets are easy to take and most agreeable in effect. c

BARTRUM PLAYED JOKE ON FRIENDS

CHAMPAGNE GLASSES AND EMPTY BOTTLES DETECTED BY HOUSE DETECTIVE DURING ANNUAL BANQUET OF THE FOREST SUPERVISORS.

BARTRUM BLAMED FOR PRANK

Mr. Bartrum and Carl D. Shoemaker Were the Principal Speakers at Saturday's Session of the Association.

According to an article appearing in Sunday's Oregonian, the final session of the annual convention of the forest supervisors of Oregon, Washington and Alaska, held at the Multnomah Hotel, in Portland, Saturday night, was given over to stunts and other amusing features. Speaking of the session, the Oregonian said:

The climax was reached when the waiter, bearing a carefully covered basket that betrayed its contents, entered the hall with another following close behind with champagne glasses. But the plan went amiss,

The feature of Chesterfields is that they *begin* where other cigarettes *leave off.*

In other words, besides pleasing the taste, Chesterfields go further—they *satisfy!* Just like a long drink of cold water satisfies when you're thirsty.

And yet, Chesterfields are *MILD!*

It's Chesterfields or nothing if you want this new cigarette delight, because no cigarette maker can copy the *Chesterfield blend*—an entirely *new* combination of tobaccos and the biggest discovery in cigarette blending in 20 years.
