Armory Straguel.

Corporal Bowers has poison oak on his face. He had it painted with iodine and it reminds us of an Irish comedienne in vaudeville.

Private Jafer has fully recovered and is just as full of "ben" as ever.

Private Bourdieu took a M. yesterday at the early hour of 2 A. M. yesterday morning and entertained them with classical dancing.

Private Houdrick has an excellent imagination. At night stumps look like elephants to him.

Lavine, don't think much of the Roseburg climate or army shoes. He says that every time it gets cloudy here his feet are wet.

Privates Tarren, Demacon and Heindenstrom were on the hospital list for a day after the big battle to see who would get to use the washboard donated by the Honor Guard. Sergeant Thomas won the fight.

Happy Surprise Party.

Miss Esther Miller was very pleasantly surprised at her home in North Roseburg last evening by a jolly group of school friends. The evening was made merry with games and song diversion, after which choice refreshments were served.

Infamous Dinner Charming.

Colonel E. W. Page was the guest of honor Monday evening at a six o'clock dinner for which Mrs. D. B. Bunnell was hostess. Colonel Page is planning to leave before long for an extended visit with friends in North Dakota, and will be honored with several social courtesies. Those seated at the delicately appointed table were: Miss Margaret Page, Colonel E. W. Page, Miss Jessie Bunnell and Mr. and Mrs. D. B. Bunnell.

Sewed and Chatted.

A merry flow of social conversation and the wedding of needles and threads on dainty bits of needlework marked the afternoon for which Mrs. E. J. Palm was hostess at her home in North Roseburg Wednesday, when she entertained for the members of the Roseburg Art Embroidery Club. Radiant wild flowers lent a dainty floral touch to the rooms and at the close of the afternoon, delightful refreshments were served by the hostess assisted by Mrs. D. D. Newhard, Mrs. Ingraham, Mrs. D. C. Humphrey, Mrs. W. A. Cottrell, Mrs. Patrick, Mrs. H. Worthington, Mrs. O. L. Johnson, Mrs. E. M. Bowers, Mrs. Eugene Richardson, Mrs. M. L. Daniels, Mrs. Della Lewis, Mrs. Swincer, Mrs. H. P. Snyder, Mrs. C. T. Lewis, Mrs. Lloyd Adams and Mrs. Bagley, of South Deer Creek, who was present as a visitor.

Dunlap spoke of the work being done for the Philippines, and in other parts of the world field. The closing item was a lecture by Mrs. J. W. Aldrich, field secretary of the Board of Home Missions, illustrating her lectures by stereopticon views of Alaska. The thanks of the pastor and members of the Presbyterian Church are due to Rev. Coon and members of the M. E. Church, South, for the use of their church, and to the members of the I. O. O. F. lodge for the use of their rooms. Thanks is also extended to the ladies and gentlemen who gave the musical selections and to Miss Marie Martens and Miss Ashcraft for their work in training the young folk by the playlet, which was so well carried out.

MOTHER! GIVE CHILD "SYRUP OF FIGS" IF TOUGUE IS COATED

If Croup, Feverish, Sick, Bilious, Clean Little Liver and Bowels.

Children love this "fruit laxative" and nothing else cleanses the tender stomach, liver and bowels so effectively. A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste. Liver gets sluggish, stomach sour, then your little one becomes cross, half-wick, feverish, does not eat, sleep or act naturally. Breath is bad, stomach-ache or diarrhoea. Listen, Mother! See if diarrhoea is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste passes out of the system, and you have a well, playful child again. Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels. Ask your druggist for a 30-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here! Get the genuine, made by "California Fig Syrup Company," Refugio, any other kind with contempt. (Caldwell)

CHICHESTER'S PILLS

More Broccoli Shipped.

Three more carloads of broccoli left the local warehouse of the Umpqua Valley Fruit Union last night for the Eastern markets. The cars contained approximately 1500 crates of the product and are expected to reach their destination within the next week. Two more cars are being loaded here today and will probably be in readiness for shipment east tomorrow.

Broccoli Men Meet.

Reports received from Riddle this afternoon indicate that the meeting of the South Umpqua Broccoli Association in progress there today is attended by farmers from many sections of southern Douglas County. The meeting was called primarily for the purpose of considering the broccoli crop, which is said to be somewhat shorter this season than usual. It is alleged that the shortage is due to the quality of seed purchased by the association and not to any fault of the farmers or the climatic conditions. Riddle people who spent yesterday in Roseburg said an effort might be made to collect damages from the persons who furnished the growers with seed for last year's planting.

Bonds Are Endorsed.

In the last issue of the Oregon Voter there appeared the following article written by Senator Cusick, of Albany, regarding the \$6,000,000 road bond issue which will be submitted to the voters of Oregon at a special election to be held on June 11: "I have been asked what the road bond bill should carry at the election in June. It can be illustrated thus—If you have property assessed at \$4000 it would cost you \$1 per year for 25 years. When you figure that you should also consider that you have already been paying this same tax for the last four years

and will continue to pay it, regardless of the fate of the bill. It is the same with the auto tax, which has been provided in another bill which will operate anyway. The bond bill takes the amount of these taxes for 25 years and discounts it, which provides for getting two-thirds of the amount now instead of getting it in small amounts for a period of 25 years."

Making Regular Examinations.

H. H. Gauthier, National bank examiner, and his assistant, yesterday made the regular semi-annual examination of the Douglas National Bank, and it is understood that the affairs of the bank were found in excellent condition. Today Mr. Gauthier is examining the bank of the Roseburg National Bank.

Administrator Appointed.

J. H. Hardin, a resident of Douglas County, was yesterday appointed administrator of the estate of Ama C. Hardin, who died here on March 20, 1916. Mr. Hardin left an estate of approximately \$3,500. J. E. Clark, E. F. Kelso and W. A. Porter were named as appraisers.

Receives New Auto Body.

H. E. Burchfield, superintendent of the light and water plant at Winchester, yesterday received a new automobile body from the East and the same will be put on a Ford chassis which he purchased some time ago. When the work is completed Mr. Burchfield will have one of the most attractive machines in Douglas County.

Cut This Out and Keep It.

Every mother of young children should cut this out and keep it, that she may know what to get when her children have whooping cough. "We first used Chamberlain's Cough Remedy in our home about three years ago when our daughter, May, had whooping cough, and it proved to be such an excellent medicine for this disease that I willingly recommend it. It never failed to relieve those whooping spells, loosen up the phlegm and give immediate relief." writes Mrs. Ethel Price, Mattoon, Ill.
