Left for Mountains—

S. B. Crouch, local hardware dealer, and a party of Portland men, comprising Dr. P. E. Hale, Chris Heintz and others, and Mr. Crouch's son, Kenneth, left this morning for a two week's outing at Quartz Mountain, about thirty miles above Wolf Creek ranger station. They expect to take the Little River trail and go by way of Lake in the Woods, thereby enjoying fishing as well as hunting.

Deer Season Opens Thursday—The annual deer hunting season will open on Thursday, August 15. It is expected that many hunters will be in the woods on that date. There has been considerable effort put forth by timber owners to have the season closed on account of the danger of forest fires, but without result. On the other hand it is feared that hunters are usually very careful about fires, and that closing the deer hunting season does not prevent people going into the woods.
