RICE HILL NOTES.

Isadore Rice was a business caller at Oakland Saturday.

Mrs. Robt. Thiel, of Seattle, has been visiting her sister, Mrs. Floyd Grey.

Mrs. Clarence Tostervin and little daughter returned home from Eugene one day last week.

Mr. and Mrs. H. L. Cook were business callers in Youcalla Saturday.

J. P. Thiel, an old resident and highly honored citizen of that vicinity, passed away at his home at Youcalla Sunday evening, after several months of lingering illness. The funeral was held at Youcalla on Tuesday.

W. T. C. Castor, of Tacoma, has been down here looking after business interests.

Mrs. Robert Anlauf returned to her home at Anlauf the latter part of the week.

Ervin Rice and family are spending a few days at their mountain ranch on Brush Creek.

There will be an old time basket supper at Isadora Friday evening, August 23, at 7:30. After the supper the young people will spend the evening in dancing. The event is in honor of our boys who are called to service. Everybody is invited to come and bring a basket. Tables will be prepared in the grove and all are looking forward to a general good time. If you can't bring supper, come and eat with us.

BUILDING A NEAT BUNGALOW.

(Port Umpqua Courier).

H. L. Taber has begun the erection of a neat six room bungalow on his property in the northeastern section of town. He expects to have it finished and ready to move into before the wet weather sets in, and when finished the building will be a credit to that part of town. Others should follow the example of Mr. Taber and erect neat and suitable buildings on their lots, thus proving they have confidence in the future of the place. There are too many shacks in the town which are an eyesore to every stranger visiting here.

Airplane Figures—

Inspector Chandlish, in order to settle arguments as to the amount of spruce required in building an airplane, wrote to the headquarters. The answer states that the amount actually used varies from 160 to 200 feet, but in order to get this amount in the shapes and sizes required, about 1000 feet has to be used.—Marshfield Times.

Only strictly fresh vegetables are served at the Grand Restaurant.

A Hot Weather Helper

As Well as one for WINTER

And that is an ELECTRIC Vacuum Washing Machine. The manufacturers guarantee it, and we guarantee it. The guarantee is that it must do satisfactory work. Think of this, a washing that would take you the better part of a forenoon to rub out done in an hour or two and without any great labor on your part. Five or ten minutes for tub full of clothes. Then run them through the electrically driven wringer, fill washer again and while it is washing the second lot you have swung the wringer over the rinsing tub, put them through, then over the bluing water, put them through, and are done with the first; the second lot being ready, repeat the operation, and there has been no straining or lifting. The cost of machine is still within reach of all, $95.00 on installments, with a discount for cash.
