ROSEBURG REVIEW

"My Country 'Tis of Thee, Sweet Land of Liberty."

IT'S AN OLD SAYING
That "no one lives so far from market as he who has nothing to sell." Raise more produce.

VOL. XXI. ROSEBURG, DOUGLAS COUNTY, OREGON, SATURDAY EVENING, SEPTEMBER 21, 1918. No. 173.

GERMANS DESTROYING MORE TOWNS

HEAVY GERMAN RAIDS ON AMERICAN LINES WERE REPORTED BACK OF GERMAN LINES ON AMERICAN FRONT.

ALLIED GAINS IN MACEDONIA

Advance of Ten Miles Reported and Ten More Villages Taken—Numerous German Graves Found in Flanders.

By Fred S. Ferguson.
AT THE MITZ FRONT, Sept. 21.—(Noon).—Two heavy German raids, almost large enough to be called attacks, were directed against the right wing of the American line this morning. Both were repulsed. At 6:40 this morning the Germans laid down a barrage along the Bois-Des-Rapides, on the west bank of the Meuse River, on a front of two miles. Their infantry started to advance, but the attack broke down under the American fire. Their next raid in practically the same region was also quickly stopped.

Eight large fires were observed today in the rear of the German lines near Boulogne-in-Le-Chauxes, four miles north of Thionville. The towns of Villy and Bois-Des-Rapides, behind the American lines, west of Pont-a-Mousson, were heavily shelled by the enemy.

Big Gains in Macedonia.
LONDON, Sept. 21.—The allied troops in their offensive in Macedonia yesterday advanced ten miles, occupying ten villages, according to the report of the Serbian war office. The report said: "Our infantry has passed the line of Krusovo, Stravogo, Dragovo and Polovica. Our cavalry is operating north of those places."

The British casualties on all fronts, as shown by the official list published during the week, totaled 2,472, divided as follows: Officers killed 187, wounded 1531, missing 152; men killed 2366, wounded 15,502, missing 1204.

A British monitor was sunk in a certain harbor on Monday as the result of an internal explosion. Twenty men were killed and 47 are missing. The voluntary recruiting period for Ireland has been extended to October 15, as Parliament does not convene until that date, thereby preventing the enforcement of conscription. So far only 10,000 men, of the estimated 20,000 available, have enlisted.

German Graves Numerous.
WITH THE BRITISH ARMIES IN FRANCE, Sept. 21.—The Australian have advanced north of St. Helens and are now within half a mile of the St. Quentin canal. The nearest point to the main defense of the Hindenburg line which have been reached anywhere between Havincourt and St. Quentin.

In the Lys cemetery, in Flanders, 1439 German graves were found in one locality. The earliest date among their markings was April 17, 1918, and the latest August 22, 1918. The graves were in the German army in the last four months on a small and comparatively quiet portion of the line.

Mr. and Mrs. J. D. Owen were in this city today from Myrtle Creek. They have been employed lately in the prune harvesting near Riddle.

These Hatfield, B. F. Hatfield, Roy Hatfield, John Cox, Mr. and Mrs. W. K. Karcher, Mr. and Mrs. D. W. Hunter, were among the Dear Creek people in town today.

H. Madison, the seven foot six inch giant who played "Uncle Sam" here a few weeks ago with "The Star's Heart," at the Antlers, accompanied by H. Burgess, returned from Marshfield after a successful tour there. They went to Myrtle Creek today.

Julius Silverstone, an attorney of Portland, arrived here this morning to look after business interests in connection with a foreclosure case. The case he is handling is Chamberman vs. Anderson, et al. Mr. Silverstone will return to Portland to-night.

Leroy Howard, who has been reporting on the Pacific News, will accept a position as day clerk at the Grand Hotel, beginning tomorrow. Mr. Howard is a very genial young man and quite popular, and will no doubt make an excellent man in charge of the business at this popular hostelry.

L. N. Fleishner, head of Fleishner, Meier & Co., Portland, and chairman of the State Fish and Game Commission, and State Game Warden Carl B. Shoemaker spent part of today in Roseburg. They are on an inspection tour of the state property, and left for Klamath Falls late this afternoon.

The funeral of the late W. D. Moore was held at the chapel of the Roseburg undertaking parlors this morning. The services being conducted by Rev. J. C. Spencer. Interment was in the Myrtle cemetery followed by Mrs. M. J. Moore, leaves for his home at Corvallis tomorrow. Another son, Clifford E. Moore, also leaves for his home at Spokane.

NEW TRAIN SCHEDULE AFFECTING TRAINS WILL GO INTO EFFECT SUNDAY

A new Southern Pacific train schedule will go into effect here beginning Sunday, September 22. The following trains will be affected by the change in time: Beginning Sunday morning, train No. 16, known as the Portland passenger, will leave here at 7 a. m., this train formerly left here at 7:25; will arrive in Portland at 3:50 p. m. and make connections with all Puget Sound points. Train No. 14, known as the Portland Express, will arrive here at 1:30 and leave at 1:39, arrive at Portland the same time as usual. Train No. 54, known as the Oregonian, will arrive here at 10:45 p. m., and leave at 11 p. m. Train No. 16 will arrive at the same time as usual, 12:45, and leave at 1:05, but will arrive at Portland 15 minutes earlier, at 3:35 a. m. The other trains, Nos. 12, 13, 17 and 23, will arrive and depart at the same old schedule time.

Passenger Station Bulletin.
For the general information of the public the passenger station has posted the following bulletin, which tells the time on duty of the agent or authorized representative: From 8:00 a. m. until 11:15 a. m., 12:45 p. m. until 6 p. m., days week days, 8:30 p. m. to 7:00 a. m. nights, during week days. Sundays and holidays, day time 8:00 a. m. to 10:00 a. m., 12:45 p. m. to 1:30 p. m., and 4:30 p. m. to 6:00 p. m. Nights, 9:30 p. m. to 7:00 a. m. This information will be of interest to people who wish to know about train schedules and anything pertaining to times of trains and connections.

WAR EXHIBITS TO BE HERE MONDAY

SPECIAL TRAIN OF WAR EXHIBITS WILL BE IN ROSEBURG FROM 6:30 P. M. TO 8:00 P. M. MONDAY EVENING—FREE TO ALL.

GERMAN IMPLEMENTS OF WAR

These War Trophies Were Captured on the Hindenburg Line and are shown in Country for the First Time.

The cars containing the German war booty secured on the Western front will reach Roseburg Monday evening and will be at the station two hours, from 6:30 to 8:30. This is unquestionably the greatest war exhibit which has ever come to this state. It consists of two box cars, one 50-foot automobile box car, and one sleeper. In the box cars are located the lighter trophies, such as helmets, steel breast plates, rifles, side arms, gas masks, uniforms, hand grenades, machine gun cartridges and rifle cartridges. On the two flat cars are loaded the heavy cannon and machine guns. The most interesting gun is the famous French 75 M. M. This is the gun which has done such wonderful work in this war. It is about the only piece in the whole train which is not German captured war booty.

There is one very large German field gun captured by the Americans. The steel protecting plates of this gun are perforated by American bullets until it looks like a sieve, and the gun shows that a bomb shell finally put it out of commission. There are also on these flat cars German machine gun ammunition wagons, German 170 M. M. howitzers and German "whizz bang" projectiles. German machine guns, sledge guns, trench howitzers and grenade throwers.

Accompanying the train is a squad of nine soldiers and buglers, train officials, speakers, attendants, machinists and electricians. The whole train is wired for night exhibit. On entering town the train is cut between the second flat car and the automobile box car. The train is equipped with steps which are dropped at the end of this automobile box car, and persons pass through the car, making exit on the side next to the sleeper and walk down the sleeper steps. Every person in the community ought to see this exhibit. It brings the war home with nothing else can do, and another opportunity may not come.

Suitable Window Displays

Among the patriotic window displays around town today are those of the Roseburg Bootie and the Duds for Men stores. The Bootie has a window with a clock giving the hour of starting the fourth Liberty loan campaign, 9 a. m., and behind the clock is the American flag, forming a triangle, with posters underneath. The Duds for Men window is made up with three large posters, framed in the National colors, red, white and blue, and pictures of three Presidents, Washington, Lincoln and Wilson. Both are very creditable displays.

STORM DOES NOT STOP THE BRITISH

SMASHING ATTACK MADE BY BRITISH FORCES NORTH OF ST. QUENTIN IN MIDST OF A TERRIFIC STORM—PRISONERS TAKEN.

AMERICA BROKE GERMAN SPIRIT

What America Has Accomplished in 17 Months Has Filled German People With Wonder and Terror—Demand Food.

WITH THE BRITISH ARMIES IN FRANCE, Sept. 21.—The British forces, in the midst of a terrific storm, delivered a smashing attack on a three mile front east of Leuville and Ephezy this morning, where the Germans still hold the outpost defenses before the Hindenburg line. Spurs leading from outpost ridge and trench mazes about Le Petit Priel farm and Le Catelot copse made the going very hard, but between 300 and 400 prisoners are already reported taken.

French Take Another Town.
PARIS, Sept. 21.—The French troops captured Henay, five miles south of St. Quentin, last night. They also repulsed counter attacks at Chateau, two and one-half miles south of St. Quentin, so the war office announced.

Letish Troops Mutiny.
AMSTERDAM, Sept. 21.—The Algemeine Zeitung, of Essen, charges that defeat of the Lithovians on the Marman coast was due to a mutiny of the Letish troops, who refused to fight the allies.

AMERICA BROKE GERMAN SPIRIT

AN ATLANTIC PORT, Sept. 21.—America turned the tide of war and broke the spirit of the Germans. What America has accomplished in the past 17 months has filled the Kaiser's people with wonder and terror, so Senator James Hamilton Lewis, of Illinois, declared on his arrival here last night from a trip to the battle front in France. America's fresh troops, he asserted, have humiliated the German army, and the German submarines have proven a complete failure, so far as final results are concerned, in everything they have attempted.

Lewis praised the navy men for their splendid conduct during and after the submarine attack on the vessel on which the Senator started homeward. The ship returned to a French port after it was attacked, being slightly disabled.

German Demand More Food.
THE HAGUE, Sept. 21.—Resolutions setting forth that the population of the city of Cologne are suffering from a lack of food, and asking that production be increased and means of distribution be made better, were recently adopted by the city council of Cologne, as it was reported by dispatches which were received here from that city today.

DRAIN AND VICINITY.

Mrs. Mary Cook and Miss Jewel Delt, of Drain, and Miss Marjorie Whipple, of Anlauf, went to Monmouth the first of the week and entered the normal for the school year.

Mrs. George Peterson and family went to Buckley, Wash., last week, where they expect to remain indefinitely, having taken their household effects with them. Mr. Peterson is employed at Baldi, but the family have located at Buckley for school purposes.

Mr. and Mrs. C. E. Haxard will go to Portland on Friday of this week to spend a few months with their son-in-law and daughter, Mr. and Mrs. W. R. Ulen.

Sam Jones recently sold his home residence property to Will Anderson, who with his family will occupy the premises.

Joe Bollivant and family have moved to Benton County to remain a couple of years, having leased their farm four miles east of town.

A. O. Mattison and wife returned home Wednesday morning after a couple of months' visit with their son-in-law and daughter, Mr. and Mrs. John Craig, at Lexington, in Eastern Oregon. Mr. Mattison is still quite poorly in health.

C. M. Sprague and family have moved to Eugene to reside, having leased their residence property to H. S. Baker. Mr. Sprague has Lane County as his field of operation in life insurance work.

The local school will open next Monday with Miss Kravonova, husband as principal. She will be assisted in the high school department by Miss Leone Graham and Miss Carpenter. In the grades Mrs. Gwendolyn Wright, Mrs. Madeline Cook, Miss Esther Mickelson and Miss Maude Hedrick will be the teachers, and Miss Charlotte Moody will have charge of the domestic science and art department.

W. W. Kent and family have purchased residence property in Portland and will continue to reside

CLOCKS CHANGE TIME AT MIDNIGHT SEPT. 30; RETURN TO OLD SYSTEM

At midnight, September 30, all clocks will be turned ahead an hour, making it 1 a. m., October 1, and the daylight saving scheme instituted by the Government.

Returning to the old system, an hour of morning light will be conserved. By the summer plan the hour was saved at the end of the day.

The past season witnessed the first trial of the daylight saving plan in America and results in all industries, it is said, were highly satisfactory.

In view of the general satisfaction with this plan it is deemed very likely that it will be repeated next year.

FRED MILLER WRITES AN INTERESTING LETTER; WAS WOUNDED IN BATTLE

The following letter was received by Ray Durbin from Fred Miller, who is now in Seaford, Sussex, England. He is improving from wounds received on the battle front last spring, when he was fighting with the Canadian army. Mr. Miller was formerly an employee of the Umpqua Hotel in this city. The letter follows:

1st Canadian Reserve, E. Company Seaford, Sussex.

Dear Ray:
Your very welcome letter at hand, and believe me, it done my old heart good to read those lines—certainly did appreciate it very much.

Came out of hospital Aug. 10 and landed in here. Not such a bad place, but I sure have seen a great deal better. I have had two medical boards and one discharge with the other, so I don't know just what will happen. The first board marked me for home, but the second seems to think I will be fit again for France in a few months. So they have given me a good job here at the Reserve with nothing to do but lay around until they decide whether I'm fit or not. If the allies hadn't started this big offensive I would have reached home very easily, but these battles cost a terrible amount of men, so they hesitate discharging any men who are likely to be fit for service again.

At present I am fairly certain of never seeing France again, but it all depends on the coming weeks and whether we continue to advance as we have. If we do continue I am certain of being sent to the front again, and I am not one little bit sorry, as I would much rather be over there in the field and excitement than laying around England doing nothing.

I've been here quite long enough, ever since April, and now it's almost September, making it about six months—so with a little more rest to build me up I shall be glad to get back. Of course I would much rather come home, only I mean rather than being around England, I would much rather fight.

Anyway will let you know how things go. My address is 1st Canadian Reserve, E. Company, Seaford, Sussex. Wish you the best of luck, old man, and hoping to see you next summer, I close. Kind regards to your wife and my hello to all the boys.

Sincerely,
FRED.

A suit has been filed by Albert Abraham against Alfred Anderson in the Circuit Court. He seeks to recover \$200, alleged to be due him for legal services.

There, their residence here has been leased to Mr. and Mrs. E. Wright and Mr. and Mrs. John Hedrick, the house being divided to accommodate both families.

Mrs. Rachel Cook will leave soon for Stanfield, Oregon, where her daughter, Miss Yvonne Cook, is teaching, and will remain there for the next year.

The Misses Minnie and Eunice Wilson left here about ten days ago for Portland, where after a short sojourn Miss Eunice will go to some point in Eastern Oregon to teach and Miss Minnie will secure employment in Portland.

Jack Cady, a former resident here but for the past two years at Aberdeen, Wash., is here for a few days to look after business matters. He says the lumber mills at Aberdeen are running day and night.

Doris, the little three-year-old daughter of Mr. and Mrs. Wm. Mattison, died at the family home in South Drain on Thursday last, after several days illness of cholera infantum. The funeral was held Friday afternoon at the Methodist Church, with Rev. T. H. Irvine in charge, and burial was made in the local cemetery.

Harry Brookhart, who enlisted in the U. S. naval service over a year ago, is here on a furlough and is accompanied by his wife. He was connected with the wireless service of women engaged in convey duty between this country and France up to a few months ago, when he contracted typhoid fever and was transferred from that to a contracted scarlet fever and has been in a hospital in New York until recently. After a few days rest here with his mother he expects to return to the service.

X. X.

ARMY MEN CALLED HERE OCTOBER 7

DOUGLAS COUNTY MUST SUPPLY FIFTEEN MEN FOR NATIONAL ARMY SERVICE AND 37 MORE TO FILL VACANCIES CAUSED BY REJECTIONS.

SEVEN FOR SPECIAL SERVICE

These Calls Entirely Exhaust the Class One List in This County Until Classification is Made From New Registrations.

The local military board today completed the following list of 15 men from this county who are called for army service on October 7:

Clyde Amos Wallace, Roseburg. Charles William Hurd, Ruckles. Harold E. Brown, Elkton. George Franklin James, Dillard. Elmer Clinton Hughes, Roseburg. George A. Myers, Looking Glass. Edwin G. Young, Oakland. Lloyd Lewis Ritchey, Leona. Jess Traylor, Elkton. Harley Bain Williams, Yoncalla. Delbert E. Keith, Reedport. Alford Francis Leach, Reedport. Harold F. Rollenbaugh, Canyonville.

William Earl Norman, Drew. Bryan Geo. Coulters, Ruckles. The following list of 37 were also called for October 7th to fill vacancies caused by rejections from lists previously called:

Fred Whistleton, Pendleton. Goldie Dyer, Myrtle Creek. Ernest Clayton Wood, Myrtle Creek. Perry Ralph Langdon, Roseburg. Reed Kemp, Umpqua. Irvin Street, Yoncalla. William Bayless, Umpqua. Dominick Besimint, Constock. Leone Frank, Portland. William C. Anderson, Melrose. Alvin Leonard Bloom, Roseburg. Lloyd Hawk, Leona. Rudolph J. Gelbach, Portland. Paul Carl Selgrist, Wilbur. Frank Leroy Wooster, Tiller. Floyd Franklin Brooks, Gardiner. (Residence Melville Lane, West-Idaho.)

Harry Robert Bercher, Dillard. Walter Leon Kruse, Roseburg. Floyd Washington Frazier, Kenby. Henry John Paulsen, Umpqua. Herbert Hastings, Winchester. Murray Cardwell, Umpqua. J. Geo. Parker, Canyonville. William Paulsen, Umpqua. Carter Seal, Umpqua.

A call was also made for seven United service men for September 30, as follows:

Emory David Deane, Portland. John Archie Williams, Seapooose. Harry Sellers, Seattle. Paul Henry Demmer, Portland. Ki Lane Thornton, Oakland. Hugh Harrison, Roseburg. James Schewe, Yoncalla.

The following were called to fill vacancies caused by rejections from former calls:

John Lee Rodding, Dillard. Vincent Applewhite, Yoncalla. Geo. S. Trapido, Roseburg. Homer Gaylord Johnson, Reston. Geo. F. Wharton, Portland. Bernice H. Bates, Umpqua. James H. Carter, Canyonville. Walter H. Jones, Look, Clatsop. Harry Oliver Targeter, Roseburg. Levi Asker, Yoncalla. David Dean Dyson, Looking Glass.

These calls entirely exhaust the class one list in this county until the new registrations are classified.

Roseburg "Over the Top"—Chairman O. F. Goodrow reported today that over 1000 had been received in this city in the recent National Army fund drive. As the quota for Roseburg was only 1000, another remarkable response has been made to the call for aid for the various war activities.

Decorations in Place—Chas. Leary, the local decorator, with his accustomed activity, today attractively decorated the big high school auditorium for the patriotic meeting to be held there tonight. He also prepared a handsome decoration and arrangement for a large picture of President Wilson, which will be carried in the parade this evening.

Mr. and Mrs. W. W. Cardwell and son Murray were in town Umpqua today. The young harvesting is finished at the Cardwell ranch.

Mr. and Mrs. M. W. Daugherty, Mr. and Mrs. Elmer Daugherty and Tim Westfall and wife of Yoncalla, are visiting in the city today.

G. H. Tolly has returned from Myrtle Creek, where he was being with the team harvest at the John Weaver farm. The work is now completed there.

F. J. Singleton and C. E. Ferguson appeared in the city recorder's court today and paid a fine of \$1 for leaving their cars standing on the street without the lights on.

Sherriff Quinn yesterday wired to Portland to release Eric Reed, who was arrested there on a complaint from Reedport. The warrant, for some unknown reason, had not reached the sheriff's office here.

WAR SOUVENIRS BEING SHOWN HERE TODAY; ARE TROPHIES OF BATTLES

One of the most interesting collections of war relics yet seen here has been shown today in front of the Bellows store. It contains souvenirs from No Man's Land and the German trenches taken by the allies, which have been assembled by Robert M. Byrne, of Victoria, B. C., the articles being loaned by Canadian relatives of soldiers "over there." The exhibition attracted thousands of persons in Portland, where it was shown for a week in a window of the Meier & Frank store. It is the generosity of this firm which has made it possible for the state committee to send out Mr. Byrne with the exhibit free of charge to the towns where it is shown.

The collection contains souvenirs of unusual interest, such as remnants of German Zeppelins brought down inside the allies' lines, a bugle and a dirk belonging to members of the famous Sixty-seventh, Western Scots, of Victoria, a Martin Luther Psalm book, relics from the ruined cathedral at Ypres, a gold medal commemorating the battle of Jutland, a savage-looking saw-edged bayonet, an Iron Cross presented by a German officer to the Canadian colored private who captured him, and many other things, more than one hundred in all. One of the most interesting articles, to those who can read it, is a copy of the Morgen Post (Morning Post) proclaiming in terms of scorn the entrance of the United States into the war.

This exhibit is here for today only.

CAPT. T. Y. E. SEDDON Who Speaks in Roseburg Tonight.

Roseburg people are to be visited this evening by one of the cleverest speakers who has been sent over from the European battle fields, in the person of Captain Thomas E. Y. Seddon, of the New Zealand army. Captain Seddon is touring this country under direction of the National Security League, who have loaned him to the fourth Liberty loan committee.

Before the war Captain Seddon was member from Westland in the Parliament of New Zealand, representing the Liberal party, which seat he held for twelve years. He is the second son of the late Right Honorable M. J. Seddon, P. C., L. D., who was for thirteen years Premier of New Zealand.

Captain Seddon quotes from a letter which he received recently from a brother officer of the New Zealand field artillery, but which was written before the collapse of the last German offensive, the following: "The arrival of Americans is of course having a terrific effect on everything. They are so keen and useful. If all goes well for the next six weeks the situation for the Germans in a military way will be very difficult indeed."

Speaking of his experience with the different public meetings he has addressed, Captain Seddon expressed his intense admiration for the way in which the feeling of this country has changed. Particularly is this change noticeable in New York, he said, where it was like a scene in May but glowing hot in August. In Wisconsin, where the German element so predominates, he is studying the feelings of the Americans of German descent. Some meetings he addressed were composed entirely of people who were the children of German born parents. In making inquiries of their employers he found that they had worked at war work efficiently and loyally. As far as he was concerned, he said, there is no danger in the States to be expected from the German population.

Nothing but a war could have welded all the different elements constituting the States into one as the boys in the boys' over there and the allies," said Captain Seddon.

Captain Seddon is full of praise for the organization of the U. S. Stunting Board, whose band of members and volunteer service men have done incalculable work for their country and Uncle Sam.

E. Hatfield was in from Dixonville attending to business matters today.

COMMUNITY FAIR AT MYRTLE CREEK

A GOOD ATTENDANCE AND FINE EXHIBIT WERE IMPORTANT FEATURES OF THE COMMUNITY FAIR HELD AT MYRTLE CREEK FRIDAY.

EXCELLENT ADDRESSES GIVEN

Fine Dinner Was Enjoyed and Arrangements Started for Holding Another Fair Next Year—Fair at Looking Glass.

An excellent community fair was held at Myrtle Creek on Friday. There was a good attendance and a fine collection of exhibits. The showing was larger than the average among these fairs held in this county this season. Not only was there a good showing of children's exhibits, including industrial club work, but the older people also brought many very creditable exhibits, and the ladies made a good showing of needlework, domestic art and Red Cross work.

During the noon hour a bountiful Hooverized luncheon was enjoyed and a pleasant social hour was passed. This general comingling of the people of the community is a valuable feature of these community fairs.

During the afternoon Hon. B. L. Eddy gave a patriotic talk to an audience that completely filled the high school auditorium. The address was eloquent and interesting. Prof. O'Reilly, of the Oregon Agricultural College, gave an interesting address on industrial club work and the patriotism of the boys and girls in doing their part toward increasing the National food supply. He also acted as judge of the various exhibits offered and issued the ribbons which were awarded.

C. J. Hurd, county agricultural agent, gave some very valuable suggestions to the producers of the county.

County School Supt. O. C. Brown presided during the program and gave brief talks on topics pertinent to the occasion. Taken all together this was a very interesting session. Arrangements are being made to hold another fair at Myrtle Creek the coming year. Officers for this purpose will be chosen later.

During the day a dish of fine strawberries and a cake, presented by Mrs. Drake, were raffled for the benefit of the Red Cross. They were awarded to Prof. O'Reilly, who at once put them up at auction, when \$6 more was realized for the Red Cross fund.

A community fair will be held at Looking Glass at an early date. This will close the series of community fairs in this county for this season. Although it was during a busy season, these fairs have proven very successful.

New Orders Received—

Sgt. E. W. Leavitt received new orders this morning for recruiting offices which are effective October 1. While this office has been closed to recruiting for some time, the chances are that it will be open again for recruits in the Marine Corps. The orders received here this morning do not state whether Sgt. Leavitt will have charge of the office or not, but in all probability he will remain here as he has no orders to the contrary.

New Musician at Majestic—

The Majestic theater has secured the services of Miss Irene Tyler, a talented musician from California. Miss Tyler is a graduate of the California Conservatory of Music and is highly recommended as a musician. The Fotoplayer at this theater is a combination of several instruments which plays from music rolls, but for the pictures Miss Tyler plays the piano and is able to accompany the pictures with the different attachments on the player, which makes a very pleasing effect.

Salvation Army Pots—

At three different corners on the principal streets there are stationed Salvation Army pots. These are for the collection of pennies and small change from people who happen to pass to make up the quotas of the Salvation Army fund from this city. The one by the corner by the Roseburg Bootie is handled by Mrs. R. L. Gile, the one in front of the Umpqua Hotel by Mrs. M. J. Shoemaker, and the one on the corner by the 50, 100 and 150 store by Miss Thelma. This is something new and novel for Roseburg, but it is an aid of the Salvation Army to "Keep the pot boiling." Everybody is invited to drop in a penny.

Mr. and Mrs. W. J. Weaver, Mr. and Mrs. W. F. Chapman, Mr. and Mrs. Oscar Lyman and daughter, Zelma, will leave this evening for Winchester Bay to spend the week-end.

Miss Marion McClarnan, who has been visiting here at the home of her sister, Mrs. C. A. Riddle, departed this morning for San Francisco. She expects to enter the Government service as a stenographer.
