PERUNA THE GUIDEPPOST TO HEALTH

Has Never Been Down Sick Since Taking PERUNA

Read this letter from Mr. Robt. Grass, Grass Range, Montana.

"In 1908 I was out in Kansas running a threshing engine and the threshing crew had to sleep out of doors. One of the crew brought a Peruna Almanac to the engine one day and I was feeling very ill from sleeping out. I decided to give Peruna a trial and sent for a bottle of Peruna and a box of Peruna Tablets, which straightened me out in a hurry."

"I have never been down sick since that time. I do not take any other medicine except Peruna. I always keep it on hand if I feel my feet wet, get a cold, feel chilly, or a little bad. I always take Peruna and it always goes away and then take it, but should see it on hand. I do not know when they feel bad, they should use it."

Recommended for Catarrhal inflammation of every description.

Women, Prepare!

Thousands of women near the coast have overcome their anemias, and have been cured of woman's ills by Dr. Pierce's Favorite Prescription. This temperance medicine, though started nearly half a century ago, will stand widely today. It can now be had in tablet form as well as liquid, at any drug store, and every woman who suffers from backache, headache, nervousness, should take this "Prescription" of Dr. Pierce's. It is prepared from nature's roots and herbs and does not contain a particle of alcohol or any narcotic. It's not a secret prescription for its ingredients are printed on wrapper. Send 10c. for trial package to Dr. V. M. Pierce, Buffalo, N. Y.

Microton, Quebec—"For three or four days at a time I would suffer much agony. It was this way for years. I do not know how long I had this trouble, but I had terrible dizzy spells and a continual condition above, but that, all-around, good feeling, was nervous, and after each near would bring something terrible. Had believed that so that I could hardly anything and my hours was affected. I gave out the Favorite Prescription and it cured me. It is a grand medicine and I am glad if all others have it helped me."

"The Pleasant Pellets cured me of chronic constipation; regulated my bowels so that I never had any more trouble." Mrs. A. B. LITTLE, 6 N. Riverside, Astoria.

HEINLINE PIANO SCHOOL.

The eighth season for the Heinline Piano School, Mrs. Charles Heinline director, and Miss Siella Krohn assistant, opens Monday, September 16th, with the enrollment of over sixty pupils in the various departments. From the baby class to the advanced and normal students. A large percentage of the public performers of Roseburg as well as a number of efficient teachers, have been trained in this school, and the same high standard of instruction will be maintained. At the end of the first term, Nov. 25, those pupils who are not progressing because of lack of practice, will be dismissed. The newest and best published study material is used, not by grades, however, for there is no grade in music and neither is there any one system that can be applied to all students alike. After three years of use the

PROGRESSIVE SERIES edited by Godowsky and other well known authorities, has been found invaluable and will continue to be the basis for normal students.

Mrs. Heinline is a Child Music Specialist and her own Baby Class (Fundamental) Outlines are used by representative teachers in twenty-nine states, and is also being introduced into Canada now. The Baby Classes are held Monday, Wednesday and Friday mornings from 9 until 11 o'clock. Children are called for and sent home by Jimmy. It is important that little folks begin at the same time, so send the children on the opening day.

Mrs. Hannah Madison was over from Winchester today.

H. B. Hastings and son were over from Winchester today. The latter is preparing to enter the army service soon.
