UNITED STATES NOW HAS 10,000 AIRPLANES.

WASHINGTON, Oct. 19.—General March told Senators today that this Government already has constructed 10,000 airplanes, most of them De Havillands.

(The frequently expressed wish for 10,000 American airplanes seems to have now been fulfilled, six or eight months sooner than the knockers declared it would be done.)

Ice Plant Not Sold—
It was erroneously stated in Saturday's Review that the Alexander ice plant had been sold to S. D. Evans at sheriff's sale. The property bought by Mr. Evans consisted only of the town plat addition lying across the river. The ice plant was sold some months ago to the Douglas County Water & Light Co., and later sold by them to the Roseburg Ice Co., the present owners.

It is a good horse that never stumbles and a good wife that never grumbles.

WHAT ARE YOU DOING TO HELP WIN THE WAR?

Here are three ways you can help. Use one spoonful of sugar instead of two. Use substitutes instead of all flour. Have your clothes cleaned and pressed instead of throwing them away. If there are no holes or tears in them they are good for lots of wear yet. You'll be surprised to see them after they are cleaned up.
