IT'S NOT YOUR HEART; IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. It attacks all classes, regardless of age, sex or condition. A majority of the afflicting people today can be traced back to the kidney trouble.

The kidneys are the most important organs of the body. They are the filters, the purifiers of your blood. If the poisons which are swept from the tissues by the blood are not eliminated through the kidneys, disease in one form or another will claim you as a victim.

Kidney disease is usually indicated by nervousness, depression, nervousness, dizziness, backache, stomach trouble, difficulty when urinating, pain in back and lower abdomen, and stones, gravel, rheumatism, sciatica and lameness.

All these derangements are no more than signals to warn you that the kidneys need help. You should use **GOLD MEDAL Hearton Oil Capsules** immediately. The soothing, heating oil stimulates the kidneys, relieves inflammation and destroys the germs which have caused it. Do not wait until tomorrow. Go to your druggist today and insist on his supplying you with a box of **GOLD MEDAL Hearton Oil Capsules**. In twenty-four hours you should feel health and vigor returning and will bless the day you first heard of **GOLD MEDAL Hearton Oil**.

After you feel that you have cured yourself, continue to take one or two capsules each day, as a help in the same condition and ward off the danger of other attacks.

Ask for the original imported **GOLD MEDAL** brand. Three sizes. Money refunded if they do not help you.
