FEW CENTS DESTROYS YOUR DANDRUFF AND STOPS FALLING HAIR

Save Your Hair! Make It Thick, Wavy and Beautiful—Try This!

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf.

There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverish and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast.

Get a small bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

ROBERTS LAYS HIS CRUTCHES ASIDE

Relieved of Rheumatism by Tanlac After Suffering Eighteen Years.

"Tanlac has relieved me of eighteen years of suffering and more than that, it has added thirty pounds to my weight," said F. Roberts, who lives at 324 West Nora St., Spokane, the other day. "When I look back over the past eighteen years of my life," he continued, "I wonder how in the world I ever stood all the suffering I went through with. I had rheumatism in both of my feet and legs, and sometimes they would swell terribly. It was the same with my arms from my finger tips to my elbows, and I couldn't use my hands at all. For eighteen months before I began taking Tanlac it was impossible for me to walk except on crutches. Sometimes for days at a time I would just have to sit down and suffer agonies nearly every minute and when night came my suffering was so great that I rarely slept very much. To add to all the rest of my troubles, my stomach went back on me, and it seemed impossible for me to find anything to eat that would not make me suffer afterwards. When I tell you that I lost over seventy-five pounds in weight, you will have some idea how I was going down hill. I think I must have taken a hundred different kinds of medicine but none of it brought me any relief.

"I had about lost faith in medicine, but when I saw Tanlac advertised I made up my mind I would try just one more, and if I failed to get relief I would never spend another dollar for medicine as long as I lived. But Tanlac helped me from the very first, and by the time I had finished my first bottle I could feel a wonderful improvement. My appetite came back and I was soon eating three square meals a day, and I got so I would get hungry between meals. The more Tanlac I took the more I could eat and the better I felt, and it wasn't long before I laid my crutches away, for I could walk without them. And then I began to use my hands a little. I saw that I was coming back strong, so I just stuck to my Tanlac and—well, just look at me now—I am free from all my troubles and as well and strong as I ever was and work hard every day, and as long as I live I will praise Tanlac for all it has done for me."

Tanlac is sold in Roseburg by W. F. Chapman, in Blaine by D. F. Everett, in Oakland by Miller Drug Co., in Glendale by the Glendale Pharmacy, in Gardiner by Gardiner Drug Co., and in Yoncalla by C. P. Huntington.

"MY WIFE would raise hell if I should take out an insurance policy," said a fellow to me one day. "Well, well," I replied, "what would she raise if you died without any?" "I dunno," said he. "Well, I can tell you—blister on her hands, a lame back, stooped shoulders, a lot of debts she could never pay, hungry children she couldn't feed and clothe, and all the stings and burns and pangs of poverty." "By Jove! I believe a little life is better than that—make it \$2,000," he blurted out. M. F. Rice, Agent. Special rates.
