COMMISSION DON'T LIKE PEACE TERMS

LEAGUE MAY REDEEM FAULTS OF THE PEACE TREATY—PRESIDENT WILSON COMPELLED TO SACRIFICE HIS PURPOSES.

LEAGUE IS SAID TO BE WEAK

American Commission Says That the Shantung and Saar Settlements and the Italian Situation Are Bad—Sacrifices Vain.

(By Lowell Moffett.)

PARIS, May 21.—The action of the nine members of the American peace commission in resigning as an expression of their disapproval of the German treaty has brought to light the fact that their sentiments are shared by a great portion of the commission. Inquiries by the United Press have revealed any number of the commission as giving unqualified approval to the treaty. The nearest approach to approval is from those who say that the treaty is bad, but that the league of nations re-creates its faults. Mixed with the talked objections to the treaty are condemnations of President Wilson for giving his assent, although on the other hand many defend his sincerity, saying that the creation of a league of nations was a larger and more difficult task than many of the outside world, and that he was compelled to sacrifice one purpose after another in order to accomplish this one aim.

Members of the commission say that the Shantung settlement is bad, that the Saar settlement is bad, and that the Italian settlement is better than that of the league of nations works out, all these things will be straightened out in the next generation. Others argue that the league, as now constituted, is too feeble an instrument to do the work intended, and that the result will be that all these sacrifices will have been made in vain.

World Wide Strike of Women.

ZURICH, May 21.—The international congress of women voted unanimously at the concluding session to call a world-wide strike of women on the 15th of June. A declaration of war is declared. Franklin B. Rowland, delegate from Vienna, made the proposal, which was carried after an amendment had been added providing that the strike be called even if the war was suspended in the interim. All but one delegate also resolved to send a delegation to the meeting of the international socialist executive committee at Lucerne in August to ask that all socialists refuse military service in the event of a new war. A declaration has been made to submit their resolutions to the peace conference.

Revolutionists Arrested.

BUDAPEST, May 21.—A counter-revolution has been revealed here. A number of alleged conspirators, including their leaders, have been arrested, and several have been sentenced to prison. It is reported that the conspirators intended to organize a White Guard, occupy Budapest, and arrest Bela Kun and other members of the soviet government. The leaders are mostly former police officials. One sergeant of ammunition and wealthy landowner were also arrested for complicity in the plot.

Not Only Plane Now in Race.

WASHINGTON, May 21.—Engine trouble forced the NC-4 to postpone her trip to Idaho from Point Del Gado, the navy department announced today. Admiral Jackson's airplane had been in the air for 24 hours and was not working properly. With only one spare left upon which the success of the trans-Atlantic flight venture depends, naval officials said today that no chance would be taken with either the machine or the weather until both machines be in as near perfection as is possible.

Struggle Bill Passed.

WASHINGTON, May 21.—The House passed the woman suffrage amendment today by a vote of 254 to 13.

S. P. CONSTRUCTION EMPLOYEE IS SHOT FOR DEER AT TUNNEL NINE

L. Gibson, aged 52, an employe of a Southern Pacific construction gang stationed near Leland, was shot in the head last Monday evening at about 8 o'clock by Guy Critser, a 13-year-old lad of that place, who mistook his victim for a deer. Gibson, who was hunting for a deer, had a gun slung over his shoulder. A clump of bushes near tunnel 9 to watch a deer "lick." The Critser boy was hunting along the Southern Pacific right of way with a dog. Discovering fresh deer tracks at a point near the tunnel, the boy cocked his gun and proceeded to follow them. He had not gone far when he noticed the bushes which concealed Mr. Gibson moving, and quick as a flash the lad fired. Number four shot from the weapon struck Gibson in the head and shoulder. Fortunately the wound was sufficiently great that the loaded pellets failed to penetrate far into the man's skull. However, he was quite seriously wounded and is now under the care of a physician, who hopes for his recovery. The matter was investigated by S. P. Detective Frank Rogers at that place, who recommended that young Critser not be held accountable, owing to his age.

LOCAL CREAMERY WILL MAKE ICE CREAM WITHOUT THE USE OF ICE

The new ice cream freezer recently purchased by the Douglas County Creamery from the Creamery Package Company, of Chicago, arrived Monday and is now installed and ready for use. Either ice or salt brine can be used in this type of machine. One of the best features of the freezer is the sanitary conditions under which the cream is made. The mixture is poured into a container at the top and the whole process is done under glass by machinery. The finished product, emptying into containers below at the rate of seven gallons every ten minutes. The new machine is a great improvement and will add much to the efficiency of the plant. The local creamery has been doing a very large business the past year and their Jersey butter and Jersey ice cream are becoming known throughout the valley. Last month over 500 gallons of ice cream were sold by the creamery, some being shipped as far as Grants Pass.

George Olinchouse, a resident of this city, left last night for Ashland, where he will remain until after the roundup.

The first signs of the approaching carnival appeared yesterday morning when the American Boy Scouts company began the work of decorating the streets. Amplest flags and the taps of the bands of the Albee are being used very effectively and the streets already present a gala appearance. The merchants are also preparing to decorate their stores and when completed the scene is expected to surpass that of former years.

An interesting program was held at the high school Tuesday afternoon when the junior class entertained the student body with concerts from their play, "What Happened to Jones," which will be given tonight in the high school auditorium. The high school orchestra and choir gave several selections, which were well received by the students, and the program closed with a student body meeting at which all the remaining business of the year was disposed of.

TIME LIMIT WILL EXPIRE TOMORROW

DATE WILL BE SET ON WHICH THE GERMAN MUST DECIDE WHETHER TO REFUSE OR ACCEPT TREATY TERMS WILL NOT BE CHANGED IN ANY WAY.

AUSTRIAN TREATY TO BE READY

May Be Signed at the Same Time as the German Treaty—Will Be Given Not More Than Week to Discuss the Treaty.

(By Fred S. Ferguson.)

PARIS, May 21.—The time limit for submission of the German observations on the peace treaty expires at 3 o'clock tomorrow afternoon. After the "big four" completes the journal of these last communications the date will be fixed upon which the Germans must definitely refuse or accept the terms. This will depend upon the nature of the observations. There is no indication that the treaty will be changed in any way.

German Counter-Proposals.

(By Carl D. Great.)

BERLIN, May 21.—Germany's counter-proposal regarding the peace treaty are complete as far as Berlin is concerned. It was learned from an authoritative source today. It is believed the communications were forwarded to Versailles last night. The government is understood to have claimed that those are Germany's utmost concessions. The concessions are said to propose a plebiscite in the eastern provinces and the elimination of French control over the Saar basin.

Fearing serious outbreaks in Sicily, the government has dispatched a large force of troops to that district.

(By Fred S. Ferguson.)

PARIS, May 21.—The time limit for the Germans to present their counter proposals to the peace treaty has been extended a week by the "big four," so it was officially announced. The limit was set for tomorrow, but has been advanced to May 29, at the request of Brockdorff-Rantzau.

PROFESSOR LEWIS WILL JUDGE STRAWBERRIES.

The best strawberry judge in Oregon has been recruited for the Strawberry Carnival. Prof. C. I. Lewis, of Corvallis, will do the judging Friday afternoon. He will be assisted in judging the strawberry exhibits by the carnival's official "tasting" committee, consisting of Mrs. W. E. Fisher of Sutherlin, Mrs. W. H. Fisher of Roseburg, and Mrs. John Rosenbark of Medford.

The campaign waged by certain well known and reputable characters for a position on this favored committee, reminded one of the old days of the political convention. The most persistent wire puller was J. W. Perkins. Dr. C. H. Miller justly admitted on the streets today that he had been a candidate for his chair on his campaigning powers. Dave Shambrook, it is hinted, threatened to blow out John Alexander's tail light every night for a week if he was overlooked.

With the Unquaga valley sun painting the cheeks of the farmers it is expected that the competitors for the \$75 in prizes will be spirited. Exhibits must be in place by 10 a. m. Friday. Any contestant can enter an exhibit in every class.

Mrs. Ver Perry left this afternoon for Winchester, to visit with her uncle, John Decker.

Mrs. L. B. Redden, of Riddle, spent yesterday in town shopping and visiting with friends.

W. E. Atterbury, thru Attorney John T. Long, has filed suit in the local justice court against H. L. Kinch. The suit involves the sum of \$12, alleged to be due in amount.

I. B. Hilditch will leave tomorrow night for Portland to await the arrival of his son, John, who has wired from St. Paul that he will arrive soon. Mrs. Hilditch has been in Portland for several days. John is due at Seattle today.

Mrs. Stora Baker, of this city, left this morning for Ashland, where she will meet her husband who is returning from a trip to San Francisco. Mr. and Mrs. Baker will visit for a few days in Ashland before returning to their home here.

The principal class of the high school held their annual picnic Monday afternoon at the Holton ranch, about two miles north of town. The class entered and to the picnic grounds twelve students and their chaperones. The afternoon was spent in sports of various kinds and the return trip was made safely in the evening.

MAXINE McLAUGHLIN IS THE CARNIVAL QUEEN BY A LARGE MAJORITY

A short time after the closing of the queen contest last night Miss Maxine McLaughlin was declared senior queen of the forthcoming Strawberry Carnival, and Miss Gertrude Laird, from the Douglas school, as junior queen. Miss McLaughlin won from her opponents with a majority of 6899 votes, her nearest competitor being Miss Mabel McCallough with 11,135 votes to her credit. Miss McLaughlin is the charming and accomplished daughter of R. L. McLaughlin, a well known rancher of South Douglas creek, and is very popular among the younger set of the city. She has attended high school in Roseburg for the past year and has taken part in many activities. The attendants for the queen have not been chosen yet, but they will be from among the popular younger girls of the city.

Gertrude Laird, the junior queen, is a pupil of the Benson school and is a very attractive little Miss. Miss Pauline Clark, who was second in the contest, will be her maid of honor. The remainder of the juvenile maids have not yet been selected.

With Queen Maxine and Queen Gertrude to rule the carnival days of fun and jollity, a good time is assured for all.

FUNERAL SERVICES OF MRS. LANE TO BE HELD THURSDAY MORNING

The funeral services of the late Mrs. Simon Lane, who died at her home in this city yesterday afternoon, will be held at the Catholic church tomorrow morning at 9 o'clock. Father Walsh, of this city, and Father Laws, of Albany, will conduct the services. Interment will follow in the Masonic cemetery.

Mrs. Lane was one of Roseburg's best known and loved pioneers. Born in Des Moines, Iowa, she crossed the plains with her parents, Mr. and Mrs. Charles Brain, and settled at Drain, Oregon. Her father was one of the founders of the little city. She was graduated from the scientific course at the Willamette Academy, and on November 22, 1868, she was married to Simon R. Lane. Six children were born to them, two of whom are now living. Mrs. Eva Waite, a daughter, and F. R. Lane, a son, both of whom live near this city. Her husband also survives her.

DOUGLAS COUNTY HAS GONE OVER THE TOP IN THE SYRIAN DRIVE

Douglas county has again gone over the top, this time in the drive for the Armenian and Syrian relief fund. George W. Kimball is in receipt of a letter from Don Seiler, the state treasurer for the Oregon drive, in which he congratulates Douglas county on the splendid record she has made.

Oregon has been asked to raise \$75,000 for the relief of these people, and Douglas county has responded accordingly to the call. With only \$20,000 to be raised to complete the state quota, Oregon, as usual, will go over the top with a bang.

Mr. Kimball received the following letter from Mr. Seiler:

"Please accept my sincere thanks for your check for \$1000 for the Armenian and Syrian relief fund which puts Douglas county right over the top for the most southerly of all fields. The day before I received the check I sent a remittance of \$40,000 to New York, and this still is a splendid record for the state, which I am sure will be large enough to complete our state quota of \$75,000. We are now within \$50,000 of our goal and several counties yet to make their final reports. I was very glad to hear of this from you and all your committee for the time and effort you have put into making this splendid record possible. I know that you desire no false praise from me, and I am very glad that together we have had some part in relieving this unparalleled need."

Former Resident.

F. P. Hogan, a former resident of Roseburg, but now resident at Los Angeles, Cal., passed thru this city yesterday on his way to Medford. Mr. Hogan while talking to friends at the depot, stated that he still has that Roseburg was his home, and that he would return in about a month and planned to stop here for several days.

Present Music Students.

Mrs. Charles Stanton presented a portion of her music class in front of the light at the Olympic grounds last night. The class performed very beautifully and decorated for the occasion in a number of spring dresses. The class consisted of themselves, a quartet, and their work showing much talent and endeavor in the part of each girl. The program was given and a few friends were in attendance.

CATTLE RUSTLER FINALLY CAPTURED

CLARENCE KENNEDY, A FORMER CANAS VALLEY RESIDENT, A FUGITIVE SINCE 1917, IS ARRESTED AT CRESCENT CITY LAST NIGHT.

FOLLOWED THRU MANY STATES

Kennedy and An Accomplice Stole Cattle at Canas Valley and Sold Them to Riddle Residents—Traced to Montana.

Clarence Kennedy, cattle rustler and a fugitive from justice since November 12, 1917, was early this morning arrested at Crescent City by the California authorities on telegraphic information furnished by Sheriff Quinn, who learned that Kennedy had passed thru this city recently loaded north. At 1:30 this morning Sheriff Quinn was aroused from his slumber by a telephone message bringing the information that his man Kennedy had been seen in Crescent city, but had left that place. Still persistent, the officer requested that no effort be spared to apprehend the cattle rustler. About 9 o'clock this morning the telephone bell tingled again, this time the message spelled happiness for the sheriff with a great big capital "H." Kennedy was under arrest. Hanging up the receiver with a bang, the upholder of the statutes pranced gaily about the mansion, so elated for a few moments that he could hardly tell the story to a wild-eyed, open-mouthed reporter who seized a big tale.

Along in the summer of 1917, Clarence Kennedy and an accomplice, "Shoos" Ulrich, drove a herd of 12 cattle not their own, from Canas Valley to Riddle, where they disposed of them to R. F. Nichols and Mrs. W. A. Stodolsky, paying the sum of \$250 for their trouble. That the Riddle residents had purchased stolen property was not known for at least a week, anyhow that number of days had passed before the local authorities were notified of the fact. In the meantime the cattle rustler returned to Canas Valley and immediately left that vicinity, working his way eastward to The Dalles, where Kennedy had an automobile in waiting. They were followed thru Washington, Idaho and Montana, where all the time the rustler was at Great Falls. They were not heard of again until about a year ago, in the vicinity of Spokane. Again they dropped out of sight, and not until Kennedy returned to his old haunts at Crescentsville recently was his whereabouts known.

Kennedy is termed a very clever crook. He left, at the time he left this community shortly after committing the crime which eventually landed him in the stretches of the law, a well packed and bushy, "T" hat in a new road, also his mane, and this bit of camouflage is the reason that he has given to the fugitive his liberty for so long. He was always dressed as a man having a decidedly black crop of hair.

At the time of his apprehension Kennedy had in his possession an automobile registered in a nearby town under the name of Weeks. He is held in a bench warrant issued by the grand jury November 12, 1917, and Sheriff Quinn will leave soon for Crescentsville to return his prisoner to this city. The California authorities were warned to keep a close watch on Kennedy so he in a most clever crook and would give the officials the slip at the first opportunity.

"Shoos" Ulrich, a "foster" has never been heard of since his own party disappeared near Spokane about a year ago and it is quite likely he is the last authority left, that he has made good his escape. Kennedy was a double son of a fellow, who made his home at Canas Valley for a number of years, where he was widely known.

In the case of Kennedy's extradition it will be necessary for Sheriff Quinn to make a trip to Salem to secure the necessary extradition papers necessary to be returned on a city of the state. It is quite likely that Kennedy will attempt to remain within the boundaries of California.

Miss Nell Mahon, of Klamath Falls, arrived here this afternoon to visit with friends.

Mr. J. B. Thompson returned to see the last of his wife's spending time in the city, and to see his daughter, Miss Nell Mahon, left last night for Medford, where he has accepted employment in the roundhouse.

The W. T. Smith, who had been visiting from Medford with his wife, Mrs. Alice, left last night for Berkeley, Cal., and Mrs. P. H. Brown, of Portland, who was expected last night at the Douglas hotel, but this morning had not a sign at points in California.

Mr. H. B. Brown, the local telephone man, has been appointed deputy collector for Douglas county, so it was learned today. The reapportionment becomes effective June 3.

MYRTLE CREEK RURAL MAIL CARRIER FOUND DEAD IN HIS BUGGY

Jefferson Bailey, aged 60, a rural mail carrier of Myrtle Creek, was found dead in his buggy about four miles south of that place at about 9 o'clock this morning. Ladies living in that vicinity noticed the mail carrier's lines dragging and fearing that all was not as it should be, rushed to the highway and stopped the horse, and a moment later discovered that Mr. Bailey had expired. Coroner Ritter was immediately notified of the sad occurrence and he left for the scene by automobile to make an investigation. It was found that he had been in the best of health at the time he took his departure from his home shortly before 7 o'clock this morning.

The deceased had been a resident of Myrtle Creek for a number of years and his well known in that vicinity. The funeral services will be held there at 4 o'clock tomorrow afternoon, and interment will follow in the Myrtle Creek cemetery.

THE CIRCUS EMPLOYEE CHARGED WITH RAPE BELIEVED TO BE SLACKER

That Fred L. Hamblin, the circus other, who is being interrogated before the grand jury, charged with the crime of rape, falsified when he stated that he was a member of the 84th division and was wounded in the Argonne, is now the belief of the local authorities. The accused could not remember the name of the company he served with, he has no service record, nor registration card, and while absolute proof is lacking, it is the supposition that the circus employe is nothing more or less than a slacker. To confirm this belief a telegram was this morning sent to Chicago, requesting information regarding the youth, who seemed unaccountable to the consequences of his rash act. When Sheriff Quinn aroused the fellow yesterday afternoon to appear before the grand jury, Hamblin joked with other prisoners and carefully arranged himself for the ordeal. He seemed little moved by the fact that he was being nabbed before the jurors and district attorneys, who were to try into his actions on the night of May 16, when he wronged a Roseburg girl of tender years. His general attitude after his arrest has been brazen.

DOG AND CAT SHOW TO BE STAGED AT THE CARNIVAL; BRING PETS

Have you a dog or a cat—just any kind? If you have take your pet to the Marston building, next to Gray's jewelry store, and enter it in the dog and cat show. For there is going to be a real dog and cat show during the carnival and to make it an entire success the committee want every furry pet in the city to be there. Your pets will be well taken care of and will be returned safely to you. There will be no prizes offered this year, but if the show is a success, next year the committee will probably make different arrangements. Be sure and get Pussy and Rover into the show.

Evangelistic Sermon.

The evangelistic sermon for the graduating class at the Roseburg high school will be given at the Methodist Episcopal church Sunday evening, May 25. Rev. C. H. Hilton, of the Christian church, will preach the sermon, discussing "A Voice or an Echo, Watch?" The remainder of the program for the evening will include Vocal solo, Miss Bertha Kinney, quartet, Miss Bertha Kinney, Mrs. A. N. Grant, Rev. J. C. Spencer, Mr. W. D. Hill. All the churches of the city will address for the evening and the ministers will participate in the altar service.

Strawberries a Plenty.

There will be a great many berries for the Strawberry Carnival. Local growers are bringing berries to market each day and there will be strawberries, Douglas county berries, the big, juicy kind, for everyone.

Elles Divorce Suit.

E. B. Alfred has filed suit in the circuit court asking an absolute divorce of divorce from his wife, Mary E. Alfred, a fitting description of the divorce is that it is a divorce by default by default of the property interest whatsoever. Attorney L. B. Sandblat appears for the plaintiff. Now Located at Portland.

Attorney L. B. Sandblat, who prior to his relocation in the city was located in this city, is now located at Portland. Mr. Sandblat is well known in this city.

PLANS COMPLETED FOR THE CARNIVAL

THREE BIG PARADES ON THE OPENING DAY—THE SCHOOL CHILDREN'S PARADE AT 10 A. M., AUTO AND QUEENS' PARADE IN AFTERNOON.

CROWNING QUEEN CEREMONY

Queens' Parade Will Start at 2:30 P. M.—Best Rooms Arranged—More Prizes Offered—Exhibit of Roses.

PARADES FIRST DAY.

The school children's parade, in which all the schools in the city will be represented, will take place at 10 o'clock Friday morning. This will be the only parade on the morning of the first day of the carnival. In the afternoon the automobile parade will form at 1:30 p. m. at 2:30, immediately following the crowning of the queen ceremonies, the queen's parade will start from the corner of Jackson and Cass streets, Miss McLaughlin, Queen of May, and her aides will also take part in the automobile parade. Band concerts and many other features will be sandwiched in between the parades, crowding the day full of pleasures.

The committee on rest rooms, consisting of Mrs. Neuner, Mrs. Marsters and Mrs. Perkins, have given much time and thought to the comfort of our guests during the carnival. They have secured the old Commercial Club rooms where the carnival will be held. This will be held two days, and cots and chairs will be provided for the children and ladies. They have also secured the use of the outside lavatories of the armory building and the large roof immediately to the right of the entrance. The lavatories are all on this floor and the drinking fountains will all be cleaned and pure North Unquaga drinking water will be on hand and running all the time. They are going to erect benches on the courthouse lawn, and "our George" has assured us that he will make those of a great deal of lumber that is now stored around the courthouse and jail, thus giving better resting places for all of our guests. This committee request the merchants to place as many benches as possible or construct small benches in front of their stores in order that the weary traveler may rest for a time.

More Prizes Offered.

At a largely attended meeting of the executive committee and those on all other committees of the carnival, the members were so pleased with the way the schools have carried the contest they decided to offer additional prizes. This was to be \$50 to be given in prizes for the school in the parade having the best display. The sum of \$100, as they have never appropriated more than the original \$100. The prizes will be divided as follows: First prize, \$25; second, \$15; third, \$10; fourth, \$5. This amount can be used by the school as they see fit. The judges will be met on the morning of the parade and will be selected from three traveling men stopping in this city, who will be absolutely unknown to anyone here, thus making them competent to judge without prejudice.

Band Stand is Roomy.

The band stand will be 16x32 feet, thus assuring ample space for the training of the little folks and the crowning of the queens. This stand will be enclosed in a railing and will be decorated. Mrs. Ben-shader, the chairman of this committee, has trained a large number of children in an operetta at the high school, and this assures a most interesting program.

The Band will be stationed here (Continued on Page Six.)

ADDITIONAL PRIZES FOR THE BABY PARADE ARE NOW ON DISPLAY

A veritable baby window is on display today at the Square store. Bibs, bib holders, booties, dainty baby dresses, hats, sweaters, indeed everything to gladden the baby heart were donated by the merchants of the city as prizes for the baby parade to be held Saturday morning of the carnival. A few cash prizes were also donated, and the merchants should be complimented on the willing way in which they helped the cause. These prizes are in addition to the \$35 in cash prizes given by the carnival committee, and are certainly sufficient inducement for every mother to "doll up" her child and enter it in the baby parade.
