MOHAIR POOL BRINGS 64 CENTS PER POUND.

The following clipping taken from the Oregonian would indicate that there is another class of farmers in Douglas county who need organization as well as the prairie men.

Lebanon, Or., May 17.—The Lebanon mohair pool of 5000 pounds sold at auction this afternoon to M. Souders & Co., of Albany, at 64 cents. This is the highest price ever paid for any pool of mohair sold this season and is 3 1/2 cents above the price paid for the pool here last year.

Sixty cents per pound is the highest price that any of the local mohair men have received for their clip this year, and according to County Agent Hurd the clip in this county is one of the largest in the state and the quality produced here is not excelled by any other section.

Don't Suffer

MANY men and women are suffering because they are treating effects instead of removing causes. Why bother with liniments and lotions for rheumatic pains, backache, stiff joints, sore muscles, biliousness, nervousness, floating specks in the vision, dizziness, puffy pouches under the eyes, or other symptoms of kidney trouble when the kidneys can be made well and strong, thus removing the cause of the symptoms?

Foley Kidney Pills

have been used for kidney trouble and bladder ailments by men and women with success for many years. They seem to get right at the root of the trouble, invigorating and strengthening, healing and soothing work, sore, or disordered kidneys and bladder. They help the kidneys throw out of the blood the waste and poisons that cause the symptoms of kidney trouble.

O. W. Weisinger, 231 Buena Vista, San Antonio, Texas, writes: "I have suffered more or less with kidney and bladder trouble for the past ten years. The only thing I have ever been able to get relief from was Foley Kidney Pills. I earnestly recommend them to any one suffering from kidney or bladder trouble, sold everywhere."

selling tickets for the "big top" attraction, and who returned here this morning, says that at least a thousand people were turned away at Eugene and fully five thousand at Portland, owing to the fact that standing room was at a premium. At Portland two shows were given nightly. Mr. Barnes and Mr. Bellows are personal friends.

DOCTORS PATIENT GAINS 17 POUNDS

Prominent Physician Continues to Use Taniae in Practice With Surprising Results.

One of the strongest and most convincing evidences of the remarkable results being accomplished by Taniae throughout the country is the large number of letters that are now being received daily from scores of well known men and women who have been benefited by its use.

Among the large number that have been received recently none are more interesting than the following letter from Dr. J. T. Edwards, of Fayetteville, Ga. Dr. Edwards, it will be remembered, recently gave Taniae his unqualified endorsement in a public statement, and the testimony published below was recently given him by one of his patients. His letter follows just as it was written:

Fayetteville, Ga., May 17, 1914.

Dear Sir: I am enclosing you herewith statement I have just received from Mr. T. M. McGough. He has sold out here and is moving to Turin, Ga. He was here this morning and came in to tell me what Taniae had done for him. He says too much cannot be said about Taniae. It certainly has cured him. Respectfully,

J. T. EDWARDS, M. D. Mr. McGough's statement follows: "I suffered from indigestion and could not eat anything but what would hurt me. Constipation gave me a great deal of trouble also. My symptoms were indigestion, heartburn, and pain on the stomach after eating. My appetite was irregular, and my food failed to nourish me. This trouble caused me to get very poor—in fact I got so thin and weak I was hardly able to go about. I bought three bottles on Dr. Edwards' recommendation, and I am now feeling all right again, and am able to attend to business. I gained seventeen pounds in weight and am doing fine. Taniae did the work."

"I now recommend Taniae to everyone who is sick like I was, and wish to take something that will help them." Taniae is sold in Roseburg by W. F. Chapman, in Riddle by D. F. Everett, in Oakland by Miller Drug Co., in Glendale by the Glendale Pharmacy, in Gardiner by Gardiner Pharmacy, in Yonahda by C. P. Huntington, in Reedsport by Impqua Drug Co., in Myrtle Creek by Myrtle Drug Co., in Sutherlin by G. F. Adams, in Drain by Huntington Drug Co.
