What's the difference between a meat man's wife and a barber's wife?

The barber's wife comes to the meat shop to buy, but the meat man's wife passes the barber shop by!

We are sorry it is so, for we believe in reciprocity, wherever possible! Not only barbers' wives come here to buy, but all good housewives and this is why—our meats are right, shop in clean, and every week our ads are seen!
