Graduation Gifts

Commencement week will soon be here and with it comes the pleasant duty of choosing something pleasing and appropriate as a gift for the graduate.

For the young lady graduate let us suggest Richlieu Pearls. These pearls have a permanent iridescent lustre. They are the finest reproductions of genuine pearls and are constructed to stand wearing abuses. We are showing Richlieu Pearls in a variety of sizes. No gift will be more fitting for the girl graduate than Richlieu Pearls.

The Bracelet Watch is another worthy suggestion. We have all the better grade movements handsomely cased, The new designs are very attractive.

Much interest is being taken in the shoot in which the ladies will compete. Several local ladies are practicing and there will be entries from the surrounding towns. Douglas county boasts of some good marksmen and they will be out in force May 25th at the local rifle range.

(Port Umpqua Courier).

J. R. Dailey, when the call was made for binoculars from private citizens to be loaned to the government, to be returned at the conclusion of the war, has received back the pair which he lent the government at that time. The glasses are in as fine order as when he sent them away, except that the cases are worn, which shows they have been constantly in use. The glasses are highly valued by Mr. Dailey because of the services which they have rendered the country.

and all roads are leading to the crowning of the queens. The day of this event and the time will be announced later.

Sell Strawberries.

Numerous concessions have been granted, but why is it no one asks for a concession to sell strawberries and cream? We are going to have lots of strawberries and the cream is always here. This is a Strawberry Carnival, and why can't the stores, lodges and other organizations get together on this? Put up a stand and sell strawberries and cream. See C. W. Jones, chairman of concessions. If you cannot find him, see the secretary. Don't forget that this is a Strawberry Carnival. Everyone should be able to buy all the strawberries and cream that they can eat.

Exhibit Your Roses.

Roses and strawberries are going to be on exhibit in Roseburg. Roseburg never had as many beautiful flowers as today. We want you to bring your choice roses in vases, pots and bowls to the strawberry headquarters for exhibition. We want you to put a card with the name of the rose and the grower's name. This card to be 2x4 inches in size. This is done for uniformity. There will be lots of strangers in Roseburg during the days of the carnival, and you want to let them know we have roses. Do you remember that one year Roseburg furnished the roses for the Rose Festival in Portland? Bring your roses to headquarters and let us show that we can grow strawberries an droses.

(From Oakland Tribune).

Mrs. Silas Turpin of Roseburg stopped off here last Wednesday night on her return from Yoncalla and visited with her sister, Mrs. C. A. Riddle, going on to her home Thursday evening. Mrs. J. H. McClarnan, mother of Mrs. Riddle and Mrs. Turpin, also arrived here that evening and spent the week here at the editor's home. She departed Tuesday for Roseburg, where she will visit for a few days, and expects to leave Friday evening for Klamath Falls to join her husband and son, who are now located there.
