"I HAVE NEVER SEEN THE EQUAL"

That is What Mrs. Cope Says of Taulac—All Her Troubles End.

"It certainly is wonderful how quickly the right medicine will get a person to feeling right again," said Mrs. Mary C. Cope, residing at 274 North Hicks street, Los Angeles, in a recent statement regarding the benefits she has derived from the use of Taulac.

"I am now seventy-two years of age," continued Mrs. Cope, "and have had lots of experience with medicines, but I have never seen the equal of Taulac. Why, since it has helped me so much I just tell everyone that needs medicine about it and so many out here in my neighborhood are taking it that we have a regular Taulac colony."

"During the past six years I have had lots of trouble with my stomach. I could not eat anything without bloating all up with gas and feeling miserable. I was also troubled with gas at night until I couldn't sleep or rest. I was very nervous, and so run-down and weak that I just felt badly all the time."

"I had read a good deal how Taulac had helped in cases like mine and, going on the idea that, 'what's good for one is good for another,' I tried it, and it certainly has proven to be the right thing for me. I have only taken four bottles so far, but I am feeling as good already as I ever did. My stomach is in fine condition, no gas forms, and I can eat what I want and enjoy it, and that tired, nervous feeling has all left me, too. I sleep soundly every night and feel just like the person whose testimonial I read in the paper that caused me to take it said it did with her. I am glad to recommend such a medicine and hope my statement will cause others to find relief."

Taulac is sold in Roseburg by W. F. Chapman, in Riddle by D. F. Everett, in Oakland by Miller Drug Co., in Glendale by the Glendale Pharmacy, in Yoncalla by C. P. Huntington, in Roadport by Empqua Drug Co., in Myrtle Creek by Myrtle Drug Co., in Sutherlin by G. F. Adams, in Drain by Huntington Drug Co.
