

# SHOE ECONOMY

## in buying good shoes for children.

They take one hundred steps to your one. The C-SAW SHOES are made to stand these knocks, made with heavy extension soles, in all the desirable shapes and styles that combine comfort and good service.

A child could go barfoot in C-SAW SHOES and never miss the stockings, that's our slogan.

Best looking, longest wearing, and most comfortable shoes for children. Mothers don't take any chance when they buy C-Saw Shoes for their tots, which we sell as low as is possible for this high quality shoe. Let us show you the advantages of THE C-SAW SHOES.

### THIEF GETS HAUL.

SAN DIEGO, Cal., April 4.—A thief dived to the bottom of the wishing well at Ramona's marriage place at Old Town, near here, recently and took the accumulated hoard of pennies and silver, amounting to about \$40, that have been dropped there by seekers of luck and good fortune, according to the proprietor of the prehistoric place.

Here is the ancient motto that hangs over the well: "Quaff ye the waters of Ramona's well;

Good luck they bring and secrets tell,

Blessed were they by a sandaled friar,

So drink and wish for thy desire,"

Thousands of tourists each year up the water and drop coins in honor to the good luck spirit that is supposed to inhabit the well.

Spring millinery, smart and correct, though moderately priced, Bell Millinery.

& C. LAND LOCATOR—And compassman. Chas. Kyes, 527 N. Main St., Roseburg.

### PLENTY OF "WET" GOODS.

NEW YORK, April 5.—The charge that wet revelry reigned nightly along New York's "gay white way," made in a sermon Sunday by Rev. John Roach Straton, pastor of Calvary Baptist church, "was not news to us prohibition agents here," James J. Shevlin, federal prohibition enforcement officer, commented tonight.

Mr. Straton declared he had made a personal investigation of "vice" conditions and found that cocktails, highballs and whisky straight were sold freely and that "hootchie kootchie" and "shimmy shake" and the "cheek toche" were danced openly in various cafes and cabarets. "We know stuff is being sold in cafes and cabarets along Broadway," Mr. Shevlin said, "but the fact is, it is very difficult for us to get evidence."

In announcing that Dr. Straton would testify before the "vice grand jury" Thursday, District Attorney Edward Swan said:

"We have invited the reverend gentleman to come here and tell the grand jury all he knows about any violations of the law."

## Small Boy Lost Several Hours

The small son of Mr. and Mrs. Taylor, who reside on East Douglas street, was lost for several hours today. He was brought over town by his mother and was told to wait outside a store while she was shopping. Instead, with all the adventurous spirit of a four-year-old child, he started on a trip of exploration and was found a short time later in Overlook addition by Gertrude Sylvan and Derma Price. He had climbed the long hill thinking he was going up Douglas street. He was once taken to the home of George Kohlman and turned over to Officer Percy Webb, who at last located his mother, who had taken the other children home and was on her way back to hunt for the smaller child.

## Students Prepare Coming Election

A great deal of interest is being shown in the election to be held at the high school at the same time as the regular primary election on May 21. Registration is brisk and the "county clerk" and his "deputies" are being kept busy in taking the registration of so many "voters." The election is to be conducted upon exactly the same lines as the regular elections. Registration forms follow closely those used by the county and the regular sample ballots will serve the students when they vote. Although the books have been opened only a short time, 33 students have registered up to the present time. Of this number 52 are republicans, 39 have favored the democratic, while two favor the socialistic doctrine. Others are registering whenever they can find opportunity and it is expected that the number will be more greatly increased. The political spirit is reigning and students are campaigning in whirlwind style for their favored candidates and pet measures. The millage tax bills will probably be accepted almost 100 per cent as the students are working earnestly outside of school for their passage. The students have also been requested to urge their parents and friends of a voting age to be sure of their registration and to endeavor to get as many of their relatives and friends on an election day as possible.

## Bankers Will Meet Here On Saturday

On Saturday of this week, Roseburg will welcome a large number of bankers representing the financial institutions in Lane, Curry, Coos and Douglas counties, comprising group 3 of the State Bankers' Association. It is expected that practically all of the banks in the four counties will be well represented and Roseburg is honored by being chosen as the meeting place of these men. In the afternoon the session will be devoted entirely to the discussion of various matters pertaining to the welfare of the district served by this group. On account of the purely local matters which must be considered by the bankers, it was decided sometime ago to hold group conferences for the purpose of considering these affairs and cooperating in the various phases of the business. F. E. Snodgrass of the First National Bank of Eugene will preside as chairman and G. H. Bates of Myrtle Creek will serve as secretary. In the evening a program and banquet will be given at the Umpqua hotel, all the bankers and their ladies being in attendance. The program will be banking circles and a good time is expected. The program was in the hands of J. H. Booth but as he has gone to California, for a visit, John Throne of the Umpqua Valley Bank has arranged the details of the banquet and program.

Banded sailors and ready-to-wear hats in Milans, Lisere, Basket Weave, Bangkoks, Bell Millinery.

### WOMEN PICKETS ARRESTED

WASHINGTON, April 6.—Disregarding the warnings of the federal government that they will be prosecuted, two women favorable to the Irish republic today resumed picketing of the British Embassy and were arrested.

### CUTTING NUMBER OF MEN

SEATTLE, Wash., April 4.—Baseball coaches of the University of Washington are cutting down the number of men in the squad trying for places on the 1926 varsity. Recently the squad was cut to 28 men. Another cut is promised soon. About seven varsity veterans are in the squad.

### GETS NEW HOME.

Chas. San was today moved from his old store on North Jackson street to a new location in the rear of the Macabee temple, where he will soon be re-established in business. A sufficient amount of money was raised at the recent tag sale to provide him with a larger stock of goods and he will soon be firmly established again in new quarters. The building in which he has been located for so many years was today torn down to make room for a new garage, thus destroying another of the oldest landmarks of the city.

Dress hats in transparent brims of hair braids nets, trimmings of tiny French roses, leaves, gauze ribbons, lace. Bell Millinery.

## Election of Teachers Held Last Night

All the teaching staff of the elementary grades in this city was re-elected and offered contracts for the coming year at the meeting of the Roseburg school board, last night. It was the general opinion that the instructors had proved more than satisfactory and that they all would be retained. At a meeting of the school board held last week the election of high school teachers was held practically all of them being re-elected with the exception of one who has made other plans for the coming year. A salary increase was also discussed and an increase of from 15 to 20 per cent was decided upon. No other matters were taken up at this time. Twenty days are given the teachers in which to sign their contracts as they have to be returned by April 25th, but it is thought that the teaching staff next year will not vary in many respects.

A complete line of infants' wear, coats, dresses, bonnets, jackets, hosiery, comforts, Girtrudes kimona. Bell Millinery.

### FORMER ROSEBURG GIRL MARRIED.

Much interest is being displayed here in the word recently received of the marriage, in Portland, of Miss Lillian Krogel to Ross S. Parkhiser of that place. The ceremony took place Sunday, April 4th, at the St. Mary's Pro. Cathedral, with Father Edwin O'Hara conducting the service. A few close friends and relatives were present.

Miss Krogel is a well known Roseburg girl and has a wide circle of friends in this city. She is the daughter of Mr. and Mrs. C. F. Krogel of Dixonville. She graduated from the local high school and subsequently taught several terms of school in this county. For the past eight months she has been taking the civil service course at Bhenke-Walker Business College in Portland which course she finished a short time ago. The groom is a veteran of the World War having served overseas for two years and 2 months. He is now employed as a contractor with the Portland Lumber Company. The newly married couple will make their home in Portland at 14th and Market streets.

### LILAC CIRCLE GIVES ELABORATE BANQUET.

One of the biggest affairs on the lodge calendar for the year was sponsored by the Lilac Circle in the Odd Fellows' hall last night, when a check dinner was given for all members of the order, their families, and all visiting members and their families. Covers were laid for over 50 guests. The tables had been attractively arranged with large baskets set at intervals, each basket containing Easter eggs colored in red, white and green, the colors of the order, and topped with a mass of colored marline. The Easter motif, cleverly worked out in the three colors of the order, was used throughout. An Edison photograph played during the dinner. Mrs. Till Johnson, Mrs. Frank Churchill, Mrs. Fred Ellis and Mrs. E. P. Payton had full charge of the arrangements.

Following the banquet the regular session of the lodge was held. The hall had also been decorated with red, white and green crepe paper and Easter eggs and chickens. Two applications for membership were received and voted upon. The object of the dinner and meeting was to arouse interest and stimulate interest, and to foster the get-acquainted spirit.

Half Sox for children. Bell Millinery.

### WILL ENLARGE BIG FRUIT PLANTS AT SUTHERLIN

Frank J. Norton, president and manager of the Sutherland Fruit Products company, who was in this city today, is preparing to very materially enlarge their plant this season. In fact the work is to begin just as soon as the necessary materials can be procured. Delay is already being experienced in procuring gravel for the concrete work on account of the gravel plant just south of this city having been inoperative recently while putting in new machinery. For the same reason there is delay on the construction of the new church in Sutherland. Mr. Norton says the fruit outlook for the coming season is excellent at present.

### LEGION WILL MEET.

Umpqua post of the American Legion will hold their regular meeting this evening and many matters of importance will be discussed and decided on this evening. One of the issues which will probably be taken up this evening will be the opening of the grant lands in this section and the large amount of fake advertising which is being sent broadcast regarding this proposition. A large attendance is expected tonight and a lively meeting will no doubt be the result.

### NEW SNAP SHOTS

F. W. Beckley was in from the North Umpqua district this morning attending to business matters.

### Bartrum Leaves

S. C. Bartrum, former forest supervisor, left this morning for Portland to attend to business matters for a few days.
