GLENDALE AND VICINITY.

The Glendale Lumber Co. are removing old landmarks and debris in this city to enlarge their lumber yards. This old reliable company is increasing the facilities of their plant every day.

The Lystul-Lawson Co., east of this city, is also adding new and modern improvements to their large mill business, and all mills adjacent to this city are paying good wages.

There is no discontent among their employees.

Our splendid grocery stores are all crowded with customers all the time. Of course they are all getting a large patronage.

Love Wood, of the Wood farm, will leave about the 15th to spend the summer at Harney valley for the benefit of his health. Mrs. A. R. Watkins and her daughter, Miss Mary Watkins, will manage the farm during Mr. Wood's absence.

Mr. and Mrs. Maurice Swank, well known Douglas county residents, are living at Fernvale.

Mr. and Mrs. C. Billings are leaving this week for Eugene, where they expect to make a permanent home.

D. A. Bonar, of the O. & C. Power & Light Co., is kept very busy looking after his line of service.

Born, at Melrose, Montana, to Mr. and Mrs. H. J. Wilhelm, a son, Mrs. Wilhelm, nee Miss Eva Nail, is a daughter of Mr. and Mrs. C. T. Nail of this city. Mrs. Nail will leave this week for an extended visit with Mr. and Mrs. Wilhelm to welcome her new grandson.

James Rondeau arrived at home this week to visit his mother, Mrs. P. Campton, and other relatives. An old-time charivari was indulged

In last Saturday to welcome home our popular fellow town folks, Mr. and Mrs. E. R. Harvey.

Mr. and Mrs. McFarland, of Fernvale, are occupying the fine residence they purchased some time ago of L. L. Hurd on Willow street, opposite the Hurd home.

Rev. and Mrs. M. C. Davis have apartments at the Strone residence on East Willow street until school closes, as their son and daughter are attending high school in this city.

Mrs. J. L. Clough was called to this city on Saturday by the illness of her mother, Mrs. Elmer, who, at this date, is somewhat improved.

Mrs. J. D. Lindsey, of Murphy, was a city visitor last week. "Balloons and small boys" are very much in evidence in this city this week, and we question the demand for "nickels" when we realize the advance in the price of sugar and other commodities that are necessities. Well, "such is life" in our prosperous little city.

Mrs. Lester Dungey, Miss Josie Holtsclaw and Mrs. Owens, all of whom are in the Burn Bros' sanitarium at Grants Pass, are now past the danger line and will be able to return home next Sunday, we are very pleased to announce.

The Auditorium, under management of Brown & Hanks, gave a splendid entertainment on last Saturday evening to a large audience. The film play embodied a splendid sermon by a little child, and the comedy was excellent and altogether a beautiful performance of high ideals which was appreciated by the large audience present.

CARD OF THANKS.

We wish to express our sincere gratitude and appreciation to our friends and neighbors for their kindness and consideration during the illness and death of our beloved daughter; also Rev. Warrington for his words of comfort, to the choir for the music, and to the pall bearers. MR. AND MRS. D. W. LEACH.

"SYRUP OF FIGS" IS LAXATIVE FOR CHILDREN

Look at Tongue! Remove Poisons From Stomach, Liver and Bowels.

Accept "California" Syrup of Figs only—look for the name California on the package, then you are sure your child is having the best and most harmless laxative or physic for the little stomach, liver and bowels. Children love its delicious fruity taste. Full directions for child's dose on each bottle. Give it without fear. Mother! You must say "California."

Factory expert will be with Marsters Drug Co. on April 26, 27 and 28 to give lessons in graining and beautifying your home with Chi Namei Varnish.

Saving is a Non-Speculative Venture

AND still we don't know of anything which promises so much ultimate profit as that. Should conditions return to normal, every fraction of an inch covered by the returning pendulum will increase the buying power of the dollar.

ROSEBURG OREGON

MANAGEMENT IS CHANGED.

J. H. Perkins and son, formerly residents of Eugene, who have been conducting the sand and gravel plant at Shady Point for some time past, resigned their positions with that establishment and retired from the business yesterday. Art Bellows, a well known local resident, has been placed in charge temporarily by the owner of the plant, W. B. Patterson, of Portland. The plant, which has been known as the Perkins Sand & Gravel company, will hereafter be called the Roseburg Sand and Gravel company.

Basket Social At Canyonville

The Sunday school class of the Methodist Episcopal church at Canyonville, is planning to hold a basket social at the church on Saturday evening, April 17th. A program has been prepared consisting of a play entitled "The School Marm," which will be combined with several musical numbers. All the ladies will bring baskets, and a good time is assured by those in charge.

Five Gal. oil, \$1.10, will last better than a week. How long will a tier of wood last you? Wood is more or less dirty to handle and occupies a space 4 ft. by 8 ft. by 16 inches; 5 Gal. of oil, the space of a good armful of wood.
PROBLEM: How long will it take to pay for an oil stove in the saving of fuel alone?
See our Clark Jewell, the old reliable that we have been handling for years, and will solve the problem for you. Come to us and find out.

CONTINUED chemical action weakens ordinary insulation so that it has to be renewed at least once during the life of the battery. Threaded Rubber Insulation is different. The rubber retains its valuable insulating properties clear to the end of the life of the battery, so that the user can forget that insulation trouble ever existed.
