Making it Easier for You to Buy Good Spring Clothes

You ought to be interested in what we have done to lower the cost of men's clothes. It's important:

1. We've purchased only the kind of clothing we are certain will give the maximum service—long wear; KUPPENHEIMER good clothes—good in style, in fabrics and workmanship.
2. We've curtailed every expense that was not essential to the kind of service that is of benefit to you
3. We've put our profit at a figure that most merchants would consider a loss, if interest on the investment be considered.
4. We have ready an unusual large stock of Kuppenheimer good clothes; new Spring models; perfectly styled and expertly tailored; fabrics and patterns that will command your interest.

Many Ex-Service Men Out of Jobs

At the present time there are a large number of ex-service men in this locality out of employment. Many of these former soldiers came to Douglas county expecting to get government land and start farms but instead they were "stung," as they express it, and are now looking for a place where they can earn some money. There is not a day goes by but what the Chamber of Commerce and News-Review office receive a large number of applicants. Nearly all of them are young fellows who are willing to work and being strangers in a strange land do not know where to go. Anyone who has a job for one of these young men will be put in touch with a worker by this office if they so desire. By notifying either the News-Review office of the Chamber of Commerce that a place is open an effort will be made to fill it with an ex-service man who needs work. This task will be conducted free of charge in the interest of the men who have so recently returned from the service of their country.

Give Self and Substance

GOD wants you! Your substance is secondary and will be given willingly when your heart belongs to God.

Have you discussed with your family how much you ought to give your Presbyterian church when the annual canvass for pledges is made April 25 to May 2?

Money cannot repay God's mercies. He wants service. But money will show to some extent the value you place on the work of the church in the community. It is to the church you look in time of sorrow and trouble. The church stands for the moral good of this town. You cannot do less than support it with a fair proportion of your income.

Presbyterian men, surprise your pastor. Volunteer as a Minute Man, boys' club leader, or as special caller. Take part in prayer meeting. Offer to teach a Sunday school class; and be a prepared teacher. Do your share gladly in the financial canvass. Get into the church and work. Don't forget the canvass in your family prayers.
