Fisher's BLEND BRAND FLOUR

for every purpose

Eliminates All Waste

Home economy is always a matter of big moment; particularly today with the high cost of living the most talked of topic.

An eastern city conducted a school of Household Art and Science to point a way by which harassed housekeepers might make their incomes balance the high cost of living.

In Fisher's BLEND FLOUR we offer the housewife a breadstuff which eliminates all waste. Actual baking tests, scientifically conducted, demonstrate that it makes more and larger loaves of better bread to the given amount than other flours.

It costs you a few cents more per sack because it costs us a few cents more to produce this high grade, blended flour, but it COSTS LESS PER LOAF.

Give Self and Substance

GOD wants you! Your substance is secondary and will be given willingly when your heart belongs to God.

Have you discussed with your family how much you ought to give your Presbyterian church when the annual canvass for pledges is made April 25 to May 2?

Money cannot repay God's mercies. He wants service. But money will show to some extent the value you place on the work of the church in the community.

Presbyterian men, surprise your pastor. Volunteer as a Minute Man, boys' club leader, or as special caller. Take part in prayer meeting. Offer to teach a Sunday school class; and be a prepared teacher.
