LOVE and MARRIED LIFE by the noted author Idah McGlone Gibson

RUTH MISSES BOBBY. Alice returned from Ruth's with a very sad face. "What is the matter dear," I inquired, "didn't you have a happy time with Ruth?" "No, my dear, Ruth is very unhappy. Like many women she has learned to appreciate her husband when she has him no more. She said to me, "I did not know how lonely I would be without Bobby coming in with his laughter and carefree manner. I thought that my children would make up for any loneliness I might have, but, Alice, I have found out differently."

We can tell you of thousands who have been permanently cured of chronic constipation, indigestion, biliousness, sick headache and disorders of the stomach and liver, but this will have little weight with you as compared to a personal trial. That always convinces.
