Ms. M. E. PROCTOR, who says she is so grateful for what Tanlac has done for her that she wants the whole world to know about it. Declares her complete recovery after so many years of suffering seems too good to be true.

"I am so grateful for what Tanlac has done for me that I want to tell the whole world about it," said Mrs. M. E. Proctor, of 717 W. First St., Los Angeles, Calif., when speaking of the splendid results she had obtained from the medicine. "To think that I should have suffered for so many years, and spent hundreds of dollars in vain efforts to get relief and then find complete relief after taking only four bottles of Tanlac, seems too good to be true."

"Yes, indeed, for years and years I suffered terribly from stomach trouble. Everything I ate seemed to form gas and so affected my heart and breathing that I would have palpitation and would turn purple in the face in my efforts to get my breath. These attacks caused me intense suffering and were so bad that I was frequently confined to my bed and would have to be attended by some member of the family for fear I should succumb during one of the attacks.

"I got awfully thin and was so weak that I had to give up all household duties. I often went for two weeks at a time without getting a good night's sleep and as a consequence became very nervous and nervous and in fact, I was a confirmed invalid and my friends did not expect me to live very long.

"I don't believe there ever was as good a medicine as Tanlac."

Tanlac is sold in Roseburg by W. F. Chapman and by the leading druggists in every town.

EX-SOLDIER ILL

Word has been received here of the serious illness in Myrtle Creek of Oscar Swafford, an ex-soldier who has been employed there for some time. Mr. Swafford was gassed while overseas during the recent war, and the heat of the past few days caused convulsions which are an aftermath of poison gas. Dr. Brock of this city was called and the medical attention, but it is extremely doubtful whether or not the young man will live.

Rose School Ripples

Bubble With News

(By Victor Arandel, 8th grade.)

Five new members were added to the girls' glee club as the result of a special tryout held last week. About 12 girls from the department tried out. The girls already in the club made the selections. The new members are: Ethel Locke, Esther McKnight, Louise Jennings, Clara Ambrose and Jaunita Hosmer.

Sixty-six dollars and seventeen cents was raised by the Rose school for the Armenian relief fund. This amount represents the contributions of the school children in sums ranging from one penny to silver dollars. It is estimated that \$5 will feed an Armenian child for one month so the Rose pupils will be responsible for keeping at least one orphan from starving for a whole year.

The amounts contributed by the school rooms are as follows:

Miss Parrott	\$2.39
Miss Burkhardt	4.39
Miss Furdine	6.41
Miss Pickens	4.83
Mrs. Williams	24.63
Miss Agee	4.22
Miss Tracy	4.25
Department	5.86

The long-delayed baseball game between Rose and Benson schools was played Friday afternoon at the Bellows grove. At the end of the 7th inning the score stood, Rose 34, Benson 2, so it was decided to stop the slaughter at that point. Benson was handicapped in having some of her players out on account of sickness, and with the consent of the Rose team played Patterson, a former Benson student. The Rose team was feeling especially frisky so that the hard-working Benson players had little chance after the first inning. At the end of the game the ball resembled an African golf ball, due to the heavy pounding received at the hands of the Rose players.

County May Have To Refund Money

In the road measure on the coming special election ballot falls to pass Douglas County will probably be required to refund the \$20,000 or more it borrowed two years ago for the purpose of buying right out way.

Various counties in Oregon have borrowed from the state highway commission sums of money to enable them to perform work in connection with the highway program. If the road measure on the ballot is rejected in the May election the commission may have to call in these loans in order to raise money to prosecute its work on the main highway, but if the measure carries it will not be necessary to press the counties for early repayment. This policy became known at the highway commission meeting yesterday, when counties were asking for further assistance and when one or two counties said they could not very well repay loans due in 1929 and asked for an extension.

The one county which "touched" the commission for a loan was Crook. Judge Wallace explained that without a little more assistance Crook county could not proceed with its share of the improvement in the Ochoco canyon. The judge was promised \$5,000. A Lane county delegation asked permission to put in some timber instead of concrete bridges on the Pacific highway, explaining that the money was tight. Commissioner Kiddie declared that he doesn't like the idea of wooden bridges. The judge said that after the May election the matter can be considered, and if the bond measure passes it may be possible for the commission to make a loan to Lane county of enough money to have concrete bridges built. The bridges proposed are at Cow creek, Camas, Swale and a bridge south of the town of Creswell.

Again the bell rings. (Buzz!) Rushing back into the study hall you coo yourself into a maze of numbers commonly called arithmetic. Just as you make the marvelous discovery that the square root of 87 is 9.3276543, and so forth, the bell rings. You stand up letting your books fall to the floor, and make another pleasing discovery, namely, that the bell was meant for another class. You sit down and try and control the wheels in your head which are turning in all directions, and aim then at the very interesting arithmetic. Hastily glancing at the clock you find the class about to take up. The bell rings and you jump up only to break your pencil. Rushing up to the pencil sharpener you begin to grind off the point. A teacher starts a relay race with you for leaving your seat. Just as your hair is in danger of being pulled out by the roots the bell rings and that saves you. A dozen more bells ring and you rush home "mother, who probably asks: "How did you get along at school today?"

To Grants Pass—Mr. and Mrs. F. L. Johnson, former residents of this city, who have been visiting in Portland, and also spent a day in this city, left last night for Grants Pass, where they reside.

Returns Home—Mrs. J. M. Boyles, who has been spending a few days in this city visiting Mrs. W. W. Ashcraft, left last night for her home in Myrtle Creek.

BAPTISTS BEGIN BIG CAMPAIGN FOR \$100,000,000

Western States to Take Large Part in Great Drive From April 25 to May 2

SAN FRANCISCO (Special)—Baptists in the eight western states known as the Pacific Coast Division of the New World Movement of Northern Baptists are fully organized and ready to take their part in the nation-wide intensive campaign from April 25 to May 2 for \$100,000,000.

Each of the 10,000 Northern Baptist churches in the United States will have a share in the great drive for funds to enable the denomination to carry on a five-year program of greatly increased activities in home and mission fields. It is estimated that exactly 1,502,341 Baptists throughout the country will be visited and asked to contribute to the fund, in the every-member canvass which will take place during the campaign. Every state, county, and church has been assigned its quota by Dr. John Y. Altholsson in New York, general director of the New World Movement of Northern Baptists, and by other national leaders. The state quotas range from \$53,482,000 in New York, to \$51,000 in Nevada.

Western states expect to raise quotas amounting to \$8,602,000. Word has come into western campaign headquarters, in the Claus Spreckels Building in this city, that each of the eight states in the western area is optimistic concerning its quota. A. A. Protzman, a campaign director of the east, well known in many national patriotic and religious campaigns, as western field director for the Baptists, is in charge of the campaign organization in this area.

Christianity Faces Crisis. "Christianity is facing the greatest crisis in its history, in this campaign, and in those of other religious denominations at the present time," Mr. Protzman declared. "The object of the campaign is the extension of Baptist service along religious, educational and social lines. The work that will be done with the \$100,000,000 will be the reconstruction of the world, following the chaos of war. The sum was determined upon after a careful survey of the field, and is based upon a conservative estimate of the minimum that the Northern Baptists should undertake to accomplish by 1924."

The Baptist organization and campaign are independent from those of any other denomination, although in entire cooperation with the International Church World Movement.

The eight states of the Pacific Coast division of the New World Movement of Northern Baptists are Northern and Southern California, Eastern and Western Washington, Oregon, Idaho, Utah, Montana, Arizona and Nevada. The campaign itself will follow the same general lines as were followed during the great war drives. Campaign leaders consist of state promotion directors, state campaign directors, county campaign directors and local church directors.

Southern California Has Largest Quota. Southern California's quota is \$5,600,000. Her campaign leaders are Dr. F. G. Davies, state promotion director of Los Angeles and J. O. Smith, a prominent business man of the same city. Her county campaign directors consist of the following: Imperial, W. L. Canning of El Centro; Kern, W. J. Shultz of Bakersfield; Los Angeles, C. D. Edsall of Pasadena; Orange, J. J. Harrison of Santa Ana; Riverside, T. C. Jamerson of Corona; San Bernardino, George T. Cortner of Redlands; San Diego, Rev. A. Ray Palmer of San Diego; Santa Barbara, Fred Hendrix of Santa Barbara; Ventura, Frank Inglis of Oxnard; Los Angeles, O. Newcomb of Los Angeles.

Northern California's quota is \$1,854,000. Campaign leaders are Dr. C. W. Brinstad, promotion director and T. B. Holmes campaign director for Northern California, both well known in Oakland and bay counties. County campaign directors are: Alameda, Frank Welmann of Oakland; Butte, M. C. Steele of Chico; Colusa, L. V. Manford of Arbutuck; Contra Costa, Ford Kitcher of Oakland; Fresno, Adolph Christensen of Selma; Glenn, H. C. Webster of Artois; Humboldt, J. E. Neighbor of Eureka; Kings, Ross W. Buckner of Hanford; Lake, O. E. Meddaugh of Lakeport; Madera, J. H. Williams of Madera; Monterey, J. H. Rogers of Salinas; Napa, J. R. McKillop of St. Helena; Sacramento, Frank Gillette of Sacramento; San Francisco, J. O. Ernberger of San Francisco; San Joaquin, Chas. A. Beecher of Stockton; Santa Clara, C. W. Haman of Santa Clara; Santa Cruz, Chester A. Wood of Santa Cruz; San Mateo, J. O. Ernberger of San Francisco; Shasta, C. G. Ritchey of Redding; Solano, L. P. Russell of Vallejo; Sonoma, H. L. Kemp of Healdsburg; Stanislaus, Dr. W. A. Low of Modesto; Tehama, W. E. Kingsbury of Corning; Tulare, Chas. Carpenter, Jr., of Tulare; Yolo, C. T. Bidwell of Woodland.

The quota for Idaho is \$257,000, and the state leaders are Mr. W. H. Witt of Pocatello, state campaign director, and Dr. A. B. Minaker, of Boise, state promotion director. The county campaign directors are: Bingham, Eric Sundquist of Firth; Bonneville, C. F. Poulsen of Idaho Falls; Fremont, Harold W. Patten, of Dubois; Jeffer-

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through taking them.

Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil. They act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood, and purifying the entire system. They do that which calomel does, without any of the bad after effects. Take one or two every night for a week, and note the pleasing effect. 10c and 25c a box.
