

Children Cry for Fletcher's CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA
Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. May Declare War at End

(By Associated Press)
WASHINGTON, April 30.—The state of war now existing between this government and Germany and Austria would be terminated under the resolution reported today by the senate foreign relations committee as a substitute for the house resolution to end the war with Germany alone.

Need Legislation To Govern Planes

SAN FRANCISCO, May 1.—Need for quick federal legislation governing aircraft is one of the most striking lessons of the aero show held here, according to John M. Rogers, aeronautical engineer of New Brunswick, N. J. This is particularly necessary in connection with uniform landing fields over the entire country, he said.

"Primarily, we want a code of international laws," he said. "Then we want national laws based upon the principles underlying the international laws. State laws should then be agreeable to and concurrent with national laws. If each state passed different laws regulating flying one can readily see the harm that would result."

ROSEBURG STEAM LAUNDRY

LOVE and MARRIED LIFE by the noted author Idah McGlone Gibson

NEWS FROM THE OIL WELLS.
"Hush, Bobbie," said his mother, when little Bobbie asked John to bring his father, "you mustn't ask such questions."
"Why not? I want my papa. I want him every night when I go to bed."
"Why don't you let him visit his father?" I said suddenly to Ruth. She looked at me reproachfully.
"Would you do that if you were in my place?"
"I think I should, Ruth," I answered honestly.
"Perhaps he doesn't want to see them," said Ruth hesitatingly.
"Oh yes, I know he is just hungry to see his babies," said Alice impulsively.
"May I go and see my papa, Mummy?"
"I'll see, dear, perhaps. Come over here to mother, Bobbie."
"Telegram for Mrs. Gordon," said Hannah, opening the door.
"My heart stood still. What had Alice said to me now. Could not fate let me be happy for just a few moments. Every telegram that I had received lately had been a pull at my heartstrings. I reached out my hand for the yellow envelope.
"Here, here," said John, "you've made a mistake. That's for me, isn't it?"
Would Delay Opening It.
"No," said Hannah, "it is for Miss Katherine."
"You had better let me open it, Katherine," said John.
"No, I will open it myself," I said, and turning to Ruth I tried to resume the conversation.
"Why, aren't you really going to open your telegram?" asked Alice in surprise.
"Not just now," was my answer. "I don't think it is very good taste for a hostess to spring something sensational on her callers. And it might contain something surprising."
"Never mind me, Katherine," said Ruth. "Go ahead and read your telegram. Evidently some one wants to communicate with you in a hurry."
"That was probably the reason why it was wired," was John's sarcastic comment. "If Katherine holds it much longer, whoever sent it might just as well have sent a letter."
"It is my telegram," I said decidedly.
