INTELLIGENCE and industry mean greater returns to the worker. And intelligent employment of one's money means more satisfactory returns.

A Time Deposit here at the Umpqua Valley Bank is an intelligent occupatio for any spare money you may have. It's a profitable one too.

"I have suffered from indigestion and stomach trouble for the past eight years," continued Captain Hill, and at the time I started taking Fanlac I was in such a weakened con-tition I could hardly stand up. When I walked I would actually stagger like a drunken man and, at times, would have to hold on to something to keep from falling. After every meal I would simply suffer torment.
