

Monkeys Race In Carnival Show

The Foley and Burk shows are coming back this year through the efforts of the Roseburg Strawberry Carnival Committee. They will arrive next Monday and will show for five days starting Tuesday, May 25, at the Catholic Church, opposite the

od Barney Oldfield shakes his head and scolds terribly when the starter threatens to disqualify him for his sharp practices. A sedate old fellow named Solomon occupies the judges stand. Solomon gets so excited at times that he rings the bell when he shouldn't, but it adds to the fun and his mistakes do not affect the races.

This season Foley and Burk have enlarged their two-winged trained animal circus that is the acme of

Army. One of the most interesting shows on the lot will be the Monkey Auto Races. Monkey's in beautiful miniature autos, will compete for valuable prizes, principally peanuts. While racing records may not be broken, the fun records will.

Arena performance. Over fifty acts are presented in this show alone, any one of which is worth the price of admission.

There will be a big street parade May 25th about 1:45 P. M. from the show grounds to the business district of Roseburg, then back to the show grounds, when the big time of the week will start.

The Catholic Church has donated the use of the lot as they have done in former years.

CAMAS VALLEY HAPPENINGS

Crops are looking fine. The warm shower Monday morning will help out very much just at this time and bring gardens up in fine shape.

A very satisfactory meeting was held here Saturday. The subjects of sheep raising, dairying and feeding were quite extensively discussed. Professor Pitts and Professor Nelson from the Agricultural College were the speakers. County Agent C. J. Hurd was also present.

Work on the Highway seems to be going on rapidly down the Canyon. The steam shovel is working down near the Stobie Mill.

Mrs. Eunice Rehner and children are visiting with Mrs. Renner's parents, Mr. and Mrs. Burch.

Word was received here a short time ago from Hornbrook that Mrs. Floy Lamb was the happy mother of a baby girl born April 29.

"There's a Reason" Sold by grocers

Mr. and Mrs. H. T. McClellan and daughter Miss Margaret arrived in Roseburg last night from North Bend, and will visit with relatives and friends in this city for several weeks.

B. F. JONES

REPUBLICAN CANDIDATE FOR SECRETARY OF STATE.

An Open Letter to the Voters of Oregon.

Hundreds have never written, telegraphed or asked me to become a candidate for Secretary of State; believing in the principles that if a man wants anything the best way to get it is to go out after it, and holding to the doctrine that under our form of government any citizen has a right to seek an office at the hands of the people, after due consideration without undue influence, I have decided to become a candidate for Secretary of State on the Republican ticket at the May primary election.

Being a stranger to many of you, I am going to tell you something about myself in order that you may be able to form an opinion as to whether I am as well qualified for the position as other candidates seeking the office.

From first evidence I have learned that I was born on a homestead near Lawrence, Douglas County, Kansas, more than half a century ago; my father died when I was eight years old. I came to Oregon with my widowed mother in 1870 and settled upon a homestead in the Yaquina Bay country on land now occupied by the town of Toledo. Two years later my mother died and I worked on a farm until I was eighteen, attending the public schools and the O. A. C. during the winter months, and then worked in the logging camps and on steamboats until 1883, when I received a captain's license and followed steamboating until 1883, then serving three terms as county clerk of Lincoln County, during which time I studied law under the late Judge John Kelsey and was admitted to practice in 1897, since which time I have been engaged in active practice of law.

Have served as mayor of Toledo, Independence and Newport. Represented Polk and Lincoln counties in the Legislature four regular and three special sessions. Appointed register of the U. S. Land Office at Roseburg, Oregon, by President Taft in 1909, serving four years.

While a member of the Legislature in 1903 I introduced what was known as the Car Shortage or De-murrage Bill. It was defeated, and in 1907 I again introduced it as a member of the Committee on Railroads, got the principles incorporated in the Railroad Commission Bill, which became a law. At the same session I introduced and secured the passage of a law providing for the Directors, Parent-Teachers' Meetings. At the same session I introduced the Jones' Free Locks Bill, which became a law, appropriating \$200,000, contingent upon the government appropriating a like sum, for the purpose of building new or purchasing the old locks at Oregon City and operating the same free to the public by the government. The government having failed to appropriate any money for that purpose, at the 1909 session I again introduced the bill continuing the said appropriation of \$200,000 for another two years, contingent on the government making a like appropriation. Since that time the government has appropriated \$200,000 to match the state funds and has purchased the locks, deepened and improved them and navigation on the Willamette river is now free to all, whereas before the purchase by the government a toll rate of ten cents a head and 50 cents a ton was exacted.

At the 1907 session I introduced a resolution to provide for amending the constitution to allow women the right of suffrage. It passed the House, receiving only seven votes in the Senate. However, since that time the progressive voters of Oregon have voted to allow our mothers, wives, daughters and sisters the right of equal suffrage, and another

AFTER GRIP

WINTER COLDS—BAD BLOOD

You are pale, thin, weak—with little vitality. Your liver is sluggish and the bad blood causes your stomach muscles to lose their elasticity and become flabby and weak—then indigestion.

Dr. Pierce's Golden Medical Discovery, made from wild roots and barks, and free from alcohol or narcotics, is the great and powerful blood purifier of to-day. Ingredients printed on wrapper. This tonic, in liquid or tablet form, is just what you need to give you vim, vigor and vitality.

Take the 'Discovery' as directed and it will search out impure and poisonous matter throughout the system and eliminate it through the natural channels.

You can procure a trial package of the tablets by sending 10c, to the Invalids' Hotel, Buffalo, N. Y.

SANDLAKK, OREGON.—"I want to write a statement telling what Dr. Pierce's medicine has done for me. I was bothered with an ulcer for a year. I went to a doctor here but his medicine did me no good. The sore got worse right along, so I tried another doctor and his medicine did me good for a while, but when the sore seemed to be getting worse, so I tried Dr. Pierce's medicine. I took two and a half bottles of Dr. Pierce's Golden Medical Discovery, and used Dr. Pierce's All-Healing Salve and the ulcer was all well before I had the medicine all used, and I recommend these medicines to other sufferers."

Mrs. HESTERA

stake has been driven along the line of good government.

During the 1909 session I introduced a bill appropriating \$100,000 to pay the Indian War Veterans for use and loss of horses in the Indian Wars of Oregon, a debt contracted by the Oregon Territory and standing unpaid for over 50 years. This bill passed the House but was killed in the Senate, but a similar bill became a law in the session of 1913.

In 1908, upon my own motion and at my own cost, I instituted suits against the Railroad Commission before the Wells Fargo and Pacific Express companies of Oregon for a reduction of express rates. Both these suits were decided in favor of the shippers, and a reduction of twenty per cent was made in the Oregon rates, saving to people of Oregon thousands of dollars.

At the 1919 session I introduced the Roosevelt Coast Military Highway Bill, appropriating \$2,500,000 contingent upon the government appropriating a like sum for the purpose of building a highway along the Oregon coast from Astoria through Clatsop, Tillamook, Lincoln, Lane, Douglas, Coos and Curry counties to the California line, which passed the Legislature, was referred to the people at the special election June 3rd, 1919, and was approved by a vote of two to one. And a bill has been introduced by Congressman Hawley of Oregon asking Congress to appropriate the sum of \$2,500,000 to match Oregon's appropriation, California and Washington have introduced bills in Congress asking the government to build a highway from Puget Sound along the Washington Coast connecting with the Roosevelt Highway and along the California Coast to the Mexican line, and the State of California has voted \$4,000,000 for the building of this road. Should these bills be passed by Congress, it will result in a highway from Puget Sound along the Washington, Oregon and California coasts to the Mexican line.

During my term as Register of the U. S. Land Office I worked for the revision of the public land laws in the interest of the homesteaders who were seeking to settle the wild lands of Oregon. I prepared and had introduced in Congress providing for an annual six months' leave of absence for the purpose of giving the homesteader an opportunity to earn money to live on while improving his homestead and to allow those who had children of school age an opportunity to send them to school, which resulted in the Leave of Absence Law.

I stand squarely for more and better roads; for irrigation of our arid lands; for the improvement of our Rivers and Harbors; that the government build and maintain all roads in the National Forests for the survey and classification of all lands in the Forest Reserve; that the non-forested, agricultural and grazing land may be segregated and thrown open for settlement; for a bigger and a greater Oregon.

Who Juggled?

To The Republican Voters of Douglas County:

The present County Judge, whose appointment followed the personal recommendation of ex-Judge R. W. Marsters, in a paid advertisement published in the News-Review has attempted, by innuendo to impress you that the discrepancies between accounting officers of this county shown in parallel columns published by me in the News-Review and reprinted in the widely circulated "Primary Nominator" have arisen from a "juggle" of accounts.

The figures and computations published by me were accurately copied from the subscribed reports of the accounting offices of this county, and are true if these reports are correct, and at all times prior to Dec. 31st, 1919, were subject to correction, approval and supervision of the present County Judge. If at this time he recognizes that a "juggle" has been perpetrated, he should have excluded the same prior to the publication of these reports.

My incontroverted statement shows, in part, that the road district fund has been depleted in the following manner:

Failure to make full apportionment	\$11,120.12
Contribution to Pacific Highway	10,000.00
Arbitrary diversion therefrom	14,000.00
Increased expense in and around the courthouse	
Some of these transactions occurred near the end of the And I further state that deduction from the road bond fund aggregates	19,000.00
That the General County fund after absorbing transfers of various amounts from other funds was overdrawn	3,117.26
That the general road fund is shown to be so indebted to other funds that at the end of the year it was practically overdrawn.	
in 1920 approximates	20,829.78

last calendar year and were approved by the present County Judge, who claims to have acted during his incumbency to the best of his "ability," and herefrom you get the measure of his efficiency, his economy, and attitude toward lateral road improvement. The foregoing condition suggests the pressing necessity of speedy enforcement of the law requiring an annual audit of accounts.

I make no whining or driveling appeal to you for support. I am powerless to "coerce" the exercise of your franchise in my favor, but were I so empowered I would not exercise it.

I have within the means allowed me by law, published for your consideration facts which vitally affect your interests. If they meet your approval, I frankly ask your earnest support at the primary election.

J. G. DAY, Jr.,

SAM W. STARMER

I am a Republican candidate for the office of Sheriff of this county, subject to the decision of voters at the Primaries, May 21st.

If nominated and elected I shall enforce the laws (not as you or I may interpret them to suit ourselves) but as written, irrespective of whom they may affect. I am the candidate of no class, clique or faction. My record is open for inspection, and my slogan will be the promise of the kind of administration I shall give the office: All lawful interests protected, every person gets a square deal at my hands, no favorites, no favors, public business handled in a courteous manner; all funds continually expended. If this is the kind of platform that meets your approval, help me to put it in effect by giving me your vote and support.
