TO THE VOTERS OF DOUGLAS COUNTY, OREGON

The lower Umpqua country with a population of over 2500 people and with more industries than any other section of the county, has never had representation on our County Court.

The people of this section feel that they should have representation and have offered as their candidate for County Commissioner, Mr. Arthur Walker.

Mr. Walker is a good business man and successful farmer; he has resided in this section of Douglas County over 30 years; he is acquainted with the needs of this section as well as with those of the entire county; he is fair minded, capable, energetic, and will give you a square deal.

In fairness and justice to the people residing in this section, this appeal is made to you for your support of their candidate.

IT PAYS

to consider 'safety first'. Fire Loss is a dead loss. Be prepared with an extinguisher, for 'an ounce of prevention is worth a pound of cure' and in this age of H. C. L. is worth a ton of cure. We have The Standard extinguisher for both home and car use. This is a powder form and exceedingly effective. Cost but \$1.50 for home size and \$2.00 for car size. Also have the Johns-Manville liquid gun similar to Pyrene. It is certainly a dandy costs \$10.50, but is worth the money. A few strokes of pump allows you to put a stream of 'fire killer' where ever you wish. Did you know that carrying one of these in your car would reduce the cost of insurance?

Elks Urged to Attend Parade

The following letter has been sent to all out-of-town Elks urging them to be present for the opening day of the carnival. This letter has not been sent to local 'Elks' for the 'strong arm' gang will see that they are in line and on the job:

Roseburg Oregon, May 19, 1920. To All Brother Elks:— Everywhere Within Reach.

Dear Brothers:— Thursday, May 27th, is the time. Roseburg (Home of 326) is the place.

You can bring your own girl. Old 326 is again calling you for a Grand and Glorious Home-Coming. And listen, brothers—this is to be on the first day of Roseburg's Annual Strawberry Carnival, and the day has been turned over to us to be our very own. Stop and think what we can do in a day and a night. Anyway, believe me, this is going to be Some Day. Don't bring your pajamas—you won't need them.

We are expecting you and making plans for your entertainment. If you are not here, your life will have been misspent. Now listen again—there will be a PARADE that will make Barnum's look like a one-ring circus. There will be stunts pulled off on every corner. There will be candidates enough to satisfy the wildest of you. And in the evening—Oh, Boy—listen again: An Inflation and more STUNTS and FEED.

Have you seen the latest stunt committee work? Have you dined with our latest lunch committee? Have you heard our new orchestra, the 'Purple Jazz-o-pators'? Some bunch! Say, you don't know what you have missed. You will be busier than a one-eyed man at a three ring circus.

Once more, Listen—You are expected to be here—EVERYONE is coming. We are going to make this the banner afternoon and night of the year and for all years if possible. SOME JOB, but we are working.

Committees will be appointed in each of the surrounding towns, and it is up to them to bring the BUNCH and put on some stunt. You can figure that out for yourselves—but don't miss it.

We want to make a great demonstration in that parade and want you to wear a light (preferably white) shirt and purple necktie. We will have the hats for you.

If you don't happen to get one of these letters, and we may miss some, don't let that stand in your way. We will EXPECT you just the same.

Remember, you must report at the club rooms not later than 1:30 p. m. Remember, the Mummies haven't had any fun for 5000 years.

Don't be a mummy. Your committee, E. B. STEWART, GENE PARROTT, A. C. SEELY.

CARD OF THANKS.

We wish to express our heartfelt thanks to the many friends for all their kindnesses during the illness and death of our loved brother, Lot S. Dimmick, and also for the many beautiful floral offerings. THE DIMMICK FAMILY.

'Gosh! How my back aches!' After Grip, 'flu' or colds, the kidneys and bladder are often affected—called nephritis, or inflammation of kidneys.

This is the red flag of danger—better be wise and check the further inroads of kidney disease by obtaining that wonderful discovery of Dr. Pierce's, known as Anuric (anti-uric-acid), because it expels the uric acid poison from the body and removes those pains, such as backache, rheumatism in muscles and joints.

Naturally when the kidneys are deranged the blood is filled with poisonous waste matter, which settles in the feet, ankles and wrists, or under the eyes in bag-like formations.

Dr. Pierce's Anuric is many times more potent than lithia and often eliminates uric acid as hot tea melts sugar.

MADERA, CAL.—'I recommend Dr. Pierce's Anuric very highly. I have suffered for the last three years with catarrh of the bladder, having tried every remedy I heard of but without every remedy I heard of but without effect. I saw Anuric advertised in the paper, and like a drowning man grabbing at a straw I thought I would try it also, which I did with great success, as it relieved me almost immediately, before I had taken all of the trial package, and having great confidence in the remedy I immediately sent to the drug store and bought a package. I can say to all suffering from any disease of the kidneys or uric acid troubles, try this remedy and suffer no longer. I have great faith in Doctor Pierce's remedies.—B. P. HESSLER.

News Writer Walks When Auto Cavorts

Charging up the street in an auto lane evening like the Light Brigade, Chas. Lerry, the inimitable, glimpsed a newspaper friend and shouted out: 'I'll take you home.' Waiting on the corner for the autoist to return, the pedestrian saw the machine attempt to negotiate a turn at Jackson and Washington, where she went up to the curb and stopped. Then Charley did something to 'er and finally the old girl started back across the street and before she could be halted went up on to the sidewalk by the plumber's shop, while people for half score of feet each way began to hunt the tall timber for safety. But Charley was equal to the occasion, so he pulled the throttle, hung the monkey wrench on the safety valve, stepped on 'er until she took all the gas available, threw in the forward clutch, and with a whiz she started diagonally across Jackson street, and under the deft manipulation of the driver just slipped into Washington street by the skin of her teeth, and when last seen was headed for the mountain at the end of Washington, going at full speed. Believing that the auto would never stop until she possibly climbed a fir tree at the summit, the newspaper man wearily legged his way home.

P. S.—Lerry stated this morning that he did not climb the mountain—that is, he got her stopped before she got quite to the top.

Twilight League Starts Play Friday

'Play Ball!' Will you be there Friday when Mayor Hamilton tosses the first ball, not over the plate, but within a few hundred feet of the spot he aims at? There will be several catchers lined up to try and stop the sphere before it reaches the river bank, and the game between the 'fats' and the 'leaners' is called for 7:30, and the big game between the Christian and Baptist teams will begin as soon as the 'fats' have expended all their 'breath.' Line up with the big auto parade, headed by the two league teams in uniform, starting from Churchill's corner at 2:15 prompt.

The Twilight league management have printed season tickets, good for all games during the season, except when special games outside the printed schedule are played, and these tickets, good for 18 or 20 games, can be purchased for \$2, the single admission being 15 cents, making a saving of about one-third to holders of season tickets. These tickets are now on sale at the Peoples Supply store, and will also be offered for sale at the gate Friday.

During the season two games will be played each week, and some real league ball will be put on for the entertainment of our people this year.

Remember the 21st, Friday, at 2:15 o'clock. Season tickets only \$2. Throw away your old business cards and join the crowd for a real half day recreation.

LOCKLEY WILL MAKE GOOD.

AIR POSTAL SERVICE PLANNED.

SAN FRANCISCO, May 19.—A nine-hour air mail service between Portland and San Francisco is under consideration by the postoffice department, Otto Praeger, second assistant postmaster general, said today upon his arrival here in connection with the contemplated San Francisco-New York air mail service.

Mr. Praeger said he believed this route would likely be the first to be established after the inauguration of the transcontinental service, which will probably be about September 1, it was stated.

The San Francisco-Portland route would be more feasible than the San Francisco-Los Angeles route, Mr. Praeger declared.

ELECTION, MAY 21

STATE ROADS

Vote 302 X Yes For 4% State Road Bond Limit

BALLOT TITLE IS AS FOLLOWS:

302 X Yes CONSTITUTIONAL AMENDMENT—Referred to the people by the Legislative Assembly. LIMITATION OF FOUR PER CENT STATE INDEBTEDNESS FOR PERMANENT ROADS.—Purpose: To amend Article 2 of the Constitution of the State of Oregon so as to permit the creation of bonded indebtedness for the purpose of building and maintaining permanent roads by the amount of four per cent of the assessed valuation of all the property in the State of Oregon, instead of the present two per cent limit.

NO PROPERTY TAX—NO DIRECT TAX NO INCREASE IN AUTO LICENSE FEES NO INCREASE OF GASOLINE TAX

Keep these three facts in mind. The present auto license fees and gasoline tax will pay both the principal and interest on all the bonds under this amendment, and will yield an annual surplus besides for other state highway work. No additional taxation of any kind.

FEDERAL FUNDS MUST BE MATCHED

Oregon must have sufficient Highway Funds to match Federal apportionments of Oregon cannot get the benefit of Federal money for Oregon Roads. Increasing this constitutional limit is a necessity. Unless the limit is increased, either state roads cannot be completed for many, many years, or must be financed by direct property taxation. This measure avoids direct property tax for state highways and makes early completion possible. Let's get the roads built now.

Income from Present Sources Sufficient to Pay Principal and Interest.

The fact that revenue from auto license fees and gasoline tax, without increase of present rates, will be ample to pay both principal and interest on the bonds, is a very real fact by the figures in the State Comptroller's report, issued by every registered voter. Hold to State Bonds for roads. Examine the facts carefully. It proves that no property tax is required and that a present rate for auto license fees and gas tax will reduce principal and interest and give surplus for bonds.
