We are moving a lot of goods Saving people a lot of money For we have a lot of specials people are saying a lot of good things because we give a lot of value and yet they can be a lot of help just taking a lot of goods so we won't have to move them to our new lot and we repay a lot of money to a great lot of people who take our knockout price lots like when they buy our hosiery to cover a lot of feet We give them a lot for their money and crochet thread has gone up a lot but ours is less a lot And when you hit the floor a lot with a lot of dishes we come along with a move out lot but really you must come down to our lot and see all our things in sale lots and save a lot of money to
