INDIAN PATROL COMING.

PORTLAND, Or., June 1.—News received at Shrine headquarters from Albuquerque, New Mexico, is to the effect that Ballut Akvad, chief of the Shrine will send her Indian patrol in special cars, which leave the southern city June 16th. The cars will be used by the New Mexican nobles instead of hotels.

The Khiva Shrine club of Amarillo, Texas, has thrown its hat into the ring to ask support for a dispensation here in June. The representatives of all the Texas Shrine temples at a meeting in Waco voted to recommend to the Imperial council that dispensation be granted Amarillo for a Shrine temple to be known as Khiva (pronounced Keeva).

Amarillo is 336 miles away from the nearest Shrine temple.

ROAD BUILDING DELAYED.

PORTLAND, Ore., May 31.—A general "tightening up" policy in road building to continue until the money and labor markets improve, was decided upon today at a conference here of members of the state highway commission.

No more bonds will be sold until the money market recovers. Road contracts will be let only in cases where the connecting links in existing highways are to be finished. Every effort will be made by the commission, it was announced, to avoid taking for road work men now employed on farms.

STILL THE GREAT OBJECTIVE.

The finest statement of the ideals of Memorial day was uttered before the idea of Memorial day was conceived. Lincoln's Gettysburg address, like the Ten Commandments and the Lord's Prayer, has become so familiar with repetition that we are given to reciting it glibly with little thought of the sterling significance that has made it familiar.

Imagine, then, that instead of having been pronounced at the National cemetery amid the Pennsylvania hills fifty-seven years ago, these words were to be uttered for this first time this Memorial day on the gentle slopes of Romagne, between the Argonne and the Meuse:

"But, in a larger sense, we cannot dedicate, we cannot consecrate, we cannot hallow, this ground. The brave men, living and dead, who struggled here have consecrated it, far above our poor power to add or detract. The world will little note, nor long remember what we say here, but it can never forget what they did here. It is for us the living, rather, to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is rather for us to be here dedicated to the great task remaining before us, that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion, that we here highly resolve that these dead shall not have died in vain, that this nation, under God, shall have a new birth of freedom, and that government of the people, by the people, for the people, shall not perish from the earth."—American Legion.

ALBANY GETS NINE CARLOADS OF GASOLINE.

ALBANY, June 1.—Nine carloads of gasoline is said to have arrived in Albany yesterday to be taken to various points in the valley for distribution. One tank of approximately 70,000 gallons was apportioned to Albany and will be on the market tomorrow.

EYES OF SPUDS REMOVED.

HELENA, Mont., May 31.—The extent of the potato shortage here is indicated by the sale of potatoes by local merchants with the eyes removed for seeding. Such potatoes find a ready market, it is said, and few to be had come at \$10 a hundred wholesale and the supply is limited.

Big Value in Tires for The Smaller Cars

Back of the manufacture of Goodyear Tires for the smaller cars is the same purpose to supply high value in the product that is behind the manufacture of the Goodyear Tires that equip the most expensive automobiles built.

This purpose is expressed by the enormous resources, extraordinary skill and scrupulous care applied to the manufacture of Goodyear Tires in the largest tire factory in the world devoted solely to the 30x3-, 30x3½-, and 31x4-inch sizes.

The effect of this endeavor is noted in the fact that last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

It is also noted in the fact that if you own a Ford, Chevrolet, Dort, Maxwell, or other car requiring one of the sizes mentioned, you can secure Goodyear Tires and Goodyear Heavy Tourist Tubes at the nearest Goodyear Service Station.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread \$23.50

30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water-proof bag \$4.50

How About That Lawn, Does It Need Mowing?
Remember we have a few mowers left over from last season, on which price has not been lifted. Then again to save it, you will have to become one "Julius Pluvius", and will need hose and sprinklers. We have been selling a quantity but still have some left. Get one of those eight-foot sprinklers and duplicate a rain shower. Under good Pressure it will cover a space 20 feet wide, or can be reduced to as narrow a strip as you wish.

MOTHER OF FIRST AMERICAN SOLDIER KILLED IN FRANCE

MRS. ALICE GRESHAM DODD, FIRST WAR MOTHER OF THE NATION GIVES ENTIRE CREDIT FOR THE RECOVERY OF HER HEALTH TO THE WELL KNOWN MEDICINE, TANLAC.

MRS. ALICE GRESHAM DODD, of Gavin Park, Evansville, Ind.

The following remarkable endorsement of Tanlac was given recently by Mrs. Alice Gresham Dodd, at the Cresham Memorial Home, Gavin Park, Evansville, Ind., which home was presented to her by the patriotic people of Indiana, as evidence of their appreciation of the services rendered to his country by her son, Corporal James E. Gresham, the first American soldier killed in France. Expressions of sympathy were received by Mrs. Dodd from all parts of the United States, and the newspapers of the country carried the story of the first "war mother."

The shock of her son's death resulted in the serious breakdown of Mrs. Dodd's health but everyone will learn with interest and pleasure that she is now in splendid health again. When seen at her home recently, giving the entire credit for her recovery to the well-known medicine, Tanlac.

"After my dear boy's death, I had a general breakdown in health," said Mrs. Dodd. "At first it was just indigestion. My food used to upset me and I had to diet myself very carefully, which wasn't much hardship as I lost all desire to eat. Then I had an attack of rheumatism, with severe pains in my shoulders, back and arms. Sometimes I used to suffer a great deal, and my joints would get all swollen up and stiff. I was able to do very little about the house, and at times couldn't even cook a meal. I got very nervous and restless, and at night would lay awake for hours, and lost many a night's sleep as a consequence. "A friend of mine had received a great deal of help from Tanlac, and it was she who advised me to try it.

I am so glad I did for it proved the best medicine I have ever taken. It soon gave me a good appetite and seemed to settle my stomach so that I was no longer troubled with indigestion. I don't know what it is to have rheumatic pains now, the swelling and stiffness has all gone out of my joints and I am able to do the work of the house with the greatest ease. My nerves are now steady and strong. I sleep fine at night, and I feel better in health than ever before in my life. I shall always be grateful for what Tanlac has done for me, and shall recommend it to every chance I get."

Tanlac is sold in Roseburg by W. F. Chapman, and by the leading druggist in every town.
