

### Money • Squandered

Reaction from the sacrifices of war or some other reason has affected the people the country over in respect to money matters. There has been deplorable thoughtlessness in spending and lack of conservatism in investing. Therein lies the great blame for the cost of living. An account here at the Umpqua Valley Bank is a remedy we urge every person and family to take.

### How About That Lawn, Does It Need Mowing?

Remember we have a few mowers left over from last season, on which price has not been lifted. Then again to save it, you will have to become one "Julius Pluvius", and will need hose and sprinklers. We have been selling a quantity but still have some left. Get one of those eight-foot sprinklers and duplicate a rain shower. Under good Pressure it will cover a space 20 feet wide, or can be reduced to as narrow a strip as you wish.
