

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Chas. H. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA
Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

McCaill Resigns From Telegram

Neil McCaill, formerly of this city, but who for the past few years has been employed as cartoonist on the Portland Telegram, has resigned his position and leaves Portland next week for Coronation, Canada, where he has purchased a large farm on which he will make his future home. Mr. McCaill was forced to resign on account of his eyes, which have been seriously injured by the work in which he has been engaged. He recently was given a vacation by the Telegram company in the hope that the rest would improve his condition but his eyes have become so seriously affected that his physicians insist upon his retiring from the cartoonist profession. His place has been taken by Ed. Le Caeg, of Pella, Iowa, a well known cartoonist who has already started his work with the popular Portland publication.

MRS. ALICE GRESHAM DODD, mother of the first American soldier killed in France, who gives entire credit for recovery of her health to the well-known medicine Tanlac.

The following remarkable endorsement of Tanlac was given recently by Mrs. Alice Gresham Dodd, at the Gresham Memorial Home, Gavin Park, Evansville, Ind., which home was presented to her by the patriotic people of Indiana, as evidence of their appreciation of the services rendered to his country by her son, Corporal James B. Gresham, the first American soldier killed in France. Expressions of sympathy were received by Mrs. Dodd from all parts of the United States, and the newspapers of the country carried the story of the first "war mother."

Wheat Crop 1920 Promises Average

WASHINGTON, June 8.—The total wheat production this year, according to a forecast by the agricultural department, issued today, will probably be about 781,000,000 bushels. The forecast is based upon the condition of winter and spring wheat on June 1. This is a decrease of approximately 160,000,000 bushels from the crop of 1919, when 941,000,000 bushels were grown in the United States. The 1917 wheat crop totaled 659,797,000 bushels, and the average production of wheat for five years from 1911 to 1915, inclusive, was 706,361,000 bushels. According to the forecast there will be more than the average amount of wheat produced this year.

THIRTY DAY WORM SPRAY.

From all reports available it seems to be time to apply the 30 day worm spray. This should be done as soon as the present showers are over and settled weather comes again. The object of this spray is to get the first brood of worms. It is very important and should not be neglected or put off if you expect to grow apples or pears free from worms. Remember, you can't kill the worms after they get inside the fruit. Thorough application is necessary. Apply to apples and pears. The fruit, not the tree, should be thoroughly coated. Use arsenate of lead, one pound (dry) to 50 gallons of water. Add lime sulfur 1 to 30 as a final spray for scab. June 7, 1920.

GASOLINE GONE AGAIN.

Gasoline distribution to filling stations last night lasted only a short time. The amount was limited and in spite of the fact that restrictions were placed on the sale the supply was exhausted in shortly over an hour. Stages, trucks and jitneys were given very liberal amounts, and pleasure cars were given not to exceed five gallons, depending entirely upon the amount in the tank. For an hour after the Standard Oil company distributed the gasoline, cars were lined up for blocks before filling stations. The supply was exhausted long before all cars were filled and many disappointed motorists were turned away. Another car is expected today and distribution will again be made.

Dance Was Enjoyed.

The dance at Riddle last night was attended by a large crowd from this city. The pavilion has been opened under new management and will continue to give dances throughout the summer. The Jazz-O-Four orchestra has been engaged to furnish the music. The next dance will be given on Tuesday, June 22.

The shock of her son's death resulted in a serious breakdown of Mrs. Dodd's health, but everyone who learns with interest and pleasure that she is now in splendid health again. When seen at her home recently she made the following statement, giving the entire credit for her recovery to the well-known medicine, Tanlac.

"After my dear boy's death, I had a general breakdown in health," said Mrs. Dodd. "At first it was just indigestion. My food used to upset me and I had to diet myself very carefully, which wasn't much hardship as I lost all desire to eat. Then I had an attack of rheumatism, with severe pains in my shoulders, back and arms. Sometimes I used to suffer a great deal, and my joints would get all swollen up and stiff. I was able to do very little about the house, and at times couldn't even cook a meal. I got very nervous and restless, and at night would lay awake for hours, and lost many a night's sleep as a consequence. "A friend of mine had received a great deal of help from Tanlac, and it was she who advised me to try it. I am so glad I did it for it proved the best medicine I have ever taken. It soon gave me a good appetite and seemed to settle my stomach so that I was no longer troubled with indigestion. I don't know what it is to have rheumatic pains now, the swelling and stiffness has all gone out of my joints and I am able to do the work of the house with the greatest ease. My nerves are now steady and strong, I sleep fine at night, and I feel better in health than ever before in my life. I shall always be grateful for what Tanlac has done for me, and shall recommend it every chance I get."

Tanlac is sold in Roseburg by W. F. Chapman, and by the leading druggist in every town.

Another Royal Suggestion

PIES and PASTRIES

From the NEW ROYAL COOK BOOK

CHEER UP! There is no further reason for worrying about table variety. The new Royal Cook Book gives new suggestions for every meal every day. The book is so full of surprises there will never be another dull meal in the home. Here are a few suggestions from the new Royal Cook Book.

Plain Pastry

This recipe is for one large pie with top and bottom crust.

2 cups flour
1/2 teaspoon salt
1/2 teaspoon Royal Baking Powder
1/2 cup shortening
cold water

Sift together flour, salt and baking powder; add shortening and rub in very lightly with tips of fingers (the less it is handled the better the paste will be). Add cold water very slowly, enough to hold dough together (do not work or knead dough). Divide in halves; roll out one part thin on floured board and use for bottom crust. After pie is filled roll out other part for top.

Rich Pastry

2 cups pastry flour
1/2 teaspoon Royal Baking Powder
1/2 teaspoon salt
1/2 cup shortening
cold water

Sift flour, baking powder and salt; add one-half shortening

and rub to lightly with finger; add water slowly until of right consistency to roll out. Divide in halves; roll out one half thin; put on in small pieces half remaining shortening; fold upper and lower edges in to center; fold sides in to center, fold sides to center again; roll out thin and put on pie plate. Repeat with other half for top crust.

Apple Pie

1 1/2 cups flour
1/2 teaspoon Royal Baking Powder
1/2 teaspoon salt
1/2 cup shortening
1/2 cup cold water
1 1/2 cups sliced apples
1/2 cup brown sugar
1 tablespoon milk

Sift flour, baking powder and salt; add shortening and rub in very lightly; add just enough cold water to hold dough together. Roll half out on floured board, line bottom of pie plate; fill in apples, which have been washed, pared and cut into thin slices; sprinkle with sugar, flavor with cinnamon or nutmeg; wet edges of crust with cold water; roll out remainder of pastry; cover pie, pressing edges tightly together and bake in moderate oven 30 minutes.
