Entered as second-class matter May 17, 1920, at the post office at Roseburg, Oregon, under the Act of March 3, 1879.

Roseburg, Oregon, June 15, 1920.

THE CASH HABIT.

The inadequate supply of credit is one of the fundamental difficulties in the business situation. It creates high rates of interest and thus discourages enterprise.

Divide a million dollars equally among ten men on a desert island and in three or four years nine of them will be working for the tenth and he'll have all the million.

The wall paper people have been observing "Paper Up Week." The newspaper man with his bill for news print, is inclined to think that every week is paper up week.

If a man is so poor he doesn't have to worry about the price of gasoline, he still has to worry about how fast silk shirts and socks wear out.

The restless people who have to run their automobiles 200 miles each week end, are greatly concerned over the deplorable shortage of gasoline.

The interest on the money that profiteers are making will come in quite handy one of these days to buy jail comforts.

A live town without a live commercial body is like a ship without a rudder—soon meets disaster.

Mother Hubbard's cupboard hasn't anything on a lot of these so-called evening gowns.

A man never gets his just desert in this world, which is mighty lark for the man.

SCENIC RAILROAD RUNS LAST TRAIN. DENVER, Colo., June 15.—Another of the famous scenic railroads of this state, the Denver, Boulder & Western, known as the "Switzerland of America," has run its last train.

The rails are being torn up, and already the rolling stock is scattered from junk piles here to Japan. One of the tenders of the narrow gauge locomotives left off a flat car and was lost on its way to Alaska.

After carefully studying the baseball returns, many of our intelligent voters casually glance at the headlines to see who was nominated for president.

It is complained that many families allow their chickens to overrun their neighbors' yards. If this continues a lot of families will have chicken for dinner quite soon.

The Woman's Missionary Society of the M. E. Church, South, will hold a cooked food sale at Vossburg Bros.' store Saturday, June 19.

About the cheapest thing in this world is fresh air. You can step outside and gulp down your fill of it. You can open your door or window and fill the house with it.

Roseburg can get some real appreciative advertising through the efforts now being advanced by a number of business men to supply all business passing through the city with a generous supply of Roseburg rooms.

Claimed the government will get a million more of taxes wrongfully withheld from the corporations. O well, only a billion more then to be paid by the consumer in higher prices.

Not going to marry Jones. "Well, she's not going to marry a Jones," he broke in laughingly.

At this moment the nurse came in and handed me a piece of paper, saying, "When I dressed the baby last night I found this check among her bones? You probably forgot to put it away."

What's that! What's that! asked John. "Great Scott!" he exclaimed, "what does this mean?"

LOVE and MARRIED LIFE by the noted author Idaho McGlone Gibson

A SURPRISE.

"Then you are not entirely inconceivable that the baby is not a boy?" I inquired. "If she will be as sweet as you, ma' dear, 's was his satisfying response, 'I shall be very happy."

"I told mother we were going to name the baby after her," was his mischievous response. "But we are not, my dear," I answered decisively.

"I knew I could not voice my most serious objection that it was the name of Elizabeth Moreland and so I said: 'I do not like two names for a girl. Always retains her maiden and signs herself—well say—Mary Gordon-Smith, or Jones. It would be unphonous for our daughter to sign her name Mary Elizabeth Gordon-Jones.'"

A Prominent Druggist Testifies

Redondo Beach, Calif.—"I wish to call attention to my experience in the sale of Dr. Pierce's Anuria Tablets. I have never sold an article that has given such universal satisfaction. It seems that every bottle sold sells another. I am very much inclined, like most druggists of today, to sell the best stuff at a greater profit, or something just as good, but in suggesting Anuria for uric acid and rheumatism I consider I have not only created business along that line but have gained the confidence of the public which more than repays me for my interest and suggestion, together with the satisfaction I get from having an article that I can place with perfect confidence. Nothing would please me more than to be able to introduce Anuria to the world for the benefit of all mankind. However, I have to content myself by simply calling attention to the satisfactory results that follow as reported to me by the individuals, extending their thanks."—C. D. RHOX.

Many of Your Neighbors Can Say the Same

Tuolumne, Calif.—"My back gave me considerable trouble, which I thought was due to kidney disease. After taking four packages of Dr. Pierce's Anuria (anti-uric-acid) Tablets I was fully recovered. I consider it a wonderful medicine. I also use Dr. Pierce's Pleasant Pellets whenever I am hungry, and they give me a great deal of relief."—WM. H. BOSCH.
