BAPTISTS WIN OVER PRESBYS

Bunched Hits Give Cellar
Position Team Game by
6-3 Score.

WAS VERY GOOD GAME

Timely Hits on Part of the Baptist
Players Coupled with Disastrous
Errors of Presbyterians Re-
sult in a Victory.

The Baptists and Presbyterians pitched in the ball game at Bellows Park last night, and the Baptists came out victorious, 6 to 3, making them a second game won since the series began. The opposing pitchers were Leon McClintock, for the Baptist, and Hewett, for the Presbyterians. Hewett was hit so frequently in the fourth that he gave place to Randolph who kept the Baptist away from the plate during his two innings.

The Presbyterians started out by putting one across in the first. Finley reached first on an error at short. Whipple and Randolph followed with clean hits, and Finley scored. The Baptist also put one over in the first. J. McClintock made a fine hit, stole second, and scored on another clean hit by Cecil Black. The Baptist added one in the third, after two were out. Singleton made a hit, a little wild playing at this point, a couple of errors allowed him to come around, and Pickens, who got a life on an error to reach third where he was left. The fourth was the big inning for the Baptist and they submerged the Presbyterians in this inning. Crocker got a base on balls. L. McClintock made a hit, Crocker going to third, and on the throw in McClintock to second. Carl Black sacrificed and Crocker scored, McClintock going to third. John McClintock drove out another hit. Leon McClintock scoring. J. McClintock, however, was retired in trying to reach third on the play in, on Stephenson's fine hit. Stephenson reached second, while McClintock was being put out and scored on Singleton a hit. The Baptist came very near doing their regular stunt in the last inning. With a score of 6 to 1 in their favor, they nearly went up in the air. They have had the regular habit of going up in the air in at least one inning, and last night was no exception. The Presbyterians ran over two scores in the seventh, and had the bases loaded for the tying score, but the Baptist pulled themselves together and saved the day. Randolph had a life on an error. A fiddler's choice which disposed of Randolph at second put Throne on first. Biskely made a hit, and Preo was given a base on balls. Richardson made a nice hit, and two runs clattered over. Hewett made the second out, then Campbell filled the bases again with his hit. Finley was up, and a hit looked like disaster for the Baptist, but Preo was not careful enough, and playing too far off his base, and a snap throw caught him and retired him to the side. The next game will be played Friday evening between the Presbyterians and Christians.

have agreed to obtain additional compensation on promise to divide the increased amount.

DANGERS OF A COLD.

Roseburg People Will Do Well to
Heed Them.

Many bad cases of kidney trouble result from a chill or a cold. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness and disordered kidney action follow. Don't neglect a cold. Use Doan's Kidney Pills at the first sign of kidney trouble. Follow this Roseburg resident's example:

Mrs. Laura Kimball, 232 S. Flint St., says: "Doan's Kidney Pills helped me wonderfully and I can't say too much for them. My kidneys were always weak and if I took cold it always settled in my back, and I suffered dreadfully. I couldn't hold out to sweep the floor and the action of my kidneys were irregular. Doan's Kidney Pills always relieved these attacks, strengthening my back and kidneys and benefitting me in every way."

MORE PAY—MORE SERVICE

CORVALLIS, June 26—Increased compensation and increased service are needed to solve a national educational emergency, now existing. Mrs. Josephine Corlies Preston, president of the National Education association, and state superintendent of the Washington schools told students and faculty of the summer session, and Corvallis people in an address at the college Tuesday afternoon. Her subject was "Emergency in Education."

"Greater service and greater responsibility for each teacher in America are needed," said Mrs. Preston. "Teachers with increased pay will be willing to give more efficient service." The teacher has civic responsibility outside of the classroom. The rural schools, the rural community problem, rural health, rural industry, training for life, thrift education, Americanization and immigration and industrial education are subjects of outstanding importance with which the teaching profession must deal. Oriental Pageant Coming

Julius Caesar Nayphe Opens Chautauqua With Unique Entertainment Feature

Julius Caesar Nayphe, brilliant actor of unbroken royal lineage, comes to Chautauqua with a lecture-entertainment that has been the sensation of the East. He is a young Athenian, educated in Palestine and in the Universities of England and America. He will tell you of the Holy Land, where customs of a thousand years ago are still in vogue; of the Oriental people, their lives and habits. With him he brings the wonderfully gorgeous costumes of the Syrians, the Greeks and the Armenians, which he wears and exhibits, making a spectacular pageant of the Orient. A feature of the entertainment is a wedding of the Holy Land, with the magnificent robes worn on this occasion.
