

The Bigger the Bank Account --the Bigger the Opportunity.

That has always held true, but is even more so just now when the buying power of the dollar has become so small. If you can hold on to your dollars until normal conditions return, think what an advantage you will have. But holding on requires having a safe and accessible place to keep the dollars, and we think the Umpqua Valley Bank will serve that purpose to your satisfaction.

Interesting Talk Given Last Night

One of the best talks that has been given in this city for some time was presented at the Methodist Church, south, last night when Bishop Du Bose, who is visiting here for a short time, addressed the congregation and friends. The Bishop is a man of world wide travel and experience and has a wide fund of information which is interesting in the extreme. Bishop Du Bose is now interesting himself in the building campaign of the M. E. Church, South, and is anxious for developments locally. A meeting of the church members was held following the public talk and plans made which will be divulged later. The Bishop was accompanied to this city from Berkeley by Rev. W. J. Fenton, of Portland, presiding elder for this district.

GO TO THE RESCUE.

Don't Wait 'till It's too Late—Follow the Example of a Roseburg Citizen. Rescue the aching back. If it keeps aching, trouble may come. Often it indicates kidney weakness. If you neglect the kidney's warning, look out for urinary disorders. This Roseburg citizen will tell you how to go to the rescue.

P. P. Oar, 6 North Ave., says: "I always recommend Doan's Kidney Pills for I know there is nothing better for kidney trouble. My kidneys troubled me a lot and I had such backaches that I could hardly stoop or bend over. My kidney didn't act right, either. I used Doan's Kidney Pills as directed and they soon fixed me up in good shape. The aches and pains left my back and my kidneys were regulated." Price 50c at all dealers. Don't simply ask for kidney remedy—get Doan's Kidney Pills—the same that Mr. Oar had. Foster-McLearna Co., Mfrs., Buffalo, N. Y.
