Chautauqua Program Well Balanced

H. H. McFadden, superintendent of the Ellison-White Chautauqua coming to Roseburg, is in the city making the preliminary plans for the series of entertainments which will start next Saturday.

This is the best balanced program that the chautauqua company has offered for many years. Mr. McFadden states: "It is hard to pick out any outstanding feature or to designate any special day as the best day. Each number is excellent and the lectures are especially strong and some of the most able speakers in the country will appear on the Roseburg program. The musical numbers are very good and have been giving the best of satisfaction. The approval in places where this program has been given has been extremely gratifying and we are sure that the Roseburg people will be perfectly satisfied with the entertainments we will offer this year. Our tent will arrive Friday morning and will be set up at once and our program will begin promptly on time Saturday."

ments. Mr. McFadden says that the program this year is much better than ever before, and he is highly pleased with the talent booked for Roseburg. The lectures, he says, are exceptionally fine.

OPPORTUNITY IS WORKING OVERTIME

"Opportunity hasn't missed a working day since the Garden of Eden was laid out in building lots." So wrote a popular writer six years ago. But that was before the war.

Today—opportunity is not only putting in a full day's work, between sun-up and sun-down, but it is working overtime. The country has never been so prosperous.

Take advertising, for instance. There's opportunity right here in these pages—for the men who sell.

—for the men and women who buy.

Don't miss the advertisements. They are guide posts to better buying. They will save you money.
