PAGE TWO

part of their rich folklore." When the revolution broke out In Russia, the report continued, many parents in Petrograd decided to send the youngstars into peaceful stisarth "until the irouble was over." They were sent in charge of burses and teachers.

Later, a barrier of fire marking be hattle lines of the opposing Later, a barrier of fire marking the hattle lines of the opposing Risian and Creech armies had been stretched between the youngsters and their homes. Months passed Winter arrived, funds were exhaust-ed and hunger and war horrors menaced the wandersers. The Omsk government, appealed to for help, passed it on to the Red Cross.

Group after group was take ser by the Red Cross, which estab over by the field Gross, which estab-lished cotonies in western Siberia and had apparently solved the pro-blem of caring for its charges when the bother line awayed eastward and the Iolsheviki captured rown after town. Groups of the children hare-ity escaped capture. Finally is was decided to take them to Vindivo-stok. stok

stok. "Three trains of specially equip-ned how cars with a snard of Amer-ican doughboys transported the precions eargo on a journey lasting several weeks through a country stripped bars of provisions," the re-port confinued "It may be said that ingenuity was taxed to the st most in constitute arous and ing discound epidemic arous and invalles other troubles." Finally the children were suffici-

and that he had allowed any work in to influence bin in any way. "Don't you think you are draw-ing it rather long. Katherins"" he expositulated. "I really don't think that Bees has ever tried to influence-me. She sold the other day that I' second too bad that we would have to wail so long after you arrived to have the house descrited. "I han't thousit of it before-hat of course, as soon as she men-uoued it, it see as it to mis only thoughtfulness to have it done be-fore you came." "Oh dohn John, forgive me for-smilling at you. Can't you see that Flimbeth knowing you as she does, knew that she only had to make

LOCAL NEWS, Left Last Night-Miss Bendah Jewett, who has been reporting for the News-Review lift has evening for Dakiand where sh-will visit for several days with Mis-Belle Bridges. Pislowing her stay there she will continue to Gasting-to remain for several weeks enjoying an outing.

an outling. Ike Gilkeson Also Bruised... Ike Gilkeson, who was in the minorial of the collision between the wrecker trails and a switch angine also received a hally brunsed leg file description of the affair shows that escape of Mr. Parks from instant death was almost miraculous. As it was the injured man was unconscious for some time. He was standing in the door of the car ready to step out, when the crash came, and was caught in the wreckags. When rea-cued the men in the yards thought be was dead, but after first ald mess-ures had been applied hopes for him provide. revived.
