## Indian Veteran Makes Appeal

NEW YORK, Aug. 24.—An appeal by an American Indian, a preacher and veteran of a machine gun battalion in the world war, for the protection of his own soil has been received by the American Legion Weekly. The Rev. Whitefeather, a member of the Fallon, Nev., post of the Legion, is the author of the appeal which asks that the "white man" be kept off the reservation near Stillwater, a proposal having been made to open it for settlement. "Make a law that no white man or Mexican can take our lands or marry in this tribe," he urges. "Put all poor Indians in good shape and I know that the government will be well paid in the long run. We have no lazy Indians here at all. The white man would like to see us poor Indians give up our land and work

for them. A man, no matter who he is, if he works out for others is the loser."

The Rev. Whitefeather served in the 345th machine gun battalion.

# TRUNK MURDER MYSTERY BAFFLES

Search Being Conducted For Eugene Leroy All Over the Entire United States

## OFFICERS ARE ON TRAIL

Horrible Details of Murder Given.— Detectives Are Scouring Canada and Mexico in Hopes of Locating Murderer.

(The Associated Press.)

NEW YORK, August 24.—The "trunk murder" mystery in connection with which Eugene Leroy is being sought by detectives all over the country and in Canada and Mexico, has ramifications which extend from New York to Michigan, Mississippi and Alabama.

A few minutes after an employee of the American Railway Express Company here had discovered the nude and mutilated body of a young woman in a trunk stored in the unclaimed baggage warehouse, police of New York and Detroit began following the train of evidence which led to the victim's identification of Mrs. Katherine Lou Jackson of Sturgis, Miss., and the location of A. A. Tatum, whose name and a Detroit street address were found marked on the trunk which concealed the crime for more than a month.

At 165 Harper street, Detroit, Tatum was unknown, but someone there told detectives that a young couple known as Mr. and Mrs. E. Leroy had disappeared from that address about June 10, the date on which the trunk was shipped to New York.

The publicity given these two names, Leroy and Tatum, brought forward Andrew J. Branic, a New York expressman who said he knew Leroy under the name of Fernandez. He told the police he had handled a trunk for Fernandez or Leroy, who, he said, also used the name of O. K. Woods. He produced a letter from Leroy, enclosing a check for the trunk in which the body was later found, asking that it be removed from the express warehouse and stored by Branic until Leroy should call for it.

A Detroit policeman, Leo Trumbull, then came to the front, declaring that he and his wife knew the young woman who lived with Leroy as his wife at the Harper Avenue address. When the body of the murdered woman arrived in Detroit, Trumbull and his wife identified it as "Mrs. Leroy."

Then from the south came positive word that "Mrs. Leroy" was really Mrs. Jackson, wife of Kid McCoy Jackson of Sturgis, Mississippi.

"The town was too small for Kitty Lou and she went away," Jackson said, when asked to tell what he knew of his wife's wanderings.

Next Tatum, the man whose name appeared on the mysterious trunk, walked into police headquarters at Birmingham, Alabama, and explained his connection with the case.

He told the authorities that he had known Mrs. Jackson in Birmingham, where he works as a linotype operator. At her invitation, he said, he visited her in Detroit, where she told him she had married Leroy and that he was "terribly jealous." Shortly afterward, Tatum said, he returned to Birmingham. He declared that the next he heard of the woman was when he read of the discovery of her body. Reports have poured in from every quarter of the continent insisting that Leroy had been seen in this or that place. A \$5,000 reward offered by the police of Detroit stimulated the search and he was reported variously as escaping to Canada, hiding in Mexico, sailing for Brazil and the Bahamas and under arrest in Chicago.

### "GASSED" AT THE FRONT.

MARSHFIELD, Ore., Aug. 23.—Charles Knapp, a cook in a local restaurant, dropped dead at a service station here.

He drove up in his car and asked if he could get some gasoline.

As he was leaving for California he needed all he could get. He expected two gallons only.

When told he could have five gallons, he gasped and fell dead. His wife was waiting at an apartment ready to start on the trip.

## Goodyear Mileage—and Tires for Small Cars

A well built tire yields much more mileage for each dollar of cost than a tire purposely made to be offered at a sensationally low price; buy the tire, not the price.

Built to deliver exceptional mileage at exceedingly low cost, Goodyear Tires, of the 30 x 3, 30 x 3 1/2 and 31 x 4-inch sizes, save inconvenience, disappointment and money.

Their value results from the application of Goodyear experience, expertness and care to their manufacture in the world's largest tire factory devoted to these sizes.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires—for the real worth and endurance that Goodyear builds into them.

30 x 3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread... \$21.50
